Continued from Page 9

do and do very well. On June 15, a pee-wee softball team from the R.H.M.B.A. was taken to a softball tournament at Woodstock. Eighteen teams were entered in the tourney with action starting at 9 a.m. and carrying on until a winner was decided. That's the rub - there was just too much softball!

To declare a winner it was necessary for the winners to play five games, each game consisting of seven innings. Add it up how you will, it still comes to 35 innings of ball in one day. And this for kids ranging in age from 11 to 13! Thirty-five innings is just one inning short of four full nine-inning games and on a hot, cool, dry or wet day is just too darn much for kids of this age!

As far as the Woodstock people go we have no quarrel with them or with their tournament. The system suits them and that's fine but... the Richmond Hill Minor Ball Association is set up to see that kids have fun playing ball—at this particular tournament all the fun was gone—it was just plain drudgery under a blazing hot sun!

We think that the R.H.M.B.A. is capable of running a tournament or program that can stress the fun to be had in the game. And take into consideration the tender years and budding capabilities of the players. The charge has often been made that children's sporting activities are getting over-organized. After seeing this Woodstock tournament we couldn't agree more with the charge.

R.H.M.B.A. executive, managers and coaches still treat the game as a fun affair. Here's hoping that they never change the policy and a kid can be allowed to make the occasional error and still enjoy the game for all it's worth. Sure it's a tough competitive world but an 11-year-old is entitled to some concessions. Isn't he??

### AUTOGRAPHS FROM ED

One of the funniest sights we've seen in many a year was Eddie Shack being run out of Richmond Hill by a howling mob of youngsters. They didn't want to scalp him—they only wanted his autograph!

Mr. Shack was anxious to return home after the N.H.L. All-Star - Dynes Jeweller softball soiree last Wednesday night. Lying in wait outside the arena for their popular red-headed idol were several hundred Shack-Happy youngsters.

As he opened the arena door he was forced to step carefully to avoid squashing one or two of them underfoot. Then he got a clear opening and was off and sprinting for his car. And that's when it really got funny.

Have you ever seen a man wearing a raspberry shirt, blue bermuda shorts and black socks - more than a little splay-legged - running away from a mob of howling kids? They streamed out behind him like the tail on a kite but the speedy Mr. Shack won the event in a breeze, got into his car and made good his escape.

Wonder if he's got any idea of just how popular he is with the kids of Richmond Hill!

## Something For Everyone At Springwater Park

One of several Provincial Parks summer visitors will enjoy visiting this summer, is Springwater Park just west of Barrie near Midhurst on Highway 26.

Started many years ago in connection with the tree nursery at Midhurst, the park got its name from the many springs in the area and in 1958 was officially established as a provincial park.

During the past five years, many changes have

taken place including suitable areas for car parking, accommodating 550 vehicles, comfort stations, a refreshment booth concession, picnic shelters, water fountains and picnic grounds.

In addition to its scenic attractiveness in managed pine plantations and series of ponds there is a large playground area with ball diamonds, horse-shoe court and playground equipment for the youngsters.

Of particular interest to visitors is the wildlife display of white tailed deer, red fox, bear, raccoon, porcupine, fisher, lynx, groundhog, brush wolf, skunk and beaver. Red-tail, ring neck pheasants, various species of ducks, geese and swans are also to be seen in the park areas.

Springwater Park is a day-use area without any overnight camping facilities and 25 well shaded picnic areas have been provided with picnic tables and other facilities suitably located. Charcoal barbecues or wood fireplace grills have been placed adjoining picnic areas with wood boxes located within reasonable walking distance.

The park is popular for group picnics. For further information or reservations, the Superintendent should be contacted by writing to Springwater Provincial Park, Department of Lands and Forests, Midhurst, Ontario. Guided tours may also be arranged in the same way and the preferred time and number in the group should be indicated in the inquiry.

SCARBORO: Building is running slightly ahead of last year for the first five months of this year. The total is \$19,051,553, compared to \$18,323,561.

No. 7 And 16th Avenue Our Work Consists Of Steelwork, Welding, Trailers, Horse Trailers, Hitches And Miscellaneous Iron Work, Portable Equipment. BILL ASSINCK, Manager.

### Beauty Bends A Bow

Pretty Helen Stehouwer, 20, of Pine Grove, was one of the archery contestants taking part in the first annual sportsmen's fair at the Cold Creek conservation area, northwest of Metro Toronto, last Saturday. The all-day event, sponsored by the Metropolitan Toronto and Region Conservation Authority and the Ontario Federation of Anglers and Hunters, Zone 5, attracted thousands of outdoors enthusiasts. The program included displays, demonstrations and competitions in all types of outdoor activities including dog trials, rifle shooting, fly-casting, camping and tent pitching.

## Aiming For Maximum Recreation Attendance

Richmond Hill Recreation Director Jean Thomson is aiming for as high a registration as possible for the town's summer playground program.

There were 1,071 children daily attending the 1962 playground season in the five areas; in 1961, the number was 935 and in 1960 when Mrs. Thomson took over the programme, 640 children.

Registration day is July 8 between 9.30 and 11.30 a.m. at Pleasantville, Beverley Acres, MacKillop, Walter Scott, Crosby Heights schools and the town park. Mrs. Thomson has asked that as many as possible register the first day although registrations may be made at any later date.

There is no registration fee and youngsters are advised to go to the playgrounds nearest their home. Children from five to seven are to attend in the mornings from 9.30-11.30 a.m. and from eight to 12 years from 1.30-3.30 p.m.

Richmond Hill Constable D. Young will be on hand the first

## Doan School Srs. Take Ball Trophy With No - Hitter

Ross Doan Senior Boys Baseball Team are pretty proud this week.

Last Wednesday, with the help of their ace hurler Lloyd Logan who pitched a no-hitter, the school team in competition with all the Vaughan and Woodbridge public schools, emerged as Vaughan Township softball champions by beating a team that held the trophy for six years.

Score against Concord School's team was 10-0. Game was played on the Powell Road School diamond.

The tourney has been an annual event for 10 years. This year, 20 area schools split into three groups of four teams played off to appear in Wednesday's final. Doan beat Woodbridge School 4-1 to enter against the champion Concord team. The team is made up of boys from grades five to eight.

## TOWNSHIP SCHOOL AREA OF VAUGHAN SALE BY TENDER

SEALED tenders will be received by the undersigned up to 3.00 p.m. Thursday, July 18, 1963 for the purchase of 1 Armo Steel Building 24' x 80' x 14'. Removal to be completed prior to August 22, 1963.

This building, formerly used as portable classroom accommodation, may be inspected at its present location, 41 Spruce Avenue, Richvale.

All tenders must be clearly marked and designated as "Tender for Purchase" and be submitted on a cash basis at time of award.

The highest or any tender not necessarily accepted.

Norman C. Jackman, Business Administrator, Township School Area of Vaughan, Municipal Building, Maple, Ontario.

## Kinsman Park Slugfest Gives Dynes 9-4 Win

Dynes Jewellers came up with a very convincing win over Franklin's Men's Wear in a Metro Major Fastball League fixture at Kinsman Park on Tuesday of last week. This park located in the Yonge St. Finch Ave. area was jammed to capacity with the expectation of seeing a fast, exciting game. Despite the 9-4 Jewellers' win the game was a rouser all the way.

Franklin's elected to start their veteran ace Norm Bagnell on the mound. Jeweller batsmen showed no regard for past reputations and proceeded to belt Bagnell's slants for four back to back singles and three runs in the first inning. Ken Coultres, Ray Judd, Neb Gayman and Sil Steffan all connected for singles.

To spectators it seemed as if the game was going to develop into a rout in the early innings. But the game was far from over at this point. Freddy Thomas, ace centre field patroller for Franklin's poled a deep home run shot into right field and the Franklin squad was very much back into the ball game.

Ron Cox took over the pitching duties for Franklin's and held the Jewellers from further scoring until the fifth inning. Franklin's scored again in the third inning as Charlie Burns singled, stole second and moved into score on a single by Pete Conacher. Dynes enjoyed a 3-2 lead at the end of the third inning.

The Jewellers added their fourth run in the fifth inning as Ken Coultres walked and scored on two errors committed by Charlie Burns playing third base for Franklin's.

In the bottom of the fifth inning Burns drew a walk, the first given up by Judd this year and came in to score on a long home run ball by Pete Conacher. The teams were

## Members Sought For Track Club

The Richildea Roadrunners Track Club are seeking members, both boys and girls, who are interested in track and field events. This club is primarily interested in the promotion of age class track and field in this area and will operate with this aim in view.

Age class championships are arranged in four divisions - junior under 20, juvenile under 18, midget under 16 and bantam under 14. The club plans to train at Aurora High School and the Richmond Hill High School grounds and the program will include all track and field events.

Meets will be held throughout the summer with the important meet, the Ontario age class championship to be held on July 13 at Agincourt High School and Northview Collegiate. On August 8 the road runners will sponsor a twilight meet at Aurora and will include track and field events plus relays.

Prospective members must purchase an A.A.U. card for \$1.00 plus paying a nominal entry fee for meets attended. There is no entry fee for track club membership.

For further information about the club contact Hugh Cameron, 266 Harrygan Cres., Richmond Hill or phone TU. 4-5823. Cameron is the secretary of the road runners and will be able to answer any questions a candidate may ask.

## Judd Sets New Ball Record

Ray Judd set a new strike out mark in the New Toronto Softball Tournament last Saturday as he struck out 23 batters in 14 innings. Dynes Jewellers were facing Gazzolda and Allen and the Jewellers eked out a 1-0 win over the G and A Squad. Previous strikeout mark for the tournament was 25.

Franklin's Men's Wear, paced by the pitching of veteran hurler Norm Bagnell, downed the Jewellers 1-0 in the nightcap to win the tourney. A tired Jeweller softball team took it easy over the weekend after playing 58 innings of softball from Monday to Saturday.

This Thursday night a large crowd is expected at the Richmond Hill Town Park as Franklin's and Dynes will square off in a Metro Major Fastball League fixture. Game time is 8:15 p.m. and seats should be at a premium.

## Fish Reported To Be Bait - Shy

Fishermen who got out two weekends ago reported reasonable success angling for the wily pickerel with some fair-sized fish ending up in someone's fry pan.

Anglers at Bobcaygeon hadn't much to show but a trip for their efforts. Three good-sized pickerel were reportedly landed at lock 38 on the Trent Canal while lock 37 produced not much else but sunburns. Fishing in Canal Lake is reportedly fair to good. The Severn River was mighty poor for pickerel as were most all of the favourite fishing spots in southern Ontario.

Pike were biting well in Cooke's Bay with a couple of good sized catches reported from the Severn. Trout are still being taken in most areas although not in any large quantities. Even in the far northern reaches of the province, the fish just don't seem overly hungry, as the weather generally remains unsettled.

There's a bound to be better weather ahead because it couldn't be much worse.

NORTH YORK. - IODE Children's Hospital announced it would join forces with North York General Hospital to finance a children's wing of 100 beds. Construction of North York Hospital will begin early in 1964 at Highway 401 and Leslie St.

## CKEY Good Guys Play In Thornhill

Citizens of Thornhill are locking up their horses and boarding up windows in preparation for the visit of the CKEY Good Guys on Wednesday, July 3. It is the avowed intent of the G.G. (Good Guys) to stage an exhibition of a game they laughingly call softball.

Not merely content to stir the citizens of this peaceful town with their prodigious display, they intend to go even further and play against a team known as the Thornhill Wildcats. And the Wildcats are a girls softball team! That'll give you a rough idea of just the kind of people these G.G.'s are!

Scene of this earth shaking spectacle will be the Lions' Park in Thornhill with blast-off time set for 6.45 p.m. Duff Roman, Joy P. Finnegan, the Voice (alias David Mickie) and Bill Brady will make up a goody part of the invading G.G. horde. Proceeds from the game will go to help the Gordon Clow family in their time of trial. If you've got Wednesday, July 3, free why not head for Thornhill Lions Park and see a sight you'll be able to recount to your grandchildren. Help a good cause by showing up.

## ONTARIO WATER RESOURCES COMMISSION NOTICE OF EXPROPRIATION

To Frank A. Estabrooks and Elva Estabrooks. TAKE NOTICE that by registration of a Plan and Description on April 10, 1963, as Number 6811, the Ontario Water Resources Commission has acquired ownership of an easement over the lands set forth in the lands hereinafter described. The purpose of the easement and the nature of the work to be done is the installation of a water main.

Every person having any claim to compensation must file the same in the office of the Commission within six months after registration of said Plan and Description or, in the case of land injuriously affected, within six months after the injury complained of, or in the case of a continuing injury within one year from the time when the injury began or became known to him.

This notice is given in accordance with Section 22 of The Public Works Act, and Section 19 of the Ontario Water Resources Commission Act. All claims should be served on the Ontario Water Resources Commission, c/o Chief Property Agent, 801 Bay Street, Room 618, Toronto, Ontario.

The following is a description of the said lands over which the easement has been acquired: That certain parcel or tract of land and premises situate, lying and being in the Township of Markham in the County of York and Province of Ontario, containing by admeasurement an area 0.062 Acre more or less and being composed of part of Lot 1 in Concession 2, the boundaries of the said parcel being described as follows:

PREMISING that the southerly limit of said Lot 1 has a bearing of North 74 degrees East and relating all bearings herein thereto;

COMMENCING at an iron tube found in the said southerly limit distant 585.22' measured South 74 degrees West therealong from the limit between the east and west halves of said Lot 1, said iron tube being distant 2,702.84' measured North 74 degrees East therealong from the southwest angle of said Lot;

THENCE North 74 degrees East along the said southerly limit, 100.00' to an iron tube found;

THENCE North 8 degrees 44' West along the easterly limit of lands described in registered instrument Number 39989, 27.22' more or less to an iron bar planted in a line drawn parallel to the said southerly limit and distant 27.00' measured northerly therefrom at right angles thereto;

THENCE South 74 degrees West along said parallel line 99.98' more or less to an iron bar planted in the westerly limit of lands described in said instrument Number 39989;

THENCE South 8 degrees 42' East along said westerly limit, 27.22' more or less to the point of commencement.

DATED at Toronto this 17th day of June, 1963.

ONTARIO WATER RESOURCES COMMISSION H. H. Mitchell, Chief Property Agent.
