Board Approves Staff Changes For September

Staff changes and additions in schools under its jurisdiction for the school year starting September 1963 were approved by the Richmond Hill Public School Board at its regular meeting Thursday evening.

The superintendent's list of proposed placement of staff, which was approved, is:

Of the ten teachers assigned to the Beverley Acres School, five have had experience as teachers, and five are from Teachers College. One of the beginning teachers has engaged as an additional teacher for the primary division but it is expected that this teacher will be assigned to assist in the kindergarten classrooms.

Of the ten teachers assigned to the Crosby Heights staff include Peter Ross as vice principal, J. Sandiford is being transferred along with the grade 8 classes from Beverley Acres to Crosby Heights. One experienced teacher and three beginning teachers have been added to the staff. One of the beginning teachers was engaged as an additional teacher for the junior division in the system.

Three beginning teachers have been added to the MacKillop staff. Ronald Ritchie is being transferred from the MacKillop staff (grade 7) to assist D. Gailick in grade 8 classes in McConeghy School. Two more experienced teachers are being added to the staff.

Fred Browning was appointed assistant to the principal at Pleasantville School, being transferred from Crosby Heights. Also being added to this staff is Miss Arlene Wing, an experienced kindergarten teacher, to replace Mrs. Smith who is being transferred to the Walter Scott School. Miss Wing will have a morning class at Pleasantville and an afternoon class at MacKillop School. Payment of transportation costs for the Pleasantville-MacKillop kindergarten teacher will be continued at the present rate.

Mr. John Hincks will be vice-principal at Walter Scott, and Mrs. Smith will be assigned to a kindergarten class (Miss Higgins will teach a grade 4 class). One additional teacher will be placed on this staff, and assigned to grades 6, 7 and 8.

Certain changes to this staff list may be required before the end of June. All principals have been consulted, and are agreed that full consideration has

been given to the needs of the individual schools and to the whole system.

Principals will assign teachers to individual grades and arrange for the best possible rotary system within each school.

Mrs. Vivian Berard, Mrs. Helen Hunter and Mr. Denis Middleton, who had three or more years of teaching experience before joining the local public school staff were placed on permanent contract. Mrs. Catherine Cluley, Miss Margaret Keffer, Miss Kathryn Moss, Miss Janet Peterkin and Victor Pilger, who are completing their second full year locally, were also placed on permanent contract. All teachers on permanent contract will be retained on staff except for those cases where resignations are received before May 31.

Superintendent Gordon McIntyre explained that the board may terminate a probationary contract with a teacher without being required to state its reasons, but a permanent contract is much more difficult to terminate.

The board granted St. Paul's Lutheran Church permission to use the kindergarten room instead of the auditorium at Walter Scott School for Sunday church services for the summer months.

The personnel committee report listed the duties of school secretaries which had been outlined to them by Principal E. Gooding. These duties included: registering new pupils and following through with pupils' records, memos to teachers, home and school notices to be stencilled, correspondence for the principal, telephone calls, preparing requisitions for supplies, and recording and stamping new library and text books, tuning in radio programs for classroom use, setting up teaching marking I.Q. tests, and receiving work from certain pupils, to be marked by the principal.

Two new full time secretaries will be engaged to start in the fall on a half day basis and work along with the present secretary in the school in which they will work full time commencing in January.

NEWMARKET - A two week summer camp for mentally retarded children from York County will be held near Parry Sound August 11-24. A staff of 13 will run the 170 acre camp.
