

# Maple, Concord and Edgeley District News

"The Liberal" is always willing to publish interesting items regarding people and events contributed by its readers in Maple, Concord & Edgeley districts. Our representative in Maple is Mrs. Len Shore, ALPINE 7-1150; in Edgeley and Sherwood, Mrs. Raymond Stuart, AV. 5-1934; and in Concord, Mrs. Ruth Keffer, 285-4040.

## Maple Rally Hear Reasons Of The Vote No Committee

The Rev. Minton Johnson of Thornhill Baptist Church welcomed about 75 interested Maple residents to the "vote no committee" public rally, held in Maple United Church on May 2 and reminded the audience that the questions of having liquor served in dining lounges and/or government store outlets was two apparently innocuous questions, "that actually you are being asked to vote for or against the introduction of liquor sales in Vaughan Township."

Mr. Johnson urged each one to use the next 9 days to the best of their ability to contact people and acquaint them with the facts.

Mr. J. D. Kenzie, manager of the "vote no committee," introduced the guest speakers and panel that was comprised of the following: The Rev. J. Campbell McClean, Kleinburg United Church; Deputy-revee Jesse Bryson, of Vaughan Township; Mr. H. McConnell, Ontario Temperance Federation speaker; Mr. W. Atwell, Maple; Mr. W. Robson, Mr. D. Foley and the Rev. Minton Johnson.

## Varied Fashions Shown At Vellore

A fashion show sponsored by the Junior Women's Institute of Vellore and held in the Vellore Memorial Hall on April 24 attracted about 125 guests. Funds raised at the show will go to defray the cost of the Institute's project the furnishing of a room at the York Central Hospital.

The widely varied program included a children's fashion show with articles provided by Allan's Fabrics and Children's Wear, Woodbridge; a man's fashion presentation through the courtesy of Ken Kennedy Men's and Boys' Wear also of Woodbridge.

The ladies fashions were beautiful, gay and interesting and the apparel was provided through the courtesy of Village Fashions of Nobleton, and shoes by Castor Shoes of Bolton.

Patricia's Bridal Salon, Oak Ridges, supplied the bridal party apparel complete to the flower girl and ring bearer.

Other local merchants who lent of time and material to make the occasion a success were: Joy Valley Greenhouses, Nobleton; Press B&F Electrical Enterprises, Nobleton; and Pete Hall who provided the background music for the evening.

Alfreda's Hairstyling of Willowdale and the Town and Country Beauty Salon of Nobleton, gave of their time and talent in providing the models complete with up-to-the-minute hair styles.

## Western Principal Visits Schoolmates

John Neufeld, Keele St. N., and family were honored by the presence of Rev. Dr. Robert Schnell, principal of St. Andrew's College, Saskatoon Saskatchewan at dinner last Thursday evening.

Dr. Schnell who had been attending a conference of Canadian principals, took time from his busy schedule to meet with some of his former schoolmates from Aberdeen, Saskatchewan, whom he had not seen for the past 30 years. They were John Neufeld, his sister Mrs. Carl Winger of Newmarket, his brothers Peter of Newmarket and David of Hamilton. Mrs. Helen Neufeld of Newmarket was also present.

## Vaughan Council Notes

Costa Road property owners adjacent to Edgeley have accepted the suggestion of township officials that a six inch watermain be extended north-erly on Costa Road to No. 7 Highway. Cash contributions from benefiting property owners will provide for the cost of the 6" main, while the Edgeley Water Area will assume additional cost of a 12" transmission main. Property owners will pay \$4,476 and the township's 12" main will cost \$3,197. A total of 1,279 feet is involved.

A report from the Ontario Water Resources Commission submitted to the waterworks committee covering the inspection of waterworks systems in Vaughan Township made specific reference to the high iron content in water being pumped from Crestwood well, Uplands well, and the Kleinburg well. It was recommended that waterworks superintendent W. J. Norris continue to search for the best possible method of correcting this problem keeping in mind the financial ability of the specific areas being supplied from the wells.

The tender of J. D. Adams Co. Ltd., for \$22,800 for a Model 777 motor grader was accepted. Members of the road committee had visited the plants of both Adams, in Paris, and Dominion Road Machinery, at Galt where they watched demonstrations before arriving at their decision.

## Need To Correlate Ideas

George Bailey Home & School Assoc. Hears That Maple Has No Problems

President Stevenson, in his remarks thanked all members of the executive who had worked individually and collectively to form such an active and interesting association during the past year. He touched briefly on the various achievements of the association during the year 1962-63 which included the establishing of a \$25.00 bursary to be presented to the grade eight pupil receiving the top academic standing for the year 1962-63, the Christmas concert held at the community hall, the enlarging of the school skating facilities and the impetus provided by the association in the formation of Maple Minor Hockey Association, and last but not least, the fun fair held in April at the school which netted over \$300 for the treasury.

Laura Boyd, George Bailey representative to the York Simcoe Council of Home and School Associations, introduced Mrs. Ann Greta Noble of Gormley, who is president of the council. Mrs. Noble, after addressing the executive and members, went on to officially install the new executive for the year 1963-1964 as follows: president Bert Stevenson; vice-president Larry Stevenson; secretary Louise Edmondson; treasurer Shiela Ansell; principal Mr. Kennedy.

The various committee chairmen will be installed at the next regular meeting to be held in June.

Due to the small number in attendance, the president suggested that an informal discussion be held while everyone had coffee. Larry Stevenson, in introducing the speaker for the evening, pointed out that Mr. Mike Andrassy was an arts graduate of Victoria University.

BARBARA A. MRS. MITCHELL AND SHARON

## \$2,100 For Lucky 50 Cent Coin

While lightning may not strike twice in the same place Lady Luck smiled twice within a month or so on the family of Mr. and Mrs. Walter Mitchell, Dufferin St., Vaughan Township.

For the past 10 or so years Mrs. Mitchell has been saving 50 cent pieces. Last week one of her collection returned her a handsome profit - \$2,100. About a month ago she went to her collection of coins, kept in the home, to pay for a parcel

from a Toronto department store when her husband left home without leaving money for the parcel.

"I paid the driver in 50 cent pieces and that one could have easily been in them," Mrs. Mitchell said.

Mrs. Mitchell said her interest in the collector's value of the coins was aroused when her brother-in-law showed her a catalogue listing of the different values.

"Until then I had never given the matter of collector value any consideration. When he showed me the value of one of the coins, a George VI for more than \$2,000 I became very interested," she said.

The lucky coin was in perfect shape according to Mr. Mitchell. "It looked almost like a new one. Held at arm's length a person had no trouble to read the engravings," Mr. Mitchell said.

## Concord Socials

Well, I guess the biggest of water. Still, others, like ourselves, have been blessed with an ample water supply in all seasons for several years, and to us the main change in having municipal water will be a higher tax bill. Sure, fire insurance is reduced, fewer pumps are running in your system to have to answer the phone every time it rings. I find myself sitting for the first couple of rings thinking, no, that's not mine, then a light dawns and I make a mad dash to reach the blower before the caller gets tired waiting.

Others, however, have recently had deep wells drilled at considerable expense and now have an adequate supply

of water. Still, others, like ourselves, have been blessed with an ample water supply in all seasons for several years, and to us the main change in having municipal water will be a higher tax bill. Sure, fire insurance is reduced, fewer pumps are running in your system to have to answer the phone every time it rings. I find myself sitting for the first couple of rings thinking, no, that's not mine, then a light dawns and I make a mad dash to reach the blower before the caller gets tired waiting.

Don't know how really "social" this is, but they're dropping like flies with mumps around Concord these days. Every day, or so it seems, my daughter comes home from school with a new casualty report. What I want to know is, why do we have to pick the nice weather? What's the matter with winter when we're inside anyway. I'm keeping my fingers crossed, hoping for immunity.

The Church of Christ congregation has begun its new building at Concord Ave. and King High Drive. We'll keep you posted with their progress.

Just one more step away from our country atmosphere

## Vellore Senior W.I.

Vellore Senior Women's Institute met in the memorial hall on April 2nd.

Mrs. A. Moore showed movies of Maple in 1949-1950. Maple had no subdivisions then and Miss Watson who took the movie strips covered almost entirely everyone who lived in town. On viewing these we agreed that fourteen years have made many changes. Quite a number are no longer with us. Many memories will be cherished from seeing the pictures. It was the annual meeting
