

Days And Regulations For Refuse Collection

Last week "The Liberal" carried an advertisement from the Town of Richmond Hill regarding the collection of refuse other than domestic garbage.

Days of collection remain the same for this refuse: in area 1 which is bounded by Elgin Mills, Bayview, Crosby and the C.N.R. right-of-way, not including Crosby Avenue refuse will be collected on the first Thursday of each month. Area 2, bounded by Crosby Avenue, Bayview, the south town limits and the C.N.R. and including Crosby, will be serviced on the second Thursday. Area 3, bounded by Elgin Mills Rd., C.N.R., south town limits and Yonge will be serviced on the third Thursday; and area 4, lying west of Yonge Street, excepting Yonge itself, on the fourth Thursday.

Some confusion has resulted from discussions held early this year with the York Sanitation Co. the new principals of the firm which collects domestic garbage in the town. This company collects only domestic garbage, and refuse other than domestic garbage is picked up by the town employees.

The situation has been getting out of hand with a few people piling up earth and other material which could and should be placed in containers, resulting in much extra work and wasted time for the men. In some cases concrete and large piles of earth have been left for the town to remove. This is not the purpose of this service, and so more stringent regulations have been put into force.

These regulations are:

All refuse must be placed out for collection by 8 a.m. on the day of collection in each area.

All refuse must be placed in containers for collection which can be handled by two men.

The only exception to the above is refuse which cannot be placed in containers, such as tree limbs, old furniture, etc.

No refuse will be picked up except on the scheduled days for each area.

Any refuse which is placed out loose that should be and could be in containers will not be picked up.

The co-operation of the public is asked in observing this regulation, and not abusing the service offered by the town in picking up and disposing of refuse not handled by the contractor who collects the domestic garbage.

Birthday greetings go out to Sally and Stephen Spears twin children of Mr. and Mrs. E. E. Spears, Roosevelt Drive. Sally entertained Mary Jane Zucan, Susan Marquis, Debbie Curnack, and Penny Mitchell by having a pajama party on Friday June 14. Stephen entertained Doug Middleton, Tommy Wilkinson, Bobby Pontin, Stephen France, Jimmy White and George Duckworth to miniature golf and later on played baseball. Oh yes before we forget this was their 12th birthday.

On June 16 Mr. and Mrs. E. E. Spears and family, Mr. Bob Boulden drove up to Big Bay Point, Lake Simcoe to celebrate "Father's Day" with Mr. and Mrs. R. G. Fry, parents of Mrs. Spears.

Mrs. D. Warburton formerly Betty Dubkowski with son Stephen and daughter Heather of Toronto spent a couple of days with Mr. and Mrs. J.

Thornhaven Tea A Success

Thornhill and District Retarded Childrens' Association last Wednesday sponsored a successful tea and bake sale at the Thornhaven school attended by more than 200. Convened by Mrs. Dorothy Schell of Stouffville and her committee, the afternoon netted \$250, to be donated to the school. The photograph pictures part of the crowd at the goodies table.

Request For Northern Hospital Shelved By York County Members

A proposal to York County Council to build a community hospital in the Sutton area was temporarily shelved last Thursday.

Some council members didn't like the wording of a resolution put forward by Georgina Township Reeve E. J. Norris which called for an Ontario Hospital Services Commission survey for the need for such a hospital and a special county committee to assist the commission in its research.

Reeve Norris pointed out that with the completion of both the Newmarket and Richmond Hill county hospitals, people in the northern end of the county would still have to travel many miles for hospitalization and also in the event of a nuclear disaster, a hospital would be needed.

Another member pointed out that once the Newmarket and new York Central Hospitals are finished, their beds would be filled.

Mr. Rye said he had been told the O.H.S.C. would consider hospitals in Sutton and possibly Stouffville once the two hospitals were completed.

Century - Old S.S. Paper Interesting Attic Find

A friend has provided us with a copy of a Sunday school publication, dated December 1865, which she found in the attic of her century-old home. The sixteen page small pamphlet bears the title of "The Juvenile Presbyterian," a Missionary Record and Sabbath Scholars' Newspaper of the Presbyterian Church of Canada in connection with the Church of Scotland. A woodcut of Christ with the mothers and children of Salem is surrounded with the words "Suffer Little Children to Come Unto Me", and followed by "Out of the mouth of babes and sucklings Thou has perfected praise." - Matt. 21. The booklet was printed and issued for the lay association by John Lovell, St. Nicholas Street, Montreal, and is the twelfth issue of the tenth volume.

Reports of missionary work in India, from Calcutta, Poonah and Madras are included in the publication.

Announcement is made of a district convention to be held in Kingston at Queen Street Wesleyan Church in January 1866. The article refers to the earlier convention of Sunday school workers held in that city which had been attended by Wm. Harrison of Richmond Hill. It was at the first convention that recognition was paid to the Rev. Wm. Black as the founder of the first Sunday school in Canada in connection with the Presbyterian Church in Gananoque. Mr. Harrison hastened to point out that the Richmond Hill Presbyterian Church Sunday school was also started in 1811.

Eight subjects were suggested for discussion at the 1866 convention including: 1. The duties of Sabbath school teachers, and the best methods of preparing them for their work. 2. Sabbath school libraries and their management. 3. Sabbath school exercises, examinations, addresses, music, etc. 4. Punctual and regular attendance, how best secured? 5. How many Sabbath schools be rendered more useful and interesting? 6. Infant and Bible classes. 7. The best means of retaining the elder scholars. 8. How to interest our Sabbath schools in heathen and other missions.

Local teachers of Sunday schools will, we think agree, that some of these problems are no nearer solution than they were in 1866, while others have disappeared with the changing times. For instance it is many years since Sunday schools had active libraries, although some books may still be on the shelves in the older churches.

Five interesting short stories appear, each with a religious significance pointed out. "It Never Dries Up", reprinted from the Pictorial Handbills, says:

"I was staying at a village on the Welsh coast, where the people had to bring all their water from a well.

"Is this well ever dry" I inquired.

"Dry? Yes, Ma'am, very often, in hot weather."

"And where do you go then for water?"

Approve Bayview For Maintenance

Mayor William Neal announced Monday that approval by Minister of Highways Charles Macnaughton has been received for the County of York to assume responsibility for the maintenance of Bayview Avenue from Markham Road to the Markham-Whitchurch Townline.

This does not mean that Bayview will be paved immediately as it is unlikely any major improvements would be undertaken this year by reason of the county's limited road budget.

The county's finance committee has set aside only \$36,000 for the maintenance of Bayview, Bathurst Street between the Langstaff Sideroad and the Maple Sideroad, Egypt Sideroad in Georgina Township and an extension of Don Mills Road in North Gwillimbury Township.

At present this road, which has been the subject of much criticism over the past few years, is the joint responsibility of Markham Township and the Town of Richmond Hill. These two municipalities failed last April in a try to get the county to pave Bayview from the Markham Road to Elgin Mills Sideroad during 1963.

In its present condition Bayview cost Richmond Hill estimated \$15,000 in maintenance costs alone during 1962 - and still is a stretch of poor road, pitted with numerous potholes from time to time.

Beautifully embellished old English letters are used at the start of each article.

Rattle Snake Turns Out To Be Milk Snake

Reports that a Missisauga rattle snake had been killed on the farm of Mr. F. A. Dunn at Angus, June 8, proved erroneous.

Conservation Officer Fred Marshall, from Everett, who was asked to investigate, identified it as a red king snake, more commonly known as a milk snake.
