

**TOWNSHIP OF MARKHAM**

**TENDERS FOR TRUCK**

Sealed tenders plainly marked as to contents will be received by the undersigned until 12 o'clock noon on Tuesday, April 16, 1963 for the supply of:

ONE - 5 ton Dump Truck complete with Body and Hoist.

Tenders must be made on standard form, which, together with specifications may be obtained at the Township Engineering and Works Dept. Office.

Lowest or any tender not necessarily accepted.

H. C. T. CRISP, Clerk-Treasurer, R.R. No. 2, Gormley, Ont.  
D. MIKLAS, P.ENG. Township Engineer, R.R. No. 2, Gormley, Ont.

If you're still confused by party claims and promises, yet are still planning to vote N.D.P. . . .

**Ask Yourself These 3 Questions**

1. Do I really believe in Socialism, in a party that advocates and means state control?
2. Do I believe Canada can and should withdraw from the Atlantic Defense Alliance — Canada's sole bulwark against Communist aggression?
3. Do I believe another minority government is good for Canada?

If you can answer "Yes" to all of these questions then it is your right and privilege to vote Socialist.

If your answer to any one of these questions is "No", you should vote for the one party which represents all parts of Canada - the Liberal Party - the only party which can gain a majority vote over the others, sufficient to govern. Vote ADDISON, John X

**Jefferson Community Club**

Members of the Jefferson Community Club and parents of the public school children were treated to an exceptionally fine evening last March 27th. The executive of the club and the teachers presented us with a combined meeting and parents night.

The object of the evening was to acquaint the community with the different audio vision aids in use in the school and to show an actual class being taught by these methods.

Mrs. Hazelhurst opened the meeting then asked Mrs. Tuckerman to present the treasurer's report. Mrs. Hazelhurst then gave a resume of what the club had accomplished during the current year. The new executive for the year was elected as follows: President Mrs. Whalen, vice-president Mrs. Hazelhurst, treasurer Mrs. McDowell, secretary Mrs. Black, social conveners Mrs. Greig, Mrs. Jones, Mrs. Fulman, Mrs. Morris and Mrs. Wenzel, Hobby Crafts Mrs. Ruston and Mrs. Williams.

Miss Leary then took over the meeting. Several students from the senior room comprised the class to be taught. Mrs. Duncan very able demonstrated how grade 1 was taught to read and sound out words. Mrs. Hopkins taught the class safety through the use of a film. Mr. Wyant and his class demonstrated how music is taught and we were treated to a fine selection from the Messiah played and sung by a high school band. Miss Leary, through the use of film, taught a lesson about the states of America.

Parents then visited the classes to discuss their children with the teachers. Tea was served during this period.

The one important factor in all of this is: The community club purchased all of these aids for the school, plus many more including a television set, and we parents of the community should be very grateful to this club and give it all our support. Don't forget mothers - get out to the next meeting.

**Neighborhood Notes**  
Belated birthday greetings to

**THE Challenge OF Cancer**

**How Does Cancer Spread?**  
Cancer cells break off from the original tumor and travel through the lymph canal, arteries and veins to other parts of the body where they cause new tumors to form. Early treatment may prevent this.

Mary Jane Terry who celebrated her birthday on April 1st. Very special birthday greetings to Miss Leary's father who celebrated his 90th birthday on April 1st. Many happy returns to Terry Harper on April 8th. Alex Henderson April 9th and to Nancy Browne whose birthday falls on April 10th.

Please keep in mind that the Cancer Campaign starts this week. Congratulations to Mr. and Mrs. Arthur Gibson, Summit Farms, on the birth of their new grand-daughter. This is the second daughter born to Mr. and Mrs. Bill Gibson.

Mr. Michael Black, Yonge St., has just returned from a cross Canada trip to Vancouver. Before leaving the community Mrs. Black would like to find a good home for her three kittens and their mother.

**Cubs, Scouts and Rovers**  
The annual father and son banquet was held at St. John's Parish Hall on March 28th. This turned out to be a most successful evening. Guest speakers during the evening were Mr. Ron Sculthorpe, district commissioner for York Summit District and Mr. Archie McNaughton, King, president of York Summit District.

Mick and Mary Ensor were honored by the district when Mr. Sculthorpe presented them with the long service badge. We of the community also thank them for their long and faithful service.

A toast to the fathers was given by Brian Hunter and Mr. Andrews responded on behalf of the fathers.

Badges earned by the boys were presented to them during the evening. The boys provided their own entertainment during the evening. The cubs played a tribute to their founder Lord Baden-Powell and the rovers presented a skit and camp fire.

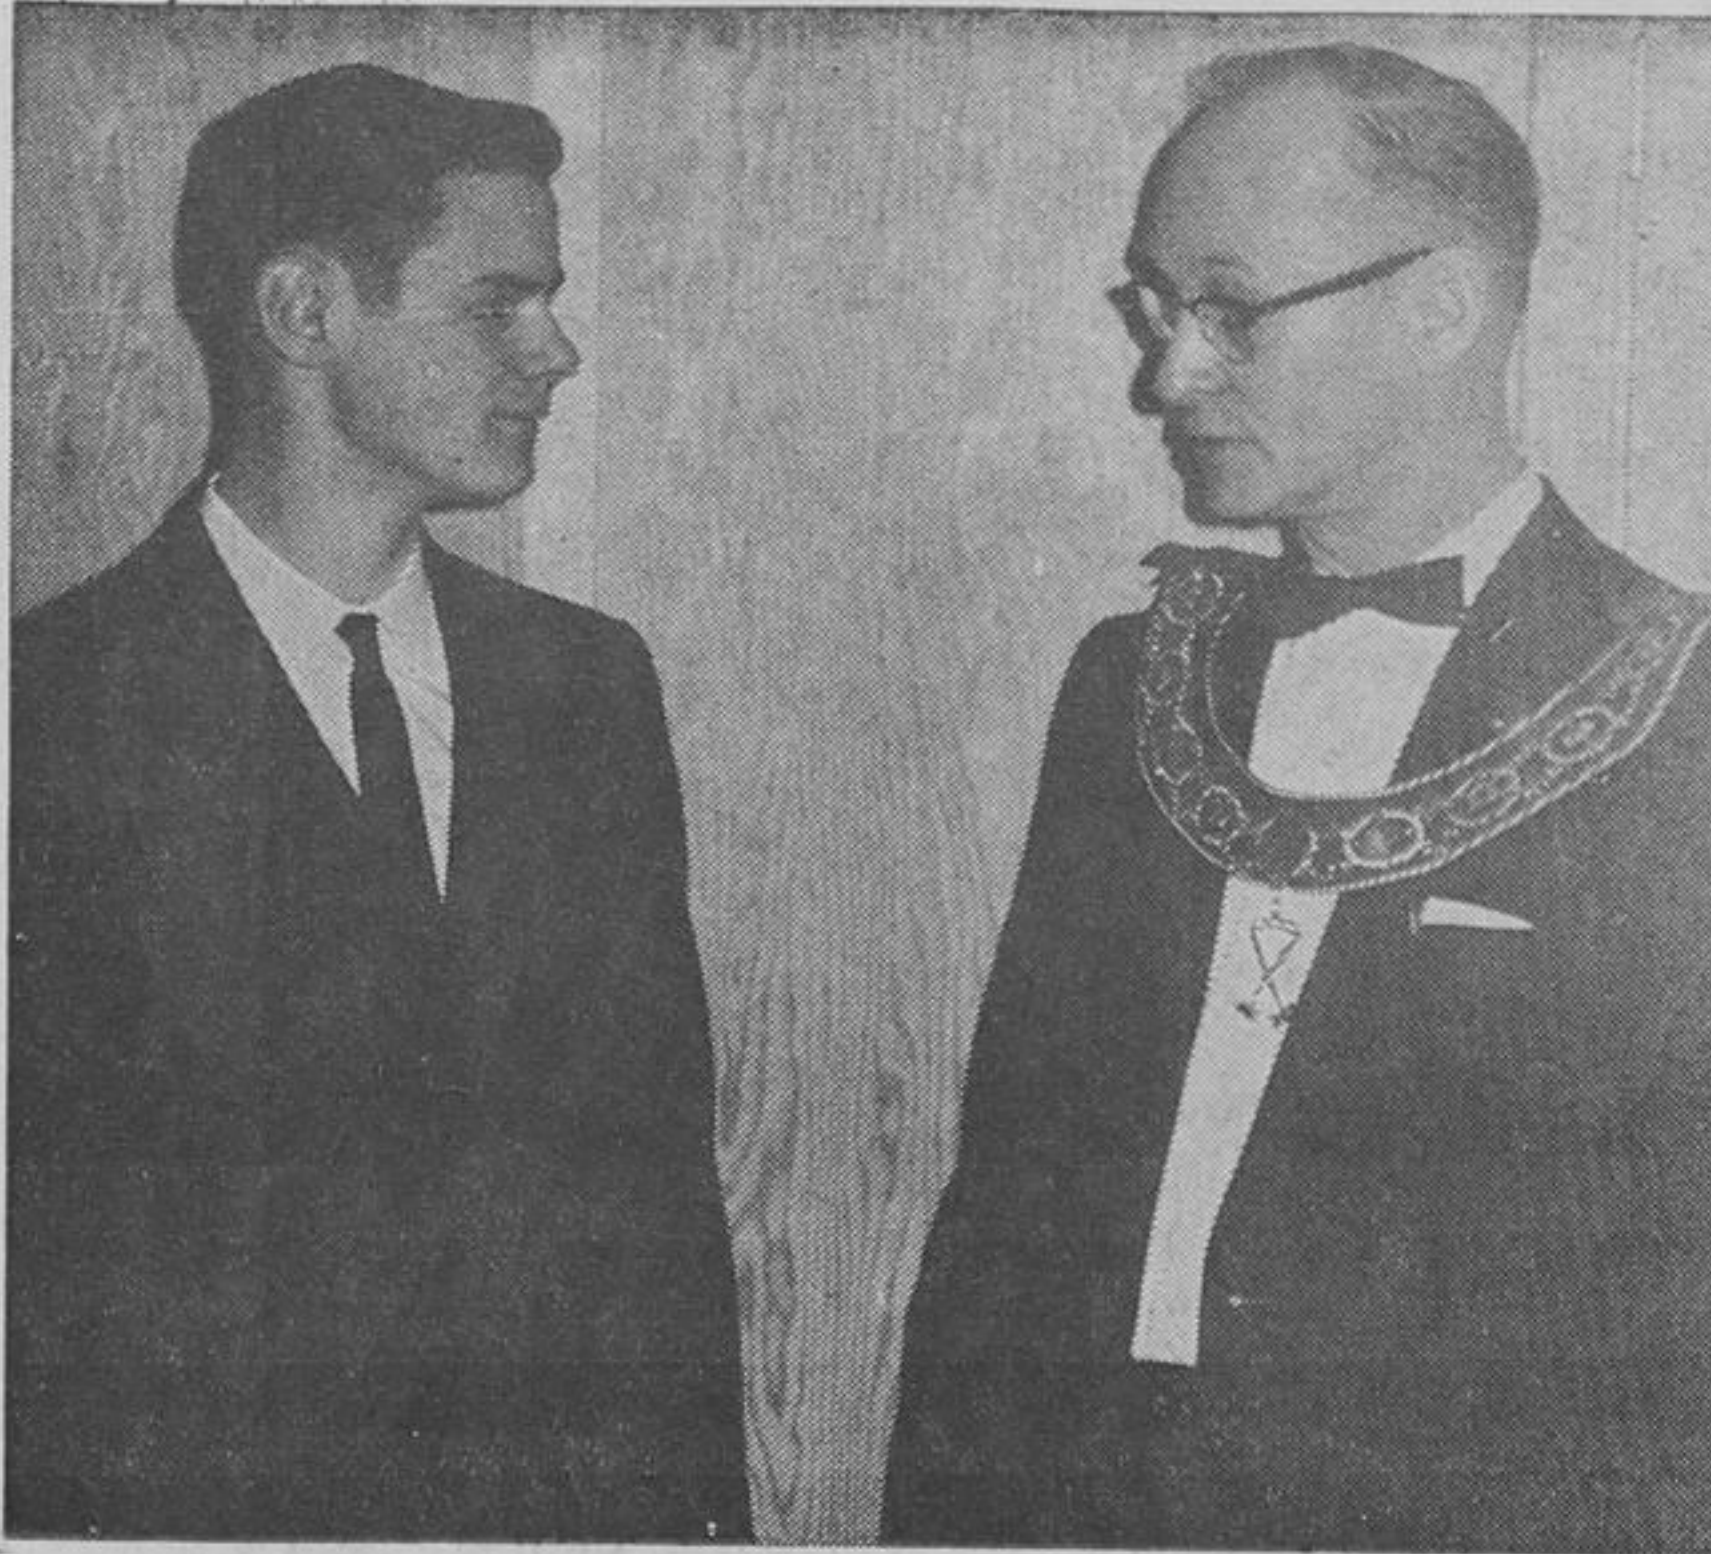

The ladies were warmly thanked for their excellent dinner. Mrs. Mary Terry was the winner of the lovely plant which all the ladies assisting during the day had the chance to win.

The boys would like to say a special thanks to the mothers auxiliary who made their banquet possible.

**St. John's Anglican Church**  
The Evening Branch of St. John's WA will meet (to-night) April 4th, in the parish hall at 8.30.

Mr. and Mrs. Al Morrison, former well known residents of Jefferson, visited Mr. and Mrs. Stan Leno on Saturday.

Kindergarten children from Jefferson, who attend Ross Doan Public School, contributed too and attended, with their mothers, the fun fair held at the school last Saturday. This turned out to be one of the most successful bazaars I have visited and the children enjoyed it immensely.

**Richmond Hill Student To Visit U.N.**

Craig Peterkin, left, 17-year-old Richmond Hill High School student will spend a week at the United Nations, New York, this coming July as an observer of the world organization. Craig's visit will be sponsored by the Independent Order of Oddfellows Pilgrimage For Youth program who every year selects a student for the trip. Selection of students is based on scholastic standing - Craig's average is 88 per cent. At school Craig majors in Latin, German and mathematics. On Craig's left is Jim Juhl, District Deputy Grand Master of the Independent Order of Oddfellows. (Staff Photo)

**School - Library Book Programme Doubles In Four Years Operation**

The circulation of public library books in Richmond Hill schools was begun in the fall of 1959.

Because of the difficulties of distance and transportation, most of the children in the town were not using library facilities and it was agreed by both library and schools that supplying books was not enough. Someone must supply the stimulus to read. With this end in view, the school board allowed the boys' and girls' librarian to spend 15 minutes each month with each class. During this time, the librarian talks about books and reading, or tells a story to the primary classes.

During 1959, three boxes of twenty books were distributed to all classes from grade three to eight. These boxes have been changed monthly at the time of the librarian's visit.

During 1960, the number of books in each box was increased to thirty, and all grade two

classes were added to the programme.

The books supplied are fiction and are for recreational reading purposes. The schools agreed to concentrate in building collections of curriculum-centered materials for reference use.

Now in its fourth year this programme has nearly doubled in all its aspects.

An integrated library programme between the public library and the schools, it is felt, can benefit both participants. The teaching staff and the pupils are more aware of the library and its facilities, while both are encouraged to use its resources. The librarian's contact with the school has given her a greater insight into the school programme — a great aid in book selection and evaluation. Comments from both parents and teachers have indicated that the increased supplementary reading has enriched the school's reading programme.

All costs are borne by the library board, as no other arrangement is legally feasible. The public school board has supported the library board each year in its budget presentation to town council.

The budget for children's books in 1962 was \$4,639.15 for 1,967 books. The amount spent on books for schools was \$3,226.10 or two-thirds of the total, bringing the average cost of books to \$2.36.

The average cost of the programme per class was \$62.65 per year.

This programme is handled completely by a professionally trained children's librarian. At present, 63 percent of her time is spent in preparing boxes and in the public schools. For this, the library board has allotted 73% of her salary (separate schools included). Other time factors not included in these figures are book selection, requests for special materials, reading, etc.

**MEN AND WOMEN Sales Agency**

Many Ontario people are seeking a business of their own. This is one that can be operated locally and from your home if you wish.

There is no capital outlay. After you are trained you just begin by selling our monthly savings and investment plans to people who would like to have more money and a better financial future.

This must be conducted on a full-time basis and can prove very profitable. You must be 30 or over, anxious for success, bondable and available for a personal interview. Man and wife teams have proven very successful in our industry.

Call or write for confidential interview to Mr. Lloyd Emerson, 363-6992, care of A.G.F. Management Ltd., 7 King St. E., Toronto.

**TENDERS**

will be received until 12 o'clock noon THURSDAY, APRIL 11, 1963 for the renovation of the front of Richmond Hill Arena. General contractors, wrecking, electrical, plumbing and heating contractors. Plans available and tenders received at The Hydro Offices, 56 Yonge St. N., Richmond Hill, attention Mr. B. Ellis.

B. ELLIS, Secretary  
Richmond Hill Arena Assoc.
