

## Walter Scott Prize Winning Senior Choir

Walter Scott School senior choir, composed of girls in grades 7 and 8, recently won first prize in their group at the Kiwanis Music Festival in Toronto. Scoring a remarkable 88 marks for their three-part rendition of "Bonnie Doon" they were invited to sing in the concert of stars of the festival at Massey Hall, an honor reserved for contestants of outstanding ability.

Members of the choir are:  
 Front Row (left to right): Lorraine Evans, Linda Lovelock, Melanie Thomas, Diane Hasselfeldt, Christina Munsey, Janet Weese, Peggy Nicholls, Patsy Wylie, Lesley Nicholls,  
 Carien Meyer, Louise Booth, Patsy Fleming.  
 Second Row (same order): Kathryn Hammond, Carol Barfoot, Linda Thomason, Jill White, Susan Tapp, Rhodella Byron, Susan Getz, Margherita Munsey, Debbie Dunklee, Patsy Jennings, Sharon Bond, Carol Hack.  
 Third Row (same order): Shelley Orme, Janice James, Gail Thomson, Marlene Dennis, Donna Armstrong, Bonnie Morley, Beverley Gomme, Brenda Hadock, Susan Coles, Beverley Wilson, Wendy Allsopp.  
 Fourth Row (same order): Linda Rumble, Jane Blackwell, Pasquina Iafrate, Pat Boulwood, Nancy Welch, Ingrid Zjib, Cheryl King, Irene Winkhardt, Sandra Myers, Elke Neugebauer.

## York County Seed Fair March 20

A. A. Wall, agricultural representative for the Ontario Department of Agriculture has reported that the York County Seed Fair and Hay Show will be held in the Newmarket Legion Hall on March 20.

In making the announcement he stated that seed drill surveys have revealed that an alarming percentage of seed that is being used would make better pig feed than cropseed and that if it is not given close examination, seed with poor germination possibilities and a large proportion of weed seed, often gets by. The Seed Fair, said A. A. Wall, is a good place for farmers to ascertain the quality of the seed that they plan on planting.

This year prospective participants need not go to a lot of bother in preparing seed samples for the Fair. Farmers are merely asked to put a pound or two of seed in a paper bag and bring it along to the Fair where it will be judged by a competent authority who will tell the farmer whether his seed is suitable for planting or not. Officials of the Fair have stated that names will not be used on the seed samples so that farmers who may fear that their seed is not up to par may not be concerned about being embarrassed by having their names associated with poor seed.

With ever increasing emphasis being placed on the quality of forage crops the hay classes at the Fair will come in for special attention. Provision is being made for the many varieties of hay seed and prospective entrants in this division of the Fair are reminded that cash prizes are being offered for winning samples.

D. L. Parks, Director of the Soils and Crops Branch of the Ontario Department of Agriculture will be the feature speaker at the Fair. He is a well known authority on crops and speaks on the subject in a manner that farmers appreciate.

A. A. Wall will speak on the subject of fertilizers and there will be an open question period on any phase of soils and crops.

Officials of the Fair are looking forward to a capacity number of exhibits and a large turnout of interested visitors.

Stan Hall, York North, New Democratic Party Candidate  
 Now Is The Time To:

## TAKE A STAND!

Canada's economy is sagging, unemployment is prevalent, and there is a great need for a National Health program. What are we to do?

The New Democratic Party is the one party that has a positive program. It does not just offer words; it pledges action for Full Employment; Old Age Security; and a National Health Plan.

We do not claim to have all the answers but we do have a program of action that will benefit all Canadians.

 Positive Leadership

## Sunday Nite Hockey

	P	W	L	T	P
Habs	8	8	0	0	16
Willowdale	8	4	3	1	9
Rangers	8	3	3	2	8
R. Hill	8	3	5	0	6
G. Hawks	8	2	5	1	5
Newmarket	8	2	6	0	4

**Willowdale 5 - Newmarket 2**  
 Godin and C. Greenfield led the Willowdale Rangers to an easy 5-2 victory over the Newmarket Royals who was obviously lacking in spark. Lamereaux hit for one while Godin and Greenfield picked up a pair.

**Richmond Hill 4 - Golden Hawks 5**  
 Rick Charles and Dave Voigt counted for Newmarket.

**Habs 4 - Rangers 2**  
 Mike Mackey with his hat tricks got the Doncaster Golden Hawks off the bottom with help from Doug Cooper and newly acquired Cal Ortleib.

**Habs 4 - Rangers 2**  
 With a number of Rangers absent due to the flu, the Habs had little trouble subduing the weakened Ranger team.

**Godin of Rangers beat Habs**  
 goalie Jackson with Ducharme serving a minor penalty to close out the scoring.

**Future games:** Sunday, March 17, 7 p.m., Richmond Hill Aces vs Willowdale. 8 p.m. Rangers vs Doncaster Golden Hawks. 9 p.m. Newmarket vs Habs Royals.

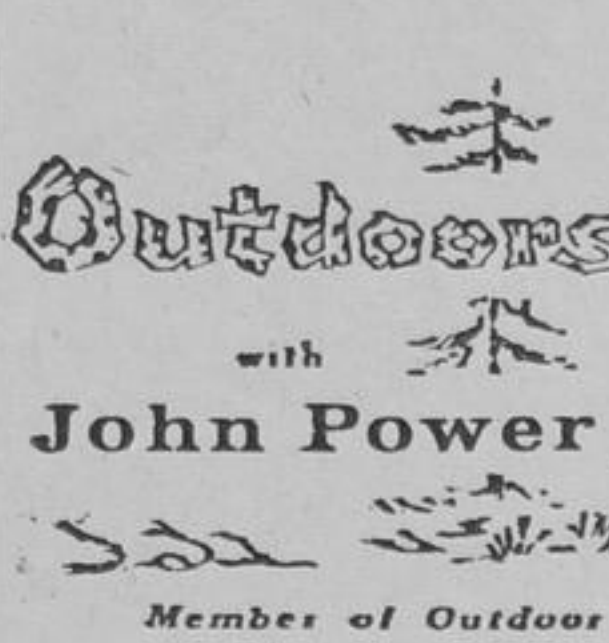

## Accident Causes Slight Damage

Damage estimated to be in the neighbourhood of \$175 resulted from a rear-end collision when cars driven by Arthur Kyle of 16 Langhope Place, Willowdale and Helen Robinson, Thornhill, collided on Bayview Ave., just south of Highway 7.

Neither of the drivers suffered injury in the accident which happened on Saturday last.

**WILLOWDALE:** Re-opening of the Sheppard Avenue West Bridge has been set for March 11. The opening, originally scheduled for mid-December, was delayed when a broken watermain washed away the eastern approaches.

**Hats Off**  
 I received a letter recently from Scotty Anderson who is director of the Willowdale Boys Outdoor Club. He is participating in a project that is un-

**Bass Are Not Bass**  
 As has happened many times in the past, I was recently drawn into a lively discussion with a couple of anglers on what fish belong in what fish families.

This can be a pretty confusing business and the truth of the matter is that largemouth bass and smallmouth bass are actually members of the sunfish family which is much like saying black is white and being correct.

Other members of this clan include the various sunfish, black and white crappies, bluegills, pumpkinseeds and rock bass.

**Walleyes Are Perch**  
 The blue walleye and the yellow both belong in the perch family.

**A Pickerel Is A Pike**  
 This is the chain pickerel, which resembles the northern pike in appearance, although it is differently marked. It's a smaller fish than the northern and is found in Eastern Canada and United States with no record of it being caught in our Ontario waters.

**Reference Books**  
 There are a number of fine reference books that would be of interest to the angler. "The Angler's Book of Canadian Fishes" by F. H. Wooding is packed with valuable information and W. B. Scott's "Freshwater Fishes of Eastern Canada" is a fine, well-illustrated guidebook.

**Boats, Beagles, Bridal Gowns**  
 Attending the Sportsmen's Show held in the C.N.E. Coliseum from March 15th to 23rd is considered a must by thousands of sportsmen across the province.

**This year the show will feature** the largest exhibition of dogs ever held under one roof in Canada. There will be retriever field trials, obedience trials, children's handling classes, etc.

**A large display of boats and marine equipment,** cottages, tents, trailers and tackle may be seen, as well as the international motor show.

**I hope that this year we will see a few more vehicles that are of interest to sportsmen.** A very extensive search last year revealed nary a Jeep, Land-rover, Travelall or any of the camping vehicles that GMC were advertising so loudly. We asked the salesman, "Don't you expect to find sportsmen at a Sportsmen's Show?" "No, I guess not", was his reply.

**John Power**  
 Member of Outdoor Writers of Canada

**ique and most worthy of every one's whole-hearted support.** The St. Albans Old Boys have undertaken to raise enough money to send a number of underprivileged boys to camp. They also have hopes of starting a fund for the purpose of purchasing some lake-shore property for a St. Albans Boys Camp.

**A group of the "Old Boys"** have been devoting every spare moment trying "Harness Flies", which when rigged up with worm or minnow, are a good bet for walleyes and other game fish.

**They will have a wishing well set up at the Sportsmen's Show** and will be on hand to give one of these flies to any angler who would like one.

**You may help this worthwhile cause by tossing your donation in the wishing well** and to quote Scotty, "Wish that another boy will get to camp".

**Some of these fellows are unselfishly giving up part of their summer vacations in order to be able to work at the Sportsmen's Show.** Wish this group of big-hearted sportsmen every success in their project and make a point of looking up their wishing well and doing your part to help.

**Boats, Beagles, Bridal Gowns**  
 Attending the Sportsmen's Show held in the C.N.E. Coliseum from March 15th to 23rd is considered a must by thousands of sportsmen across the province.

**This year the show will feature** the largest exhibition of dogs ever held under one roof in Canada. There will be retriever field trials, obedience trials, children's handling classes, etc.

We asked the salesman, "Don't you expect to find sportsmen at a Sportsmen's Show?" "No, I guess not", was his reply.

This is a very sure way to leave town on a rail amply covered with tar and feathers should managing director Loyd Kelly ever catch up with him.

**We were also rather shocked to see a display of bridal gowns** and were quite mystified until the proprietor of the booth said, "Where will you find a more hazardous sport than marriage?" Amen.

**A big new feature this year is the camp chef's contest.** At last a golden opportunity to let the world see and appreciate my culinary genius. My camp breakfast has long been famous in out-doors circles and here is a chance for all to hear about it.

**CAMP BREAKFAST**  
 2 eggs seasoning  
 Break up eggs in cup. Add dash of vinegar. Salt and pepper to taste. Swallow and chase with shot of rum. GRAB TACKLE AND GET FISHING.
