

Aurora Remain Winless

**2 Ties In Senior Action
Leafs Still In Top Spot**

**Aurora Macs 3
Willowdale Rangers 3**

Aurora Macs counted their third point in the campaign this season by virtue of the 3-all tie with the second place Rangers.

Despite the fact that Rangers had only nine men dressed for the game, the Aurora squad was unable to take advantage of the situation and were forced to settle for the tie.

Rangers opened the scoring after only two minutes and thirty seconds of play in the first period. Len Johnson flipped the puck behind Ted Brodick in the Aurora net with assists being credited to Harold Fiskari and Gary Durie.

Ten seconds before the end of the first period Bernie Simpson scored for Aurora with the assist going to Bill Simpson.

Gary Durie and Rene Jaillat teamed up to send Rangers into a 2-1 lead in the second period. Durie fired in the puck at the 6:30 mark of the period with Jaillat assisting.

Bernie Simpson brought the Macmen back into contention as he tied the score at 15:30 on a pass from Ted Murrell.

Eleven minutes and ten seconds of the third period had been played before Brian Groundsell sent Aurora into a 3-2 lead assisted by Ted Murrell and John McKnight. This was the first time Aurora had led in the game.

Five minutes and ten seconds later Chick Webster tied the score at 5-all as he poked in a shot aided and abetted by Rene Jaillat.

The game ended in a 3-all tie with each team picking up a point. This was the third point the Macmen have tallied this

season, all the points resulting from tied games.

**Concord Flyers 6
Leaside Larks 5**

Bob Laird was the hottest thing on ice for the Flyers as his two fast goals in the second period provided the one goal victory margin.

All scoring in this game was confined to the first two periods and eleven goals were scored in a comparatively short span of time.

Flyers opened the scoring in the first period with Phil Butler scoring at 4:30 assisted by Bob Nicholas.

Paul Smart tied the score at 13:50, assisted by George Kilop and Brian Bridger sent the Larks one up at 16:30 on a pass from Frank Fisher.

Two minutes later at 18:30 John Hall tied the score for the Flyers with Tom Keough assisting.

Seven goals were scored in the second period, three by the Larks and four by the Flyers to provide some real action.

Smart, Hotkiss and Bridger scored for the Larks and Keough, Noworelski and Baird with two were responsible for the four Flyer tallies.

**Willowdale Rangers 4
Richmond Hill Leafs 4**

The league-leading Leafs and the second place Rangers battled each other to a 4-4 tie. As a result the standings remain unchanged with the Leafs all alone in front, a game and a half to the good.

Moe Williamson scored the lone goal of the opening period as he connected on a play engineered by Ron Guy and Matt Kinnari. The period ended with the Leafs enjoying a 1-0 lead.

Three fast goals by the Rangers in the second period and a single goal by the Leafs gave

Midgets Win Bye To OMHA Finals

The toss of a coin on Sunday of last week gave the powerful Town & Country midget hockey team a bye into the league play-downs.

These playdowns will decide which team will represent this area in the OMHA playdowns.

Aurora and Newmarket are battling it out to see who will play against the Richmond Hill squad with the series set to go at Richmond Hill Arena this coming Friday night.

Coaches Marsh Amos and Bill Points welcome the rest to get their team into top physical shape. It has been a gruelling season and the rest should help the Town & Country kids immeasurably.

In the interim they have been keeping sharp with a series of exhibition games.

Enjoying Winter Outdoors

Winter picnics are the latest form of outdoor use of its conservation areas advocated by the Metropolitan Toronto and Region Conservation Authority. Facilities such as picnic tables and barbecues have been set out in four of its areas—Heart Lake near Brampton; Albion Hills near Bolton; Boyd near Woodbridge, and Greenwood near Pickering. One hardy family of five, here, shows how picnics in the snow can be as enjoyable as those during the summer's heat.

Trout, Perch Catches Reported On Weekend

Fishing was reported generally spotty in the Lake Simcoe area over the weekend. While some districts reported fair fishing, other areas had a more or less barren weekend.

Ten lake trout were taken at Pefferlaw during the past week with six reportedly taken at Bonsecour Beach.

Fishing at Bonsecour has been poor to fair all during the week as fish seem to have left the area.

A pike from 14 to 15 inches long was taken at Frenchman's area.

Bay. Large schools of perch have also been reported in the same area.

Rabbits were running well over the weekend on the crusty snow and hunters reported fair success.

Game wardens reported that in a one and a quarter mile patrol along a township road they counted 30 pheasants and 20 jack rabbits. Conservation methods are paying off as game seems to be on the increase in this area.

(Continued from page 9)

Unfortunately the whole thing was a misunderstanding from beginning to end, as long as human beings are involved these things will happen. All you can do is to try and set the record straight.

The improvements to the arena will do much to encourage parents and proud grandparents to go and watch their progeny play hockey and skate. This is one excuse that's often given for not attending events at the arena as it's presently constituted. It will be interesting to see how attendance picks up next year.

So there it is — a generous helping of humble pie — and it really doesn't taste all that bad!

Publicity Director Dave Ferguson, tub-thumper-in-chief for the newly formed Metro Major Fastball League is keeping the kettle boiling. Wow! How's that for a mixed metaphor!

Dave's latest release concerns committees being set up within the league executive. Judging from the scope of these committees this should be one of the best run leagues in Ontario.

There's a scheduling committee, a disciplinary committee and a ways and means committee. That's the really important one — the ways and means. They've got to figure out where the necessary loot to feed kitty is going to come from. Every executive member is a big wheel on the ways and means end of the deal!

Jim Murray of Aurora is the first V.P. of the league and heads the scheduling committee. With the help of two other members this committee will arrange all regular play dates, play-off schedules and rain-outs. Mickey Smith of Richmond Hill, John Van Waggoner of Lakeshore and umpire-in-chief Bill Thompson comprise the disciplinary committee. They are the ones who will administer the occasional rap over the knuckles.

According to Mr. Ferguson he has the promise of support from press, radio and television stations throughout the Metro area. If he gets only one-half the support promised then the league is off to a rousing start. Once the league gets into actual operation, the quality of the game will, no doubt, ensure an ample fan following.

On behalf of the people of this area we would like to invite the gentleman who wrote about "terrorism" on Yonge St., for a nice leisurely stroll through town. One or two people might get violent enough to bid him good-bay but he shouldn't be too terrorized by that.

Don't think too harshly of him for what he wrote. It must have been a dull day in the Big Town — a couple of muggings, one or two purse snatchings and the odd burglary. When these things are a daily occurrence then they're hardly news — now are they?

In all fairness, Buster, come up and see for yourself. We're even broad minded enough to assume that you're innocent until proven guilty. Couldn't you possibly presume the same of us?

There is a well-known man's magazine on the market that awards prizes for tall outdoor tales. You know what men's magazines are. They're the ones that women prefer ahead of Good Housekeeping. Anyhow there is a local resident who has a couple of stories that would easily qualify him for an award. These things didn't really happen to him but a friend of his.

This friend went deer hunting and shot off all his shells to no avail. He was just going to quit when a fine young buck hove into view. He was addicted to eating cherries out in the bush and was knee-deep in cherry stones. Being a thinking man he quickly rammed a charge of powder into his trusty fowling piece and tamped down a few cherry stones. Using his lighter as a flint and steel he blasted off at the happy young buck. Scored at least one hit as the buck staggered before taking off for the wild blue.

Next deer season he returned to the same run. But he never went hunting again. The first deer he saw was a fine fat buck, but he didn't fire — he heaved his gun and ran, never to return. You see this buck had no antlers at all — instead there were two shapely young cherry trees growing out of its skull. If you don't believe it he can show you the lighter he used to fire off the gun.

When he wasn't making like the great white hunter this man also fished a bit. While he was no Isaac Walton he did get his share. Caught a fish one time that stretched from thar - - - - - to thar! Never got around to weighing the fish but did take a picture of it. And would you believe it? The negative weighed a shade better than nine pounds!

Methe, Doucette Lead Team In Scoring Race

An invitation to the Goderich Peeewe Hockey Tournament evidently went astray in the mails. As a result all Goderich entries are filled up and the Hornets will not be able to take part in this year's tourney.

However, all is not as bad as it might seem as Earl Methe and Gord Pipher have the team entered in the King Clancy series and in a tournament at Ted Reeve Arena.

In a series of three games last week the Hornets won two. They sustained a 2-1 loss at Georgetown as Mike Deciantis scored the only Hornet goal.

Last Friday night a team from Ted Reeve Arena was dumped 4-1 in Richmond Hill as Wilson Ross scored two and Ricky Doucette and Ricky Thompson fired in one goal each.

Last Saturday the Hornets defeated Ajax 6-2 at Whitby. Hal Cameron was the spark plug with two goals to his credit and Ricky Doucette, "Beany" Methe, Wilson Ross and Dave Lund scored one each.

Now the team patiently waits the outcome of a series between Newmarket and Aurora to decide just who they'll have to beat to advance into the OMHA playdowns.

If statistics can be counted upon to tell a story the Hornets have had a better than good year.

They have won 21 of 25 games, lost 3 and tied 5. They have had 52 goals scored against them while putting 141 into opposition goals. Goal-tender Doug Meyers has a fantastic 1.79 goals scored against him over the season.

Leading scorers on the club are "Beany" Methe with 26 goals and 14 assists, Ricky Doucette 21 goals and 20 assists, while Dave Lund has 16 goals and 16 assists for 32 points.

AURORA : Charles Henshaw was re-elected president of Aurora Agricultural Society, sponsors of the Aurora Horse Show, and Ricky Doucette, "Beany" Methe, Wilson Ross and Dave last week.
