### Gives Advice On Investments

Mr. Russell Morrison of a Toronto investment firm spoke to forty members of the University Women's Club of York County at their regular meeting on March 25. Speaking about the temptations facing the investor in securities and real estate, Mr. Morrison cautioned against giving in to greed, listening to unfounded tips, and taking an unrealistic view of the risk involved in the investment. The risk should be thought of in terms of the percentage of one's resources which are at stake at the time. On the other hand, the investor must learn to evaluate information about a company through any sources available to him, such as newspapers and company reports. He must know himself and the kind of risk his nerves will bear. Mr. Morrison spoke at length about the attitudes which a successful investor must cultivate. In answer to a question from the floor, Mr. Morrison suggested that in his opinion, our economy is moving along fairly well, but that we might expect "a slap in the face" economically in the next five years. Many signs are present in the business world to-day which remind him of the late twenties. Mrs. J. P. Ochalski of Aurora introduced the speaker, and Mrs. F. A. Walden of Aurora thanked the speaker. Mrs. Walden was the chairman of the meeting in the absence of Miss Edna Izzard of Richmond Hill who is touring Europe and The Middle East.

### Lighting Expert Studies Science Exhibit

Considerable interest was shown in the above exhibit at the York County Science Fair held in Newmarket last Saturday. The display was a project undertaken by Peter MacElwain, 14-year-old son of Mr. and Mrs. David MacElwain. A Grade VIII pupil at Crosby Heights School, Peter completed the project entirely alone, gaining his information from books on electronics. He hopes to enter some field of science. Here he is shown with Deputy-reeve Stanley F. Tinker of Richmond Hill.

### Liberals Take Over 3 Ridings —

(Continued From Page 1) Hill, Markham and Vaughan. In Richmond Hill 81.3% of the eligible voters cast ballots. In Vaughan 79.7% voted, while in Markham the figure was 77.1%. In York Centre which includes that part of Vaughan Township lying south of No. 7 Highway Liberal James Walker scored 40,816 votes. N.D.P. candidate Val Scott repeated his performance of last June and came second with 28,488 votes. Tory William Durovic was third with 12,735. A former member of North York Township Council Mr. Walker first won last June. In private life he is an insurance agent.

### Get Our Precision Lube Job!

Our care, precision and thoroughness make a big DIFFERENCE in the lube job we do on your car—a difference you'll appreciate in smoother, quieter riding. Cost is modest!

### Be Safe, Not Sorry

As fine spring weather prompts Vaughan Township residents to clear up the debris of winter from their property, they are reminded by Fire Chief Davidson that a permit must be secured before any fires are lighted outdoors. These permits may be obtained only by making a personal appearance at the offices of the Vaughan Township Police, and require that adequate adult supervision be provided to prevent the fire from spreading. These permits are issued under by-law 2099 and those who fail to comply with the requirements of the by-law may be prosecuted. Careless people who toss cigarette butts from car windows also come under this by-law and may find themselves facing a court case.

### Faces Impaired Driving Charges

A 23-year-old Toronto man has been charged for impaired driving. Charles E. Young, of 2649 Lakeshore Road West, was observed by P.C. Kelly early Sunday morning driving in an erratic manner on the Markham Road. Upon the officer's investigation the above charge was laid.

BRADFORD: The birthday of Taras Shevchenko, Ukrainian national poet, was celebrated at Bradford with a giant concert at the community centre Sunday.

The Ontario Safety League says: pedestrians who land in the hospital from car accidents might be called the bumper crop.

### Markham Twp. Briefs

Building permits amounting to \$639,000 were issued by Markham Township in March 1963. Included were permits for 20 homes, ranging in value from \$9,000 to \$25,000, for a total of \$380,500. One accessory building accounted for \$1,000. Industrial and commercial building permits amounted to \$71,500, including a hangar and administrative building for Toronto Airways Ltd. valued at \$44,500, and a factory valued at \$27,000. St. Joseph's Separate School permit was issued in the amount of \$186,000.00.

A procedure for handling real estate transactions was adopted by Markham Township Council Monday night. Department heads will report real estate transactions to the committee, who will make recommendations to council. If council approves they will instruct the clerk to begin negotiations. The engineer will then obtain necessary surveys and reports and submit them to the clerk. The clerk will handle all negotiations to completion.

It was decided to proceed with completion of the 200 foot to the inch mapping of the township. Total cost is \$12,000 and council accepted the company's offer to do the work now and receive payment at the rate of \$4,000 each year for the next three years if such arrangements can legally be made.

Advertisements will be placed for a stenographer for the clerk's office, for tenders for brush killer and for applications for the position of weed inspector.

### Sch. Choir Sing At O'Keefes

(Continued From Page 1) Monday music critic John Kraglund who usually has sharp criticism of the Saturday concerts referred to our choir as the sweet-voiced senior choir of Walter Scott Public School. Parents who were able to make the trip to the O'Keefe Centre were well rewarded for their trouble and came away feeling very proud. Members of the triple trio are 1st soprano: Susan Getz, Gail Tompson, Elke Neugebauer, Stephanie Agg and Debbie Dunklee. 2nd soprano: Brenda Haddock, Susan Tapp, Janice James, Rhodelle Byron, Carol Hack, Ingrid Zipp. Alto: Christina Munsey, Jane Blackwell, Beverley Gomme, Cathy Hammond, Linda Tomlinson.
