

Bomb Warning In Stouffville

Markham Township police and Ontario Provincial Police from Vaudor rushed to the Stouffville home of newspaper editor James Thomas following a bomb threat Saturday. A search failed to reveal anything destructive after Mrs. Thomas was told by a pleasant-spoken male caller that a bomb was set to go off at 8:30 p.m. Police blocked off the Rupert Street home in the west end of the village. They also received a call that a second bomb was due to go off at the same time at Hamilton Automotive Supplies in the same area but it, too, proved a false alarm. "It seems to be the fashion now," a Stouffville Tribune staff member commented.

York Deanery Members Hold 44th Conference

The 44th annual conference of the York Deanery Women's Auxiliary was held at St. John's Church, Jefferson, May 9 starting with a service of Holy Communion at 10 a.m. with celebrant Rev. T. R. Robinson. The morning session of the conference was opened with prayers by the rural dean, Canon J. T. Rhodes, followed by words of welcome by Mrs. M. Beynon, president of St. John's Afternoon W. A. Mrs. H. G. Watts, diocesan president, brought greetings from the diocesan board. Mr. S. Snively of St. John's, introduced the Rev. David Busby who gave an inspiring talk on the Anglican Congress when representatives from the whole Anglican world will be meeting in Toronto this August. There will be approximately 1,100 delegates, one bishop, one clergyman and one layman for every diocese, one youth

representative from 72 ecclesiastical provinces, plus 1,000 special guests and many thousands others from all parts of the world. This is a very special occasion as this will probably be the only congress held in Canada during our lifetime. The speaker said there were three ways in which the W. A. could help - first to pray for the delegates who are coming and for those in charge of the congress; secondly to prepare in the different parishes to co-operate with those whose responsibility was to arrange accommodation etc., and thirdly to study the kind of questions to be dealt with and when the results of the congress are published, to apply same to our own parishes. Rev. Busby said he felt the church had withdrawn too much from the world on the political and economic scene and the church should have more to say in both these fields. He defined cultural frontier as the values and aptitudes of a people, what

we regard as most important or least important and our attitude to others. "Canadian culture is very closely related to that of the United States and affected by the political and national situation in America, the TV programmes and magazines and may be classed as non-Christian and anti-Christian. Most people aim not at helping others, but endeavouring to accumulate wealth to enjoy themselves and when pressures of life become too much many are inclined to withdraw," he said. He urged everyone to turn to Christ and to stop thinking of getting ahead so much. During the afternoon session Miss Penelope Fisher, a missionary from Japan, spoke on her work there in a new diocesan centre and hostel where most of the residents are young university students. She stressed the great importance of the W. A. praying for all engaged in this work in Japan as Christians comprise only one half of one per cent

of the population of Japan and are often very lonely. Mrs. H. G. Watts installed the executive for 1963-64 which is as follows - president Mrs. D. Morris, vice president Mrs. F. G. Burrows, secretary Mrs. J. J. Addison, treasurer Mrs. O'Neill, A. A. secretary Mrs. N. Chatlerley, G. A. secretary Miss M. Carter, Little Helpers secretary Mrs. Price and social service secretary Mrs. T. Lowndes. Among the many present were Mrs. H. G. Watts, Mrs. M. Base, Mrs. Priestman, Mrs. Elder, Mrs. Salter, all of the diocesan board, Mrs. G. P. Parsons of the dominion board, Mrs. Smith of Peel Deanery, along with delegates from nearly all the eighteen W.A. branches in the deanery. While the W.A. meeting was taking place the following rectors were holding council - Canon J. T. Rhodes, Rev. John Speers, Rev. James O'Neill, Rev. E. H. Costigan, Rev. Vollick, Rev. Wigby, Rev. D. McClellan, Rev. H. Howden, Rev. R. Moore and Rev. Jackson. The deanery meeting next May will be held at Christ Church, Stouffville.

BUTTONVILLE NEWS

Phone AXminster 3-6188

The 121st anniversary was celebrated at Brown's Corners United Church on May 5, with two fine services. Many old friends joined in the worship and congregations from Headford and Victoria Square were present as well. There were spring flowers making the chancel bright, and the swell of organ music filled the air as churchgoers gathered. Rev. Dr. A. F. Binnington conducted both services. In the morning the guest speaker was Rev. Dr. E. M. Howse of Bloor St. United Church, whose timely topic was "Applied Religion." In the evening the congregation was pleased to welcome back a former assistant and general favourite on the charge, Rev. Gerald Fitzpatrick. Mr. Fitzpatrick has completed his post-graduate course at Emmanuel College and he and Mrs. Fitzpatrick expect to leave this autumn to take up missionary work in India. The day would not have been complete without special music, and here the senior choir played an important part. Under the direction of Mrs. S. J. English, with Mrs. Donald Resor at the organ, two anthems were sung; and Jack Gough and his daughter Mrs. Ray Grant sang a duet. At the evening service the Richmond Hill and District Choral Society, under the leadership of Frank Smart, sang. Miss Joy Fuller presided at the organ. To conclude the day, guests were entertained in the Christian Education room where coffee was served by members of the Brown's Corners Church choir.

Neighbors Notes
Mr. Wm. Russell is very ill these days, and a patient at Brierbush Hospital, Stouffville. Last Sunday afternoon Mrs. K. C. Gray and her daughter Margaret left Malton by air for a month's vacation in England and Scotland. When Margaret returns she will complete her training at the Hospital for Sick Children. Charles Turner has been confined to Wellesley Hospital recently, following surgery. He expects to be about again shortly. A successful antique sale was held at Buttonville W.I. community hall last Saturday by Hunt and Kelly. The Kelly named is Dr. George, Jr. of Newmarket, whose hobby is antiques. There were some fine buys, and eager purchasers. George's parents, Dr. and Mrs. George Kelly of Buttonville, his aunt Mrs. Russell Boyington, and friends, helped out in the refreshment department and found a brisk demand. Harvey Brown and his wife Nancy are home from O.A.C. Guelph, and we hear Harvey is an honor graduate. Congratulations. Mrs. Reg Allen of Don Mills Road, Cachet Club, entertained at a trousseau tea for her daughter Susan on Saturday afternoon of last week, and Mrs. Irving Gohn, the groom's mother received with the bride and her mother. Bridal and shower gifts and the bride's trousseau were attractively displayed, and Mrs. Clifford Goodman, sister of the bride-to-be assisted in the tea room. The groom's aunt, Mrs. Edgar Fuller, poured tea. Susan will be married to Donald Gohn in Brown's Corners United Church May 18, at 4 p.m. Thirty members of Mrs. David Fuller's family held a surprise party for her at her home on Crestwood Road on May 11. The occasion was in celebration of her 71st birthday (May 13) and among those present were Mr. and Mrs. Edgar Fuller and Mr. and Mrs. Irving Gohn and their families. Mr. Fuller and Mrs. John Fuller are a son and daughter.

BELL LINES

by Bill Barnes
your telephone manager

Looking For A Job?

I'd like to suggest that any young ladies who are looking for full-time employment might consider a job with the telephone company. While we have no openings here in town, there are jobs available in our offices in some of the larger centres, including Toronto. At the moment, we're in need of girls who would like to work as telephone operators, service order writers and service representatives. If you have a high school education, are in good health, enjoy working with the public, and are interested in a challenging and rewarding career, we'd be happy to have you drop in and talk with us. Our employment office is at 50 Eglinton East. I'm sure you'll find the Bell a pleasant place to work, and we're sure you'd enjoy working with the other people on our staff.

Miss Beverley Johansen
New Service Representative

A. G. Bell's Prophecy

"It's conceivable that cables of telephone wires could be laid underground or suspended overhead, communicating with private dwellings, counting houses, manufacturers. Not only so, but I believe, in the future, wires will unite different cities and a man in one part of the country may communicate by word of mouth with another in a distant place." Alexander Graham Bell made this statement in 1878. He understood, and in remarkably prophetic words foretold, how the usefulness of his invention might be extended throughout the world. With him began the unceasing scientific progress which has overcome the barriers of distance, one by one, so that today there are no earthly limits to human speech. All who give telephone service, and all who use it, are his inheritors.

To Serve The Community Better

The Telephone business has always been an enterprise of change, but never more so than at present. The scope of the Bell widens constantly as the Company provides more and more customers with new and advanced services. Representatives of all departments meet regularly in local committees to consider how they can best serve their respective communities, decide upon the activities that should be undertaken to attain these goals, and make every effort to keep employees fully informed of plans and policies, both local and Company-wide. Programs have been developed and foremen and other supervisors hold regular meetings with their people to discuss both Company activities and the continuing requirements of good service for customers and the community.

Markham Twp. Council Briefs

At Monday afternoon's meeting of Markham Township Council approval of the by-law setting up Township School Area 4 was received from the Department of Education, appointing Inspector Maynard Hallman as referee. The new area will include school sections 20 and 21 (Cedar Grove and Locust Hill). Norman Lewis, welfare administrator for the township reported that total welfare payments from January 1 to March 31, 1963 were \$4,336.83. For the same period last year \$7,747.44 was expended for welfare. The welfare officer's salary and allowance is not included in the above amount, but is charged to general administration expense. The net cost of this welfare was \$998.11, after receipts from relief grant-in-aid \$1,860.98, nursing homes \$1,191.20, and relief from other municipalities \$286.54 had been deducted.

The township engineer was instructed to discuss with the garbage contractor the matter of removal of bushel baskets which are used for placing out for collection grass clippings and other garden refuse. He will ask the collectors to use discretion and empty and leave these baskets as they do regular containers.

An application from G. Beauchamp to have the township reconsider the matter of issuing building permit for the erection of a taxi office at the corner of Steeles and Yonge was again refused by council. Clerk H. C. T. Crisp reported that complaints had been received from the Highland Park area about the radio dispatching service for Mr. Beauchamp's Avenue and Cadillac taxis being located in a residential area. It is claimed that the radio broadcasting unit interferes with television reception in the area.

Reeve Dean questioned "What's the use of bylaws if you don't enforce them?" Clerk Crisp reported that the gravel pit by-law has been submitted to the Municipal Board, but in the interim the board has revised its procedure. Formerly all ratepayers concerned could be advised of proposed by-laws by circular, advertising or a hearing. Under the new procedure the board will stipulate either circulars or advertising.

Council decided to recommend to the board that in this instance, a summary of the proposed by-law to control the establishment and operation of gravel pits be advertised in the three local papers.

HEADFORD NEWS

Mrs. Loren Guild
R.R. 2, Gormley
Phone TU. 4-3040

Sunday morning service at Headford United Church emphasized the Christian family theme. The choir composed of Sunday school pupils sang two numbers accompanied by Miss Cora Brodie. Members of the H.C. took part in the service. Susan Terry read the scripture lesson and Sharon Rumble told the story of a small boy's rebellion against family discipline and his discovery that the way of the transgressor develops an unhappy atmosphere while family operation creates a warm relationship. The superintendent, Mr. Stewart Rumble conducted the order of the service.

Dr. Binnington introduced Mr. Idris Hamid, B.Sc. who comes from Trinidad. Mr. Hamid earned his degree at Toronto and has completed two years at Emmanuel College. He is welcomed to the charge as assistant to Dr. Binnington. In a brief sermon Dr. Binnington commented on the strange choice of lesson for Family Sunday. It was the story of Zacchaeus who lived alone, without family. In the Gospel, Mark draws a stark picture of him; he was rich, he was small and he was hated by the people for he was a publican yet Jesus dined with him and Zacchaeus became a changed man. Dr. Binnington suggested that the lesson may have been planned to point out that in the midst of family emphasis the individual is important.

Field Trip For Boys
David Terry and Keith Burton represented Markham S.S. No. 4 when 700 boys from Metro Toronto spent a day at Greenwood on a trip sponsored by Toronto Metro Conservation Authority. The boys were awarded the trip as a prize for their standing in a conservation contest.

Under the direction of supervisor E. W. Snider they finished for a couple of hours in the morning. It was a fine day for the fish. They too had apparently studied conservation. No catches. A lesson was given the boys on mouth to mouth respiration. They enjoyed a demonstration of Labrador retrieving. A hard maple tree was planted to commemorate this class trip 1963. From Lands and Forest department there was a demonstration of equipment and a fire was doused, from a plane, with 80 gals of water, "and that was something," said Keith. "A real deluge."

The day ended with a demonstration by Terry Bennett, well known English hunter and fisherman of sports equipment. He concluded the demonstration with a lesson on casting.

Mr. and Mrs. Ben Terry were guests at the Trans Canada Pipeline Sportsman banquet when members of the bowling, curling, tennis and golf clubs met to receive awards and to spend a friendly evening at the Inn on the Park. Mrs. Terry found this building...

NOTICE TO CREDITORS AND OTHERS

Estate of Sarah Isabella Beatty

DATED at Markham, Ontario, this 29th day of April, 1963.

EXECUTOR FOR THE ESTATE OF SARAH ISABELLA BEATTY -
By his solicitor:
PAUL W. J. MINGAY,
ESQ., B.A., 61 Main Street,
Markham, Ont.

Speaks On Travelling

Our travelling Elisabeth Barker is home again from the west. She delivered a car for a dealer to Saskatoon and in spite of losing time while she backtracked to get a Saskatchewan licence she kept her appointment right on time. Her second day she travelled 800 miles and was glad to reach the home of her aunt Mrs. R. James in Kenora. In Arcola she visited with her aunt Mrs. Walter Oleson and spoke to two 4-H groups, open meeting, with an audience of over 100 at each. She showed overseas and Ontario pictures. At Milestone and Corning she spoke to 4-H Clubs and at Weyburn to a 4-H Council. On her return trip she met with groups in Kenora. In Regina she attended a livestock, Hereford and horse show as guests of Mr. and Mrs. Oleson.

Returning home by bus Elisabeth arrived in time to spend one night at home before attending the PW10 board meeting in Guelph May 7, 8, 9, where she represented the junior farmers. Some interesting items gleaned from her notes disclose that English institute members pay 3 pounds membership fee. In Canada the members pay 50 cents annually. A five day school for rural women will be held at OAC, Guelph in July, with three areas of study, art, music, literature.

The Women's Institute is an educational organization and as such the members are encouraged to study the problems in their local areas. The result is that each board meeting deals with a number of resolutions. The problems are presented from personal experience. A frequent motion that does not receive the attention it should is addressed to department of highways asking that there be a standard rule for traffic lights in Ontario; that they be all placed in the same position.

A motion of interest to parents of school children is that school books be standardized rather than left to the teachers personal bias. New books for each child prove very expensive whether privately bought or high school or paid for by taxes for public schools. Compulsory insurance for owners of licensed vehicles was another resolution.

Grey Bruce women contend that the present tax exemption law discriminates against wives in comparison with all other dependents who are allowed to earn up to \$950.00 as opposed to a wife's earning of \$250.00. They ask that a wife's income, up to \$950.00 be exempt from taxation without affecting her husband's taxation.

The many resolutions presented showed knowledge of each problem, consideration of it and careful thought in preparing it. They are forwarded or presented by a delegation to the authority concerned.

Flowers at Brown's Corners

Mrs. Garnet Stewart conducted the family day service at Brown's Corners United Church last Sunday, assisted by Gordon Brown, who read the scripture and Margaret Patterson who was the story-teller. Joy Fuller was at the organ. Special music was provided by the junior choir, under the direction of Mrs. George Hooper. They sang sweetly two numbers: "A song for a Sabbath in May" and "God is Love," and they looked particularly splendid in new choir gowns.

Mr. Idris Hamid, B.Sc., is assisting Dr. Binnington at present, and the congregation was impressed by his fine thought and delivery. Mr. Hamid is a second year student at Emmanuel College. Next Sunday, Dr. Binnington will conduct the service, and there administer the sacrament of baptism.

CGIT Banquet
The annual mother and daughter banquet for CGIT and Explorers on the Victoria Square charge was held at Brown's Corners United Church this year, in an attractive dining room made bright with flowers, candles and Chinese and Japanese motifs emphasizing the year's study. Toast mistress was Patsy Williams who proposed the toast to the Queen. "To our mothers" was proposed by Dorothy Craigie, and Mrs. A. Orr replied. Judy Hart gave a toast to "The Church" and to this Dr. Binnington replied. Special awards to the Explorers were made by Mrs. Percy Bennett and Mrs. Sam Snider, leaders. Graduates

Mrs. Hord Passes

Friends in the Buttonville area extended sympathy to Ross Hord and members of his family last week, following the death of his mother, Mrs. Loral Mabel Hord on May 5, at the home of her daughter, Mrs. Freeman Barker of Headford. Mrs. Hord was the widow of the late Isaac James Hord, and was in her 85th year. She was a life member of the Brown's Corners United Church W.M.S., but had been prevented from active participation for a number of years, due to ill health. Surviving are Mrs. Freeman Barker, (Rose), Mrs. Roy Glover (Hilda), and Ross all of Gormley, and Mabel of Toronto. There are four grandchildren, Betty Glover, David, Judith and James Hord. A brother and sister, Mr. Roy Woods and Mrs. Percy Riddell also survive.

A service was held at the Pipher Funeral Home, Richmond Hill, on May 8, at 2 p.m. Interment was in Thornhill Cemetery. Flowers at Brown's Corners Church last Sunday were in memory of Mrs. Hord. Honor Bridal Couple
Don Gohn and Sue Allen were guests of honor at the shower held in Brown's Corners United Church last week. They will be married at the church May 18. The Y.P.U. were hosts at the shower, and guests were friends in the community. The groom has been active in Y.P.U. and boys' work activities. The happy couple received many beautiful gifts, the bride being assisted by her sister, Mrs. Goodman.

Mrs. Jean Newman
A good representation of the members of the Women's Liberal Association of Markham Township was present at the home of Mrs. Wm. Champion on Monday evening of last week. Mrs. Jean Newman, former Liberal candidate and city councillor, was the guest speaker, and drew for her audience a fine history of Liberalism in Canada.

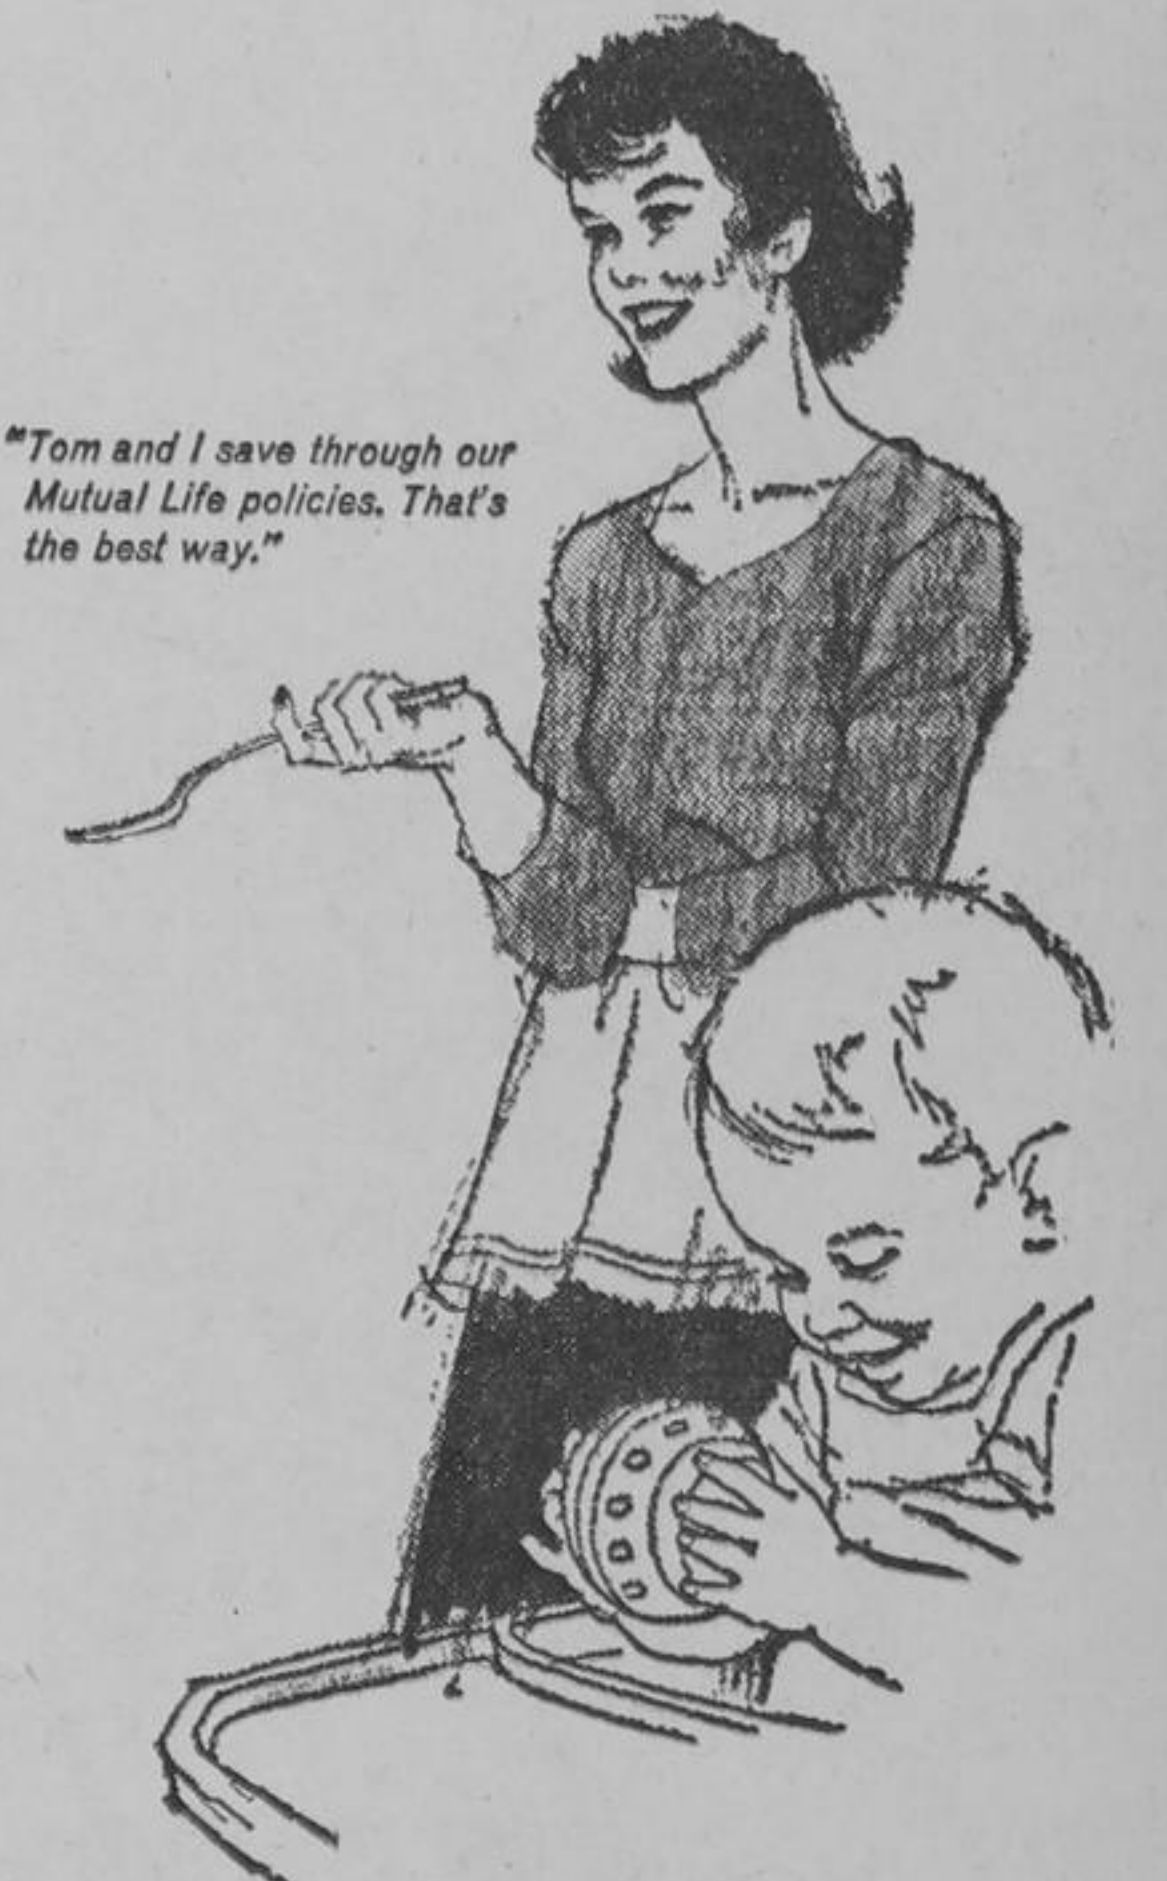

Family Day Service
Mrs. Garnet Stewart conducted the family day service at Brown's Corners United Church last Sunday, assisted by Gordon Brown, who read the scripture and Margaret Patterson who was the story-teller. Joy Fuller was at the organ. Special music was provided by the junior choir, under the direction of Mrs. George Hooper. They sang sweetly two numbers: "A song for a Sabbath in May" and "God is Love," and they looked particularly splendid in new choir gowns.
