Mrs. William Gilchrist, a member of the rummage sale committee at Richmond Hill United Church, Saturday, showed one of the many ties on sale to Frank Culham of Pugsley Avenue. Onlookers were John Davis (left) of Markham Road, and Tom Sheret (right) of Cedar Avenue.

## 25th Anniversary

Richmond Hill Lions Club, Ontario's longest established service club will mark the twenty-fifth anniversary of its founding with a special program at its regular meeting at Lions Hall, tonight, Thursday, May 2nd.

The Lions Club has a quarter century record of outstanding service to the community and through the years it has lent support to many local projects and aided in many community undertakings. Tonight the history of the past twenty-five years will be recalled and the progress and achievements of the club reviewed. The president Dr. W. S. Mason, a charter member, will preside and the guest speaker will be Mr. F. Birch, of Milwaukee.

The Richmond Hill Lions Club was organized in 1938, and was sponsored by the Newmarket Club. The charter meeting was held April 5th and "The Liberal" which through the years has recorded the activities of the Lions and lent support to its projects reported in our issue of April 7th, 1938 as follows:

"Honored by the presence of about 150 guests, members of Richmond Hill Lions Club held charter night Tuesday evening, April 5th. It was a most successful

event and the enthusiasm of the official launching of the local service club augurs well for its success in the coming years.

The charter night program included a banquet held at the United Church and dinner was followed by a delightful program of toasts and entertainment, and a dance and more entertainment at the high school gymnasium. Visitors were present from Toronto, Newmarket, Alliston, Bradford, Stouffville, Barrie and Niagara Falls. The feature of the evening was the presentation of the charter to the local club by L. W. Peterson, district governor for Ontario and Quebec. The charter was accepted on behalf of the local club by James Stewart who presided over the evening's program.

A civic welcome was extended to visiting Lions by Richmond Hill Reeve J. A. Greene and the toast "Visiting Lions and Guests" was proposed by Rev. W. F. Wrixon. Response was by representatives of visiting clubs.

District Governor Peterson was introduced by Past District Governor Harry Lambert of Newmarket and in an inspiring address explained the principles and aims of Lionism. The toast to "The Ladies"

was proposed by Paul E. Angle and responded to by Dr. Helen Hogg. Two vocal solos by Mrs. Duncan M. Chamney added to the enjoyment of the evening.

At the high school the evening was brought to a close with a pleasant program of dancing and entertainment. Several numbers by the dance team of Calhoun and Davis of Aurora were much enjoyed. Visiting Lions unanimously voted the local charter night as one of the most successful events of its kind in the history of Lionism in this part of Ontario.

Officers of the club for the charter year were: President, James Stewart, Vice-President, J. E. Smith, 2nd Vice-President, Robert D. Little, Secretary, J. A. Bales, Treasurer, Ralph W. Paris, Lion Tamer, Dr. W. S. Mason, Tail Twister, Bill Cotton, Directors, Lloyd A. Hill and Dr. James Langstaff.

Present officers are: Past President Donald L. Little, President Dr. W. J. Mason, Vice-President Craig Bowden, 2nd Vice-President Bill Mirless, 3rd Vice-President Dr. W. C. Cowan, Secretary, R. T. Miller, Treasurer, Peter Dyson, Tail Twister Bill Pocklington, Lion Tamer, Don Ross, Directors Reg Williams and Lloyd Schenoffer.

#### Neighbourhood Notes

A very successful community club meeting was held on April 24th when members were treated to a most interesting talk on Richildaca, a day camp for children, at Kettleby, run by Mr. and Mrs. William Babcock. Mr. Babcock was the speaker for the evening.

The ladies of Jefferson Mothers' Auxiliary were the hostesses when York Summit held their badge secretaries' annual meeting at St. John's Anglican Church, on April 24th.

Congratulations to Mr. and Mrs. Carson Whelan on the birth of their son, Sunday, and to Mr. and Mrs. T. Robinson on the birth of their daughter on Wednesday.

Several ladies of the community attended the YWCA World Membership night held in the Richmond Hill United Church on April 24th.

Mr. Bill Taylor and Mr. Bud Hollings, Iriquois Falls, visited Mr. and Mrs. Fred Waters last week.

A meeting of St. John's Evening W.A. will be held in the parish hall May 2nd. It is very important that all members attend this meeting.

The annual meeting of York Denary will be held at St. John's Anglican Church on May 9th. There will be Holy Communion at 10 a.m.

Vera Dockman, Jane Williams and Marg. Waters attended the Inner Wheel bridge held at the Summit Restaurant, April 24th. Very special birthday greetings to Darlene Richards and Traude Wenzl on May 3rd and to Robert Hallgren on May 8th.

Mr. Wesley Seaton, Porquos Junction, fiance of Julie Ensor, is visiting here for five months.

April 24th was a very special day for Gary Boyle. It was his birthday and his grandparents Mr. and Mrs. Isaac Meyers and Mr. and Mrs. Arthur Dolan and Ruth Meyers were at his home for supper to help him celebrate.

The mothers' auxiliary spring tea will be held at the school on May 4th. Everyone welcome, come and bring a friend.

#### Cubs Visit Malton

Twenty-four Cubs and their parents visited Malton Airport last Saturday. They were shown through the jet planes and also shown how the pilots fly them. They visited the observation tower to see the planes landing and taking off, the administration buildings, and saw how the radar works. Leaving the airport they drove to Woodbridge Park where they held a picnic supper. After supper they visited the Secenna-Humber District Hobby Show in Woodbridge where many fine hobbies were on display. The Cubs would like to thank Messrs. Pallister, Taylor and Fulman for their help, Mr. Fred Waters for arranging with the airport for their visit and Mr. F. Allen, their guide at the airport for a most interesting day.

### LAWN & GARDEN

By JOHN BRADSHAW

Anyone starting a rose bed, and vermillion. Blooms are 4 for the first time would be well advised to stick to the hybrid tea class, which is by far the most popular of all roses. You will usually find the varieties belonging to this class are listed by the abbreviated form of H.T. These are the bush roses which give us blooms which have exquisite coloring and exciting form.

Many of them are very fragrant and bloom is continuous from the middle of June until late in the Fall. A well-grown hybrid tea rose will grow two to three-and-a-half feet tall and three or four feet in diameter. The importance of buying top quality rose bushes cannot be over-emphasized. So-called "bargain roses" seldom live up to their name, if they live at all. My suggestion would be to choose two each of the following:

**Peace** - the most popular and top rated rose in the world today. Peace is a pale gold in color, edged and flushed with rose. Flowers are unusually large and fragrant and are borne on strong stems which rise from healthy abundant foliage. Peace richly deserves its world-wide reputation as the queen of modern roses. I don't know of a more satisfactory variety to plant in any garden.

**Chrysler Imperial** - here we have one of the finest deep red roses. The long tapering, velvety buds unfold to large high-centered five inch flowers containing 40 petals. Flowers are a brilliant red with darker overtones. The flowers are sweetly scented, the stems sturdy, bush symmetrical and the foliage semi-glossy and disease resistant.

**Helen Traubel** - is a variety that will flower well in all types of weather. The buds and blooms are colored with clear tints of apricot and salmon pink. Bushes are tall and vigorous, producing lots of flowers throughout all the season. Blooms are very large.

**Tiffany** - is the variety that will give you plenty of fragrant, salmon-pink in color and have outstanding quality. The long pointed buds are deep pink with a golden yellow shading at the base of the petals. It's not uncommon to see stems measuring from 20 to 24 inches in length. Plants have vigorous growth, beautiful dark green foliage and have an upright habit of growth. In southern Ontario it's one of the first roses to bloom in the spring and one of the last to stop flowering in the fall.

**Sutter's Gold** - is the top rated rose in England and a big bed of this fine hybrid tea is presently planted in the gardens of Buckingham Palace. Sutter's Gold is especially fine for cutting with the blooms coming singly on strong stems. The Color is a warm golden-orange touched with flushes of copper

will do. Thoroughly tramp or firm this around the roots to eliminate air spaces. I've found you can do this best by standing with your feet right in the hole. Of course, don't carry things to the extreme and try to firm the soil as hard as brick.

5. Keep adding the soil mixture and firming it until the hole is three-quarters full. Then fill up the hole with water and let this drain completely away before adding the remainder of the soil.

6. Place a mulch of humus three inches deep around the base of the tree and extending out a couple of feet from the trunk on all sides.

7. Whatever you do, don't let the roots dry out during the first season. I'd recommend that you water every day for the first two or three months.

8. A piece of old rubber tire tube is excellent for tying the tree to the stake. In making this tie, be sure that you don't have it so tight that it will girdle or strangle the tree as it grows.

#### COMMITTEE OF ADJUSTMENT NOTICE OF HEARING

CA/63/10

Notice is hereby given of a hearing to be held by the Township of Markham Committee of Adjustment at the Municipal Offices, Buttonville, R. R. No. 2, Gormley, Ontario, on the ninth day of May, 1963, at 7:30 p.m.

The application to be heard has been submitted by Wycliffe Homes Limited, owners of Lot 119, Plan M-941. Release has been requested from the provisions of Paragraph 15 (i) (d) By-law 1767 as amended, in order to legalize a dwelling erected closer to the lot line than the By-law permits. The By-law requires the sum of the width of the side yards to be not less than 20 per cent of the lot frontage. The sum of the width of the side yards of Lot 119 is now approximately fifteen per cent of the lot frontage.

Signed, written submissions on this application will be received by me at this office prior to the hearing.

M. A. N. Shenfield, Secretary, Township of Markham, Committee of Adjustment.
