

**Play At Open House**

Pipers and Drummers of the City of Belfast Girl Pipers, resplendent in the MacGregor tartan, have captivated the crowds wherever they have played during their three-week stay at the L.T.B.&O. Home, north of Richmond Hill. They are pictured above as they played for the large number of the Orange order from all over Ontario who attended open house at the home on Sunday. Almost 4,000 people braved the rain to enjoy the afternoon's programme. On Monday the band played at the Ontario Hospital at Aurora.

Next Monday evening at 7:30 they will play for the residents of Richmond Hill in the town park. The programme of music and dancing will be preceded by a parade on Yonge Street from the town hall to the town park.

**Nature Hikes  
This Weekend  
In Five Areas**

A series of conducted nature hikes will be held for the public in five conservation areas this coming week-end (July 20-21) by the Metropolitan Toronto and Region Conservation Authority.

Experienced personnel will serve as guides on the hikes, each of which takes about one hour to complete along the picturesque nature trails in the areas.

On Saturday, the hikes are scheduled for the Boyd conservation area near Woodbridge at 2 p.m., 4 p.m. and 7 p.m.; and at Albion Hills conservation area, five miles north of Bolton on Highway 50 at 3 p.m.

On Sunday, hikes will take place at the following areas: Albion Hills at 2 p.m.; Glen Haffy, 1 mile south of Mono Mills and Highway 9, at 4 p.m. and 7 p.m.; Claremont area in Pickering Twp., 1 1/2 miles north of Highway 7 on No. 10 Sideroad, at 4 p.m., and Greenwood area, 4 miles north of Pickering Village on the Greenwood road, at 2 p.m. and 7 p.m.

Those taking part in the hikes will have an excellent opportunity of observing the flora and fauna of the respective locale.

There is no charge for the hikes, only the nominal 50-cent parking fee for cars. Persons wishing to take part in the hikes may obtain further information by telephoning the Conservation Authority's offices at AV. 5-5425 during normal office hours.

**High Taxes Scare Business Away**

High taxes in Newmarket are ruining commerce there, charges Elvio Del Zotto, Toronto lawyer, on the management of Newmarket Plaza Ltd. He claims that of the plaza's annual rental revenue of some \$240,000, more than \$67,000 goes in municipal taxes.

"This is better than three months' revenue. Even in Metro Toronto the rates rarely exceed one and a half to two months' revenue," declared Mr. Del Zotto.

In a recent judgment, courts found in favour of the plaza management and ruled the property's assessed land values be lowered \$40,000. The town's court of revision earlier allowed a reduction in building taxes. But Mr. Del Zotto said an appeal will be made seeking greater reductions.
