### A Line Drive By Walter

Councillor Walter Scudds hits a line drive to mark the official opening of the juvenile series of the local minor ball. Juvenile play started Monday evening at the town park.

Deputy-reeve Stanlinder threw out the first ball while minor ball President James Tinker did the catching. Umpire Dan Pincher can be seen keeping his eye on proceedings.

In the opening game of a twin bill "The Liberal" sponsored team managed by Norman Lewis swamped Reid's Auto Body 13-1.

### Richmond Hill Town Council Briefs

Council was informed at its Monday night meeting that there is some doubt as to whether well No. 5 will be in production in time to provide the demand for summer water. A recommendation from the works committee which suggested approaching the Ontario Water Resources Commission to place the project on a priority basis was approved. Such a move would expedite the delivery of necessary equipment and would request that the main to carry the water to the raw treatment plant be started immediately. A target date for completion of project was set for July 31. \*\*\*\*\*

As a result of announcements concerning Richmond Hill's pending renegotiation of its contract for garbage and refuse collection Reeve Floyd Perkins said that he had received several telephone calls complaining of unsightly garbage having been placed out for pick-up. He said that some callers demanded immediate collection of the refuse or garbage. In view of the misunderstanding he recommended an advertisement be inserted in the local press outlining a schedule of pick-ups for the different areas of the town. He said that garbage collection cost the town \$15,000 last year and that if it were to start a special pick-up service it would likely cost \$60,000 this year. \*\*\*\*\*

Council gave first and second readings to a bylaw to appoint members to two vacancies on the court of revision. Third reading on the bylaw was held over until council's next meeting. Two vacancies on the court of revision have been created by the resignation of James Walsh and Sidney Starkman. \*\*\*\*\*

A bylaw to allow the arena association to collect a \$5,000 provincial grant to help defray the cost of alterations to the community arena was passed by council at its last meeting. To conform with the Ontario Community Centres Act council re-appointed the existing arena board as the administering authority of the grant under the jurisdiction of council. Arena board members are: Bud Jones, Brydon Ellis, George Chasie, Dalton Hicks and Elgin Barrow. \*\*\*\*\*

Councillor Tom Murphy requested withdrawal of his motion carried from council's preceding meeting that "Branch No. 375 of the Royal Canadian Legion be given an occupancy and use permit for the premises known as Discount Plaza subject to and effective from the date that Branch No. 375 of the Royal Canadian Legion becomes owners or tenants of the building". Mr. Murphy gave no reason for his sudden refusal. \*\*\*\*\*

### "Au Gai Moulin" Theme Bayview Language Nite

Bayview Secondary School Secondary School Band under Miss S. Zimmerman. This group, in its first year, has achieved a fine standard of proficiency and was able to provide lively introductions to some of the skits in addition to appropriate band numbers. At the end of the language programme, Mr. Koehnke, on behalf of Volkswagen Canada Limited, presented the prizes to the winners.

Midway through the programme, a gay and eager vocal group sang French folk songs. An equally lively group concluded the programme with several German folk songs. The most impressive feature of language night was the spirit of gaiety and enthusiasm apparent among these lively and imaginative young people. The programme was prepared with the assistance of Bayview's Modern Languages Department consisting of Miss E. Luke, Miss S. Geoghegan, Miss P. Belt and Mrs. R. Walsh.

### Real Estate Sales Boom

Norm Black Realty Ltd. reports that sales in Richmond Hill during the past three months since opening their local office are 50 percent more than anticipated. "The demand for Richmond Hill properties far exceeds our expectations. During the past three months more than \$500,000 worth of real estate was sold," says Norman Black. He reports the average buyer seems no longer concerned about the unfavourable press reports which have plagued Richmond Hill real estate sales in the past few years.
