

# Spring Fair Scheduled For Saturday, May 18

An event which every year, for one hundred and fourteen years, has played an important part in the life of Richmond Hill, is scheduled for Saturday, May 18 — the annual spring fair and horse show.

Changing times have meant changes in the format of the fair, but its appeal to young and old has remained unchanged for more than a century.

Everyone enjoys the hand-somely groomed entries in the pony classes and one does not need to be an expert to thrill to the beauty of a perfect performance in the hunting and jumping horse classes. Perfection is often seen in these competitions in which are entered some of Canada's best horses and riders. The local show is recognized by the Canadian Horse Shows Association, and

a full programme gets under way at 10 a.m. Jersey cattle, many of whom have and will carry off prizes at the Canadian National Exhibition, the Royal Winter Fair, and other large agricultural exhibitions, may be admired in the arena.

The York County Dairy Princess will be chosen at the local fair, with the competition scheduled for 4 p.m. Generous prizes will be awarded in this contest which is open to young ladies living on dairy farms in York County. The young lady who is selected as the York County Dairy Princess will compete at the Canadian National Exhibition for the title of Ontario Dairy Princess.

In sponsoring this competition, the Richmond Hill Fair Board is working in conjunction with the Milk and Cream Producers' Organizations in York County and the York County Federation of Agriculture.

A show of cavies (guinea pigs) and rabbits will also be of much interest to those attending the fair. It will be housed in the old curling rink.

The usual carnival spirit will prevail in the concessions which will help the time pass pleasantly during the afternoon — you may have great fun on the large midway.

The skill of horseshoe pitchers from a wide area will be tested in the grounds, and onlookers will really enjoy watching the competitors in this sport.

Mr. Lloyd Beatty is president of the agricultural society this year, and extends a warm invitation to every person in this area to participate in this annual spring event. Mr. Derek Wallbanks, 286 Axminster Drive, Richmond Hill, is the secretary of the society.

## Board Appoints New Principals

Resignations received or expected from the Richmond Hill Public School teaching staff now totals 15 according to the report of the public school superintendent tabled at the last meeting of the school board. Schools affected by the resignations and the number of teachers leaving each school are as follows: Beverley Acres 7, Crosby Heights 3, MacKillop 1, McConaghy 2, Walter Scott 2. On top of the above teaching staff requirements Superintendent McIntyre told the board that three additional teachers will be required, one for the portable classroom at Beverley Acres, one for the extra classroom at Crosby Heights and one for the MacKillop kindergarten bringing the total number of teachers required for next September to a total of 21.

As of April 23 contracts have been received by the board from seven experienced teachers who will join the teaching staff in September. The board is still seeking to employ two full time kindergarten teachers and will require ten teachers for grades one to eight to complete its staff.

As a result of advertisements for teaching staff the board received 51 applications from Toronto Teachers' Colleges; 21 from Lakeshore and 13 from other colleges.

Applicants for the teaching positions will be interviewed on May 3, from 2:30 p.m. to 9 p.m. and on May 4 from 9 a.m. to 12:30 p.m.

Superintendent McIntyre pointed out in his report that if further teachers are required after that date it will be necessary for the board to go to the colleges on May 6. The superintendent stated in his report however, that he hoped this move would not be necessary as the number of students remaining to be hired on that date would be very small.

The board heard recommendations from the personnel committee to the effect that Mr. John Hincks be appointed as vice principal of Walter Scott School effective as of September 1, 1963 and that Mr. Dave Garlick be appointed as assistant to the principal at McConaghy School also effective as of September 1, 1963.

## Highway Crash Bruises Woman

Provincial police of Bond Lake detachment investigated a two-car accident on Highway 7 about one mile east of Bayview Avenue last Sunday when a passenger in one car was thrown from the vehicle.

Mrs. Charlotte Eggett, 52, of 17 Athabaska Avenue, Willowdale, was released from Bronson Memorial Hospital following X-rays after she was thrown from a car driven by Mrs. Lorna Blair, of Poynitz Avenue, Willowdale. Other than being severely bruised no serious injuries resulted from the accident.

The mishap occurred when Mrs. Eggett's companion had almost completed a turn into a driveway when her vehicle was struck by a car operated by Alan A. Rickard, of Sherwood Forest Drive, Markham.
