

SPORT SPOTS

BY
RON CRAINE

One of the biggest sport phenomena of the last few years is the advent of skiing as a major winter sport. The day of the skier is definitely at hand. Ski lodges and resorts are springing up in all sorts of odd places and ski specialty shops are thriving as never before.

The Toronto Ski Club operation at the Summit is a resounding success. Three ski tows in close proximity to a large population have turned snow covered slopes into a kaleidoscope of colors.

Skiers come in all shapes and sizes, from Grandma and Grandpa to the tiniest of small fry. They come in all their shining array - all bent on hurling their bodies downhill in complete accord with the laws of gravity.

To the casual observer skiing has become not only a sport but something of a fashion parade. Skis have bloomed out in a riot of color to match the rest of the dashing ensemble and range from shades of magenta through to sombre black. Ski pants are a far cry from the woolly utilitarian garments they used to be. Stretch fabrics in all colors of the spectrum are now the absolute must. While most men go for the traditional black or navy slacks the odd individualist will come booming down a trail in a delicate gold shade.

Jackets are not merely a piece of warm clothing anymore. They too come in the gaudiest hues and contain enough flaps and pockets to pack away enough food and clothing for a weekend. Toques are de rigueur and some sport tassels of alarming length. If the wearer were ever to be stranded on a lonely trail there is enough excess material in some toques to form a small shelter. Wonder what it would be like sheltering in a knitted tent?

As to the ladies fashions they run the complete and entire gamut of shade and color. The basic requirement for being a real swish snow bunny seems to be crowding oneself into a pair of stretchy slacks at least one full size too small. Their efforts are not in vain and seem to be much appreciated by the male ski bird.

With fearsome war cries of TRACK! they come

Aurora Wins First Game Leafs Still Top League

It was inevitable that Aurora should win at least one game during the season and the Flyers just happened to be on the same ice at the same time.

Aurora has played some good hockey throughout the course of the season and on several occasions have been outlucked in the win department. This game proved to be the turning point.

Tom Keough sent Concord into the lead after five minutes of the second period had been played with Bob Baird assisting. Bernie Simpson and John McKnight teamed up to put Aurora back into the picture at 11:05 with Simpson notching the goal. Brian Groundsell scored for Aurora at the 15:15 mark in the period with McKnight again in on the assist.

Bob Baird scored for Concord at 16:20, assisted by Bob Nichols and the second period ended in a 2-2 tie.

Bob White put Aurora in front 3-2 at 10:05 of the third period with Barry Newall and Bernie Simpson assisting and at 12:05 Doug Scott, assisted by Newall sent Aurora ahead 4-2. Ron Brown made it close at 19:40 of the third period as he scored the final Concord goal assisted by Jim Neal.

Aurora was able to hang on for the last twenty seconds of the 4-3 win.

Richmond Hill Leafs 9
Aurora Macs 5
Frank Mashinter, Matt Kinari and Moe Williamson paced the Leafs as they scored two each in the winning cause. Norm Roberts, Bill Bunker and Jim Wells scored singletons.

Ted Murrell was the pick of the Macmen with two goals while singles were scored by Wayne Taylor, Barry Newall and Bernie Simpson.

Willowdale Rangers 5
Leaside Larks 3
Earl Cairns paced the Rangers to a 5-3 win over the Larks as he performed the hat trick by scoring three important goals. Fred Disera and Chick Webster counted the other two Ranger tallies.

Leaside goal getters were Charlie Sato, Paul Smart and Stan Hotchkiss.

AURORA: A suggestion of a combined sewage disposal system serving Aurora, Newmarket, King, Whitechurch and East Gwillimbury, and probably based on lagoons well downstream is "not feasible" Ontario Water Resources Commission has stated.

Reg Acomb's North End Cleaners are locked in a do-or-die bantam OMHA schedule with Newmarket. The winner of the best two-out-of-three series will represent this area in the OMHA playdowns.

In the opening game of the series the tables were turned on the Cleaners as Newmarket took them to the cleaners by a 7-3 count.

Newmarket came on strongly in the third period as the Cleaners wilted like a starched collar on a humid day.

Doug Acomb popped in two goals for the Cleaners and Harvey Gordon added a single goal. Dave Broderick was active in the assist department.

Second game of the series went Sunday afternoon at Richmond Hill Arena. Two very evenly matched teams battled through 60 minutes of hockey to a scoreless tie.

As a result Newmarket has picked up a total of three points in the series to the Cleaners' lone point.

North End Boys Need Win Friday Or All Is Lost

As a result Newmarket has picked up a total of three points in the series to the Cleaners' lone point.

Third game of the set goes next Friday night in Newmarket. Should Newmarket win it's curtains for the Cleaners while a Richmond Hill win will necessitate a fourth game in Newmarket next Sunday afternoon.
