

Markham Twp. Briefs

COURT OF REVISION
Markham Township has authorized the treasurer to pay each member of the Court of Revision \$10 for each half-day he is employed, and 10c per mile for allowance. By-law 2012, to amend by-law 1692, governing such payments, contained these provisions as of last January 1st and was carried on the motion of Councillors Rumble and Sumner.

NEW FIRE PROTECTION AGREEMENT
A new agreement on fire protection between the township and the Village of Markham, provides that the township shall pay a \$600 yearly retainer fee, as well as \$100 for the first hour of service on a call, plus \$60 for each succeeding hour.

They also agree to pay a \$1,600 contribution toward new fire equipment, and since this has been purchased on a ten year debenture, council members suggested they would pay \$160 per year over a ten year period, instead of a lump sum. The above agreement may be terminated by notice of not less than six months.

PROTEST GRAVEL PIT
A newly re-opened gravel pit on 16th Ave., east of 48 highway, near Markham, is causing distress to homeowners there.

Earlier this year a group of ratepayers from this built-up area appealed to council to prevent the re-opening of a pit on the land owned by Grove Brothers, claiming it would be a hazard and would devalue their property.

The township brought a charge against the owners, but the case was thrown out of court because of a prior judgment brought down on a similar case in Pickering Township.

Recently, she told council, windows in her home had been broken by blasting at the pit, and last week she found a truck driver taking rails from her fence. Council sympathized, but could only promise to send the by-law enforcement officer to interview the pit owners.

VAUGHAN ASKS MARKHAM FOR WATER

Vaughan has requested that Markham supply water to 150 consumers on Crestwood Road, in the Steele's Ave. area, because of a high iron content in their own water supply which will necessitate treatment. In the past Vaughan has sold water to Markham for the Richvale area, but at present Markham say they cannot commit themselves to supplying Crestwood Road.

Said Reeve W. R. Dean: "When the North York wells are in working order there will be plenty of water." But he intimated that until that time the water situation in Markham would be tight.

It was agreed on the motion of Councillors Sumner and Rumble that the request be referred to the water and sanitation committee for consideration, and Clerk E. Crisp was asked to write to the Water Resources Commission explaining the situation.

FIRECRACKER BY-LAW

Merchants are reminded that a by-law in Markham forbids the sale of fireworks in the township, except for one week prior to the Victoria Day holiday.

Celebrates 91st Birthday

Joseph Monkman, who was 91 on April 29, had a birthday party Sunday at the Bathurst St. house where he lives with his daughter, Mrs. C. H. Bourne. While waiting for the guests to arrive, he spent a few moments in the bright sun of his front lawn, reading "The Liberal", a paper he has read faithfully almost since it began publishing.

Fuse Sale To Aid Richvale Scouts

Door bells will ring throughout Richvale on Saturday, and on answering, the householder will be asked by a smartly uniformed boy to buy a card of three fuses. The appeal is a familiar one to aid Scouting.

These fuses are the right kind for your fuse box. They are offered in the interest of fire prevention for the home. These are excellent reasons for you to accept them. So are the reasons for the appeal for funds.

Dedication Ceremony At Richmond Hill United

Two memorial windows were unveiled and dedicated in the Richmond Hill United Church last Sunday. The first, representing St. John, is the gift of Mr. John Spanner and his daughter Marguerite in memory of Laura Marguerite Spanner. The second, portraying St. Paul and the gift of Miss Minnie Walker and other members of the Walker family, is a memorial to Mabel Martha Walker. Mrs. J. Pollard, president of the United Church Women, unveiled the first panel and Mr. William Barker, chairman of the committee of stewards, unveiled the second.

The church's recording steward, Mr. Ralph H. Wood, presented both windows on behalf of the donors; the minister, Rev. C. G. Higginson, received and dedicated them.

In his sermon Mr. Higginson pointed out that the window as now completed expresses the timeless truth of the Christian faith. The centrality of Christ is expressed by the middle panel, "The Light of the World", while the side panels indicated that Christ's work issues in discipleship. Christ dedicated Himself for the sake of mankind - and His influence and work produces dedicated men and women.

Mr. Higginson saw also a local significance in the completed window, which will be a reminder of the on-going faithfulness of this congregation from the days when it was established about 160 years ago to the present time. The central panel, the gift of Miss Gertrude Grant, pays tribute to the Grant and Law families, families which played a part in the early development of this congregation. The present church, in fact, is built on land which once belonged to the Laws. The newly dedicated side panels honour two more recent members, Mrs. Spanner and Miss Mabel Walker, who, coming to Richmond Hill on retirement, made significant contributions to this church. Thus, in commemorating both the pioneer families and the more recent workers the window proclaims the glorious truth of the gospel that we are all in Christ Jesus our Lord.

Present At Ceremony

Members of Mrs. Walker's family present were: Dr. Roy R. Walker of Toronto, his daughter Mrs. E. E. Huff and sons John and Murray Huff of Willowdale; and son-in-law Mr. N. V. Martin and son Brian of Richmond Hill.

Good News For Our Residential Customers

Effective from today, you will receive, WITHOUT COST TO YOU, special Oil Heating Equipment Service under our new Home Heating Comfort Plan. These services will be included in the price of the oil you buy from us.

- ANNUAL FURNACE CLEAN-OUT AND TUNE-UP
- MAINTENANCE CHECK-UP
- SPECIAL EMERGENCY SERVICES

Each year, we will give your oil furnace a thorough cleaning and tune-up. This work will be carried out by our Service Technicians.

During the heating season, when necessary, we will make an inspection and maintenance check-up to insure that your equipment is operating efficiently and economically. If, at any time during the heating season, your furnace will not start, we will provide, WITHOUT CHARGE, emergency service to correct the failure.

Our Service Department is on call 24 hours every day throughout the heating season and is staffed by trained and competent Service Technicians.

We would like to assure you that we will provide you with the best possible heating services in this community. They will be available to you so long as you continue to purchase your fuel oil from us on our Automatic Fuel Delivery Plan.

The only cost to you will be for repair parts, when it is necessary to install them, and of course you will be advised beforehand as to their cost.

We will be in touch with you to arrange a suitable time to make your furnace clean-out and tune-up.
