

# More Industry For Markham

Markham Township Council was informed at its last meeting that seven new industries plan on building plants within the township.

Site of the largest industrial complex in the township will be new Esna Park Drive industrial development at the corner of Esna Park Drive and Don Mills Road. Esna Park Road is a new road that runs east from Don Mills Road just south of the new C.N.R. bypass.

Already constructed and in operation on this site is 30,000 square foot plant of Associated Tube Industries

Limited. This company is now employing 70 people and 50 new employees will be added in the near future.

Other firms who will build plants in the area are: Esna (Canada) Limited, 28,000 square feet; Breen Oil Products, 15,000 square feet, Acme Slate Company, size not known; Photo Engraving Products, 15,000 square feet; and Textile Hardware, 15,000 square feet.

Minimum size of plants allowed in the Esna Park Drive development is 15,000 square feet. Ron Forrest, planning director for

Markham Township told 'The Liberal' that construction on at least four of the new plants will commence within the next month or two.

In addition to the foregoing Boosey and Hawks (Canada) Limited are planning construction of a 50,000 square foot plant in the vicinity of Bayview and No 7 Highway. In the Thornhill area E. J. Sharpe Instruments Limited will construct a new 13,000 square foot plant and on Highway 48 just north of Markham Village, White Rodgers Limited will add an additional 15,000 square feet onto their existing plant.

### Honesty In The Church

At the morning service April 28, Dr. Binnington spoke on honesty in the Church. He commented that the Church has always presented a standard of honesty and asked that individuals consider the importance of their examples.

He used the stark story of Ananias and Sapphira, his wife, who withheld part of their money in the first Christian adventure in communal living. The punishment reported as death can be likened to the spiritual death that comes to each individual with each personal dishonesty.

Cheating is listed among the seven deadly sins in the Bible and is as old as the human race. Dr. Binnington offered as a subject for thought a quotation from a recent article by H. Toynebee stating that the sins of this decade are cruelty and dishonesty.

### Edward Attridge Passes

The sympathy of the community is extended to Mr. and Mrs. John Simpson and family on the death of Mrs. Simpson's father Edward Attridge. Mr. Attridge came to Canada from England about fifty years ago and farmed near Lindsay. For the past three years he has made his home with his daughter in Headford.

Mr. Attridge was in his 83rd year. He was a keen bowler and belonged to the Langstaff-Richvale club. It was a great disappointment to him that in January he found it difficult to continue playing.

The funeral took place in Lindsay. The surviving members of his family are, Jessie, Mrs. Simpson, Headford; Winnie, Mrs. C. Morris, Lindsay; Jack in British Columbia and Charles of Richmond Hill.

Mrs. Simpson and her brother Charles visited this week-end with an uncle in Haliburton who is in his 80th year.

Headford lost a family recently when Mr. and Mrs. James Moorely and son David moved to Richmond Hill. The house they vacated is now occupied by Ron Leuchner and family.

CGIT leaders, Mrs. Stewart Rumble and Miss Cora Brodie with Jean Clark, Rosemary Leek and Sharon Rumble attended the CGIT rally held in Newmarket April 27.

David Rumble has completed his first year at Federated Colleges of Guelph (OAC) and will remain on the home farm for the summer.

At a meeting of the committee of stewards of the United Church, D. C. Calder was appointed chairman for 1963 following Ben Terry who has served in that capacity for two years. The first business on the agenda is to arrange for the floor repair in the S.S. room.

## Appoint J. A. Westbury, Sutton Deputy Co-Ordinator YK. EMO

Appointment of J. A. Westbury of Sutton as deputy co-ordinator of York County Emergency Measures Organization was the only measure of major importance finalized at a special meeting of county council held last week to deal with several items labelled as urgent. Mr. Westbury will receive a salary of \$4,500 and the appointment is subject to the usual six month probationary service.

Planning at the county level again took a large part of the time and attention of county council members. A previous meeting had heard Dr. Lorne Cumming, deputy minister of Municipal Affairs set out the Queen's Park view on the wishes of council to establish a county wide planning area. Since the provincial authorities are opposed to inclusion of the six southern municipalities in a county planning area, rather than in Metro as at present, county council found itself in a dilemma.

The planning committee of council had reviewed the problem and was of the opinion that further progress in the matter would most likely result from the use of expert assistance. The committee recommended that the county retain the services of a planning consultant and advisor. Since the committee had not defined the purposes and need of such services, the proposal was coolly received and referred back to the committee for further study.

The problems presented to local councils by year round use of summer cottages was studied by the planning committee. A committee appointed by the county travelled to Queen's Park, to support the resolution presented by Whitchurch Township and endorsed by the annual convention of mayors and reeves. Low assessment summer homes being put to year round use was placing a serious burden on several municipalities which include resort areas. Council approved payment of a fee of \$150 to Project Planning Associates Ltd. for the services of Mr. Ray Percival of that firm, in preparing a brief seeking assistance of provincial authorities in dealing with this problem.

A proposal submitted by the by-laws and legislative committee that the constitution of the board of management of York Manor be revised to provide for rotation of appointments was withdrawn for further consideration when it was noted that the proposal as submitted was unworkable.

Routine business dealt with included authorization of lease of York Manor farm, conveyance of property to the Town of Aurora, and designation of the Ontario Municipal Board as arbitrator for the County of York.
