No Change Licenses

It was learned by "The Liberal" this week that there is apparently no change in the status of the liquor licenses issued to two Richmond Hill applicants last January.

At that time the Liquor Control Board of Ontario announced that they had granted licenses to Pop's Restaurant, which will be renamed Pop's Tavern. A restricted license granted at the same time would permit the Canadian Legion to operate a dining room and lounge in a building occupied by the Discount Plaza. In addition, LCBO officials made known last month that, applications for liquor licenses from the Three Coins, La Cantina Restaurant and Dad's Restaurant were under consideration.

While more than a dozen licenses have been issued by the Board in the past week none of the Richmond Hill applicants has been included.

Markham To Get New Fire Contract

Markham Township Council approved a new contract for fire protection service which is to be presented to Markham Village council. The Markham brigade is presently receiving \$60 for the first hour for each fire plus \$24 an hour for each additional hour. In addition they receive \$300 a year stand-by time.

Under the new contract the village would receive an immediate \$1600 towards the capital investment in their new truck; \$600 a year stand-by time; \$100 for the first hour attending a fire and \$60 for each additional hour.

It was pointed out that the Markham brigade had answered 25 fire calls last year in the township and 27 in town. The cost to the village of the new truck was \$14,500.

In a special meeting Saturday of representatives of each council, an amount of \$5,000 capital grant had been suggested. "We certainly can't argue with the figures," said Councillor Summer, "there were nearly as many calls in the township as in the village." Other members expressed the view that the capital grant should be the same as that given Stouffville in 1961. Stouffville council agreed to keep the same contract until 1965.

Markham village will now have their fire calls as well as police calls handled through the Markham Township switch-board and radio dispatcher. The village will pay for the installation of a fire-call phone in the Township office and will reimburse the Township at the rate of \$3,000 a year for the double service.
