Rambling Around

(Continued from page 2)

was levelled with the hand, the letters written with the finger, to be erased with a quick stroke of the palm and thus ready to be used over and over again.

The major religion of India is Hinduism, followed by Islam and Christianity. Of the total population of 439 million people, two per cent are Christian, for the most part normally accepted in this country whose constitution provides for religious freedom. Perhaps the greatest hardships comes to those who seek after truth and find that Christ is the answer. Young people making the decision may be driven from home, or the necessities of water and fire, so basic to community life, withheld from the family. In spite of these hardships many of those who have graduated from mission schools today hold high ranking offices and serve their country in an exemplary way. The government doctor who was posted to our village expressed his desire to the medical authorities that they transfer a Christian nurse to the community. The request was granted!

We were made to be more conscious of the many similarities between the peoples of the world. The color of the skin may vary; culture differ; economic standards be inferior, but the love and hate, joy and pain, the crying need for jobs, something to eat, a place to sleep, and the hope of a better day found everywhere. One of our Hindu friends, in speaking about the desperate needs of our countrymen said, "You in America are having your ice cream now, we hope to get ours in the next life." Over simplification! Perhaps not, when one compares the crying need and hunger of India with the size of the over-flowing garbage pails in our country... "whose cup runneth over." If there is any lesson worth learning, it is that of the brotherhood of man, which includes those struggling in the distant parts of the world. And Christ said: "What ye have done to one of the least of these, your brethren, ye have done it unto me!"

Vaughan School Area

Vaughan Township School Board Thursday night of last week accepted the management committee's recommendation that permission be granted Principal Ralph Brown of Charles Howitt School to arrange a conducted tour of Ottawa on June 13, 14 and 15, for the purpose of acquainting the grade 8 pupils with Canada's capital and governmental establishments.

The board will provide two trophies for schools attaining the highest percentage of average daily attendance. One will be for competition among the one to four room schools and the other for five or more room schools. It is the hope that these awards, to be known as the "Joseph A. Gibson Attendance Trophies", will tend to reduce pupil absenteeism.

Approval was also granted for the development of an augmented well at Edgeley School. Trustee Warren Baillie explained that it might be possible to secure water by using an auger on a limited scale in the present well, but that permission for a new well was sought so that no delay in securing water would be experienced.

The property committee's recommendation that the superintendent be authorized to present a building proposal to the Department of Education for the immediate construction of ten classrooms, a kindergarten and playground to serve the Maple area, received the board's approval.

A further increase of four in total enrollment in the township, from 3,105 at the end of February to 3,109 at the end of March was noted by the superintendent.
