Community Project

A general uplift in the vicinity of Harding Boulevard and Essex Avenue has recently taken place in the community project of tree planting in the park at that intersection. The spade work was a labour of love undertaken by many living in that area, the trees were donated to the worthy cause by the following nurseries: Annabell Nurseries, Dutch Gardens, Edean Nurseries, Jones Gardens, Rose Garden Centre, Unionville Nurseries and White Rose Nurseries, and the very useful tree stakes given by Thornlea Lumber Co. - to all of whom, we of Richmond Hill are very much indebted.

To the moving spirit behind the project, S. A. Giles, garden consultant, go the thanks of many.
