Police Kept On The Run

A 90 m.p.h. police chase ended abruptly May 9 when a fleeing car overturned at 16th Ave. and 7th Concession, Markham Township.

Markham Police said a Stouffville constable parked at Highway 48 and Gormley town line spotted a car travelling at a high rate of speed through the red light and after radioing for help to Markham Village and township police followed the car to the crossroad where it rolled over. Damage was \$250.

Charged with drunk driving was Brenton Willis Mason of Stouffville. Neither Mason, nor his two passengers were injured.

Damage totalled \$550 in a two-car collision May 12 on 16th Avenue west of Bayview Avenue, Markham Township Const. D. Denby investigated. Drivers were John Arthur Farrow, 12 Centre Street, Richmond Hill, \$50 damage and Robert John Craigie, 20 Yonge Street N., Richmond Hill, \$500 damage. No injuries.

No charges were laid following an accident May 12 when two cars were in collision north of 19th Avenue on Don Mills. Damage to a car driven by Robert Charles Van Koughnet, 115 Hillcrest Avenue, Willowdale, was \$150 and \$10 to one driven by Jacob Gross, Fraserwood Avenue, Toronto.

A car driven by Walter Brooks Magee, R.R. 2, Gormley rolled over on its roof after knocking out nine guard rails at Don Mills Road and 17th Avenue, May 11, Markham police said. Damage totalled \$1,000; there were no injuries and no other cars involved.

Larry Wayne Mallory, Toronto, was charged with drunk driving after he struck a guard rail at the south end of Buttonville, police said. No one was injured.

Markham Police this week warned parents to keep their children away from old, abandoned barns after two in the township were damaged. Windows were broken in a barn at the Fifth Concession; damage totalled \$100.

It is believed children set off a blaze Saturday at an old barn owned by Wycliffe Homes on Doncrest Road; nearby resident H. Lloyd, after calling Unionville fire department kept the fire under control. There was little damage.

Unionville fire department was also called to put out a fire in a pile of lumber at Grover Caste Stone, Don Mills Road. There was no damage.

Electrical Firm Construct Plant Markham Site

A pioneer electrical firm in Canada, Amalgamated Electric Corporation Limited, has begun construction of a new plant and head office on Bullcock Drive in Markham Village.

The new plant, a modern, 130,000 square foot one-storey building will be located on 10 1/2 acres. It is anticipated the plant will be opened early this fall.

Amalgamated Electric is an associate company of the General Electric Company of England, one of the largest manufacturers of electrical equipment in the British Commonwealth.

It was formed through a merger of three companies in 1929; present company site is on Pape Avenue in Toronto and property and buildings were acquired on Carlaw Avenue.

The company manufactures electrical equipment for residential, industrial and commercial use including switches, panel boards and other wiring devices for the home. Large switches, switchboards, panel boards and bus ducts are manufactured as well as a line of incandescent lighting and architectural flood lighting equipment.

Amalgamated also markets products of its parent company in England including large batteries, street lighting, high voltage switchgear, large transformers and miscellaneous electrical products.

No estimate of the building's cost or assessment has been made available to date.

Gutted By Fire Store Re-Opens

Residents of Willowdale and area will be pleased to hear that the Jack Fraser Stores are re-opening their men's and boys' wear store at the Northtown Shopping Centre. This large Jack Fraser Store was gutted by fire last January and the whole building, fixtures and fittings have had to be rebuilt. The store has been completely re-designed by architects and now incorporates the latest ideas in shopping comfort. Jack Fraser's Northtown store is bright and spacious, has air-conditioning features, teak-finished wall fittings, and new neat fixtures.
