These books will be sold from Monday to Friday of the week of August 26th from 1 p.m. to 3 p.m., and also on Wednesday the 28th from 7 to 9 p.m. c/w *****

Richmond Hill Town Council Briefs

Richmond Hill Town Council Monday awarded a contract to the George W. Porter Construction Co. for the sum of \$5,784.30 covering the extension and paving of Enford Road to the Elgin Mills Sideroad. The Porter firm's bid was the lowest of seven tenders received. The highest price was from Dufferin Construction Co. at \$8,234.90. Council budgeted a total of \$10,000 for the acquisition of .378 acre of land, paving and the construction of a daylight corner. *****
 Council delayed final approval of its Sunday sports by-law until town officials have conferred with Solicitor J. D. Lucas regarding several points. Sunday sports will be permitted between 1:30 to 6 p.m. every Sunday afternoon. The following sports are covered in the

by-law, hockey, baseball, football, lawn bowling, soccer, tennis, cricket, lacrosse, skating, basketball, rugby and track and field. Council removed a clause from the by-law which would have banned the use of a public address system in connection with any sporting event. Voters last December approved Sunday sports by a large majority. *****
 Following an evaluation by Chambers and Meredith council has made a final settlement of \$4,500 with the owners of the Gural property located on Crosby Ave. The town expropriated approximately one acre of the Gural property for the widening and paving of Crosby Ave. south of Newkirk Road. *****
 First three readings were given bylaw 1120 to authorize

Mayor Neal and Clerk Lynett to enter into an agreement with the Ontario Water Resources Commission to build a trunk sewer at an estimated cost of 23,500 from Pleasantville to a new one in Vaughan near the hospital. *****
 York Sanitation Co. Ltd. Newmarket, has offered to take over the extra monthly refuse collection now being carried out by the works department at a tender price of 55c per person per annum. Councillor Campbell suggested the works committee give the matter its careful consideration. The town budgeted \$12,000 this year to cover the cost of this extra service. Mr. Campbell asked the committee to determine what savings could be made in both staff and equipment by having this service handled by an outside contractor. *****
 First three readings were given to a bylaw dedicating Industrial Road from Enford Road to the C.N.R. right of way as a public highway. *****
 Council considered a complaint from the management of the Kent

Clothes junior softball team regarding the curfew on the lights at the town park. Kent officials claimed that during a recent game the lights were suddenly turned off without warning at 10:50. At the time of the sudden darkness the Kent team were losing 9-8 and were at bat in the bottom half of the eighth inning with a man on first. The Kent aggression play at the town park every Tuesday evening starting at 7 p.m. Describing the matter as an "unfortunate incident" Councillor White reported the game was late in starting and hadn't got underway until 9 p.m. The parks board have made a ruling in the matter and the lights are now flicked on and off as a warning at 10:50, with the final turning off at 11 p.m. *****
 Council accepted a recommendation of its police committee that in future the town hire no relatives of any police officers currently serving on the force. Council also instructed the clerks office to make regular payroll deductions from the men for both police association and credit union dues.

Glassco Grandson Is In Serious Condition

The condition of 18-month-old Benjamin Glassco, grandson of former Royal commission chairman J. Grant Glassco, is reported as remaining serious by officials at Toronto's Hospital for Sick Children. Police said the baby, son of Mr. and Mrs. William Glassco, of Maple Sideroad, near the Cold Creek Farm, escaped a playpen in front of the family home and tumbled into a swimming pool. Found submerged in three feet of water, he was revived by his uncle, Dr. John Evans, of Toronto. Vaughan Township firemen accompanied the child to hospital keeping an inhalator in readiness during the trip.

Hospital officials said the child was suffering respiratory difficulties and shock, due to consumption of a large quantity of water. Former Royal commission Chairman Glassco, a key figure in financial circles, was author of the much-publicized reports on government organization. Five reports by the commission were recently issued concerning a massive study into administrative efficiency of the federal government. Mr. Glassco was also touted as a possible Progressive Conservative nominee for York North during the last federal election but later denied he had even been approached by the party.

4500 Pine Poles Peeled And Piled By Department

This coming week will see the completion of a pole production operation which has been underway for some time in Simcoe County Forest, near Orr Lake headwaters. Approximately 4,500 red pine poles have been harvested during the past five weeks. One of the most interesting features of this operation has been the peeling which was done by a chemical peeling machine. The peeler is owned by Domtar Chemicals Limited and was loaned to the Department of Lands and Forests for the project. The poles were harvested from a 35-year-old red pine plantation in the agreement between the department and the Ontario Forestry Commission. The poles were cut to proper lengths, the peeling gang moved in - six men - who moved the poles to the machine, operated the machine and stacked the peeled poles in a special way to facilitate quick drying. Operations were under the direction of Zone Foreman William Irwin and Clifford Duckworth from the Angus Zone Headquarters with Department staff from the Orr Lake, Hendrie and Wildman forests taking part. When final costs are determined and several modifications in the method of operation are made, the department will be in a position to offer a contract to a private operator for an entire operation of this kind, that is: cutting, producing poles and pulpwood, peeling and piling.

Neighbourhood Notes

This week, local farmers look forward to completing the grain harvest. Mr. Charles Hooper, who does custom combining, said last week that most of the work was completed for this year and other farmers concur. It has been a dry season for the most part, and there has been no major delay at the grain elevators as there was the last two years, when excessive dampness caused the grain blowers to clog and hold up workers, trucks and farm help as a consequence. Young people from the three local churches held a picnic last Sunday at Pictou Sands, in the Port Hope area. Mr. and Mrs. Fred Mitchell of St. Petersburg, Florida, and Mrs. Morrison Sellar of Brantford were guests at the Rodick farm this week. Mrs. Jean Cook went to Owen Sound last week-end to be present at a trossseau tea for a young relative. This Saturday Mr. and Mrs. Milton Sherman and Mr. and Mrs. Elgin Sherman will join her for the wedding. Other Owen Sound visitors will be Mrs. S. J. English, who will visit Mrs. John MacGregor and Mr. and Mrs. Ray McTavish will be guests at a 25th wedding anniversary for Owen Sound friends. Mr. and Mrs. Alex and their family visited in the neighbourhood last weekend. The Alex' now live at Shanty Bay, near Barrie. Local people are finding it well worth the effort to attend Brown's Corners United Church these summer Sunday mornings. Mr. Idris Hamid is a thought-provoking and fluent speaker, and he is full-time minister during Dr. Binning-

ton's vacation. Last Sunday Mrs. Clayton Jones sang.

Mrs. S. J. English hit another milestone Thursday of last week, and among those who helped her celebrate were Mr. and Mrs. K. C. Gray, Mrs. Donald Reesor and Gerald, Mrs. Clayton Jones and Gail, Dr. and Mrs. Ed Bartram and Ted were week-end visitors. Wedding Guests Among the guests at the Carson-Burr wedding which was solemnized at Brown's Corners United Church last Friday evening were Mr. and Mrs. Walter Craig and Janet, Mrs. S. J. English, Mr. and Mrs. Russell Boyington, Dr. and Mrs. George Kelly, Mr. and Mrs. Ernest Walton, Miss Dell Stephenson, Mr. and Mrs. Ron Musselman, Mr. and Mrs. Edgar Fuller and Joy, Mr. Ken Foster, Mr. and Mrs. Aubrey Stephenson, Mr. and Mrs. Bill Allen, Mr. and Mrs. Allan Orr, Mr. and Mrs. Harvey Brown, Mr. and Mrs. James Gordon, Mr. and Mrs. James Wolfe, Mr. and Mrs. Murray Brown, Mr. and Mrs. Henry Allen and Brian, Mr. and Mrs. Russell Rowntree, Mr. and Mrs. James Grainger, Miss Sadie Galbraith, Mr. and Mrs. Harshaw Mason, Mrs. Victor Taft and Janice. Rev. Dr. A. F. Binnington and Mrs. Binnington returned from vacation for the ceremony; Miss Joy Fuller played the wedding music, and Mrs. Allan Orr was soloist. At the reception, Mr. Aubrey Stephenson was toastmaster. Guests attended from Ottawa, North Bay, Tillsonburg, Orillia, etc. The bride and groom are presently on a motor trip to Cape Cod and Washington, and on their return will live in Richmond Hill. Beverley is a teacher on the North York Staff, and Keith is a member of the High School staff in King Deputy-Reeve Charles Hooper

Markham Twp. Council Briefs

Markham Township Council at its recent meeting requested the Board of Transport Commissioners to install automatic signals at the John Street CNR crossing. Reeve W. R. Dean noted there were "lights on all other crossings in the area except this one." Mention was made of complaints by residents of the John Street area against the blowing of train whistles at the crossing but no action was taken. Council flashed the green light on its parks and committee decision to accept cash instead of park-land from two subdivisions in the Bayview - Steeles Ave. area of Markham Township. The housing developments, Wycliffe Homes Ltd., and Premium Holdings Ltd., paid \$17,640 and \$3,675 respectively to the township. Council agreed that the two areas were located nearby to park-land. The money received in lieu of five per cent land area will be funneled into the purchasing of new park-land in the Thornhill area. A \$1,000 grant toward the construction of the new village arena at Markham Village was passed unanimously by council. The grant had been allowed for in the yearly estimates. Council officially granted a licence to Margaret Worsnop, 16th line and Don Mills Road, for the purpose of operating an antique shop. The shop in question has been operating there for a number of years.

Markham Township Council at its recent meeting requested the Board of Transport Commissioners to install automatic signals at the John Street CNR crossing. Reeve W. R. Dean noted there were "lights on all other crossings in the area except this one." Mention was made of complaints by residents of the John Street area against the blowing of train whistles at the crossing but no action was taken. Council granted permission to Hi-Way Construction Ltd. to increase its working hours to 8 p.m. for the next two weeks. Previous working times had stretched from 7 a.m. to 6 p.m. Complaints had been trickling in from residents complaining of the company working beyond the 6 p.m. working hour. Councilors philosophized that "the quicker the job is done the sooner the noise will be too." Council granted Morden Building Products use of 27 feet of township land abutting its property for the purpose of installing septic tank systems on condition the land would be available to the township when and if it desires, to widen the road. Council asked that a legal draft be prepared to ensure it would not be liable for any damage to the septic tank area. Total value of buildings in Markham Township in July was set at \$273,000 with residential comprising \$242,000 of this amount, and industrial \$16,800. The low rate of industry in the township continued to plague the council.

NORTH RICHVALE NEWS

Correspondent: Ed. Baker
 67 Weldrick Rd., TU. 4-0016

"The Liberal" is very pleased to announce the appointment of Mr. Ed. Baker, 67 Weldrick Rd., as our news representative in North Richvale. If you have any items of local interest please forward them to Mr. Baker who may be reached by phoning TU. 4-0016. Mrs. Les Winstanley, 41 Pemberton Road, left Malton recently for an extensive trip in Europe. She spent a few weeks in England and then to Athens from where she will travel by yacht to Turkey and back to Rome. She plans to go to Berlin where she will be joined by her husband for three weeks before returning home. Miss Virginia C. Chevis of Weldrick Road has been transferred to Fort Churchill, Manitoba for one more year of hospital training as a nursing assistant. Her first year was spent between Camp Borden and Kingston Military Hospital. Her father, Mr. C. A. Chevis is president of the North Richvale Ratepayers Association. Mr. and Mrs. V. Griffin, 36 Pemberton Road, spent last weekend visiting with Mr. Griffin's parents in Haliburton. Mrs. A. V. Miller of Brighton, Sussex, England, is on an extended visit to her son-in-law and daughter, Mr. and Mrs. Baker, Weldrick Road. Mr. and Mrs. John Gully of Stayner, Ont. visited her sister Mrs. William Pearson for the weekend. This was quite an occasion as Mr. and Mrs. Gully have a small farm and seldom find time for visiting. Mr. and Mrs. Reg Cass, Pemberton Road, visited with friends over the weekend in the Georgian Bay area. From New York Mr. and Mrs. George Masters and family from New York State over the weekend visited with their relatives Mr. and Mrs. Ray Masters and Mr. and Mrs. George Masters, all of Weldrick Road. I think everyone will join me in a farewell to Mr. and Mrs. John Lunn and family, Weldrick Road. Good luck to you all in your new home at Cape Breton, Nova Scotia. Birthday greetings to Collin Baker, 12, on Sunday. Mr. and Mrs. E. R. T. Park of Lake Cowichan, B.C. have been visiting their son and daughter-in-law at 260 Weldrick Road since last June. Mr. and Mrs. Park left their Vancouver Island home in early May for a leisurely trip across Canada by car. Enroute they visited friends and relatives. Their tour takes them to Scotland in mid-August aboard the Empress of England and back to Toronto via Trans Canada Air Lines in early October. They will leave Richmond Hill sometime that month returning to the west coast by car.
