

# County Silent On Bayview

Richmond Hill Reeve Floyd Perkins last Wednesday battered away at York County Council on one of the area's major road headaches . . . Bayview Avenue.

There was little or no comment after Mr. Perkins completed a resume of the road's ills and complaints by its users.

He asked the county to consider putting Bayview reconstruction high on its list for 1964 projects.

"This matter is of vital concern to Richmond Hill, particularly the stretch between Markham Road and Elgin Mills Sideroad. Richmond Hill Council is sympathetic but has done all it can do. It is now up to the county," he said.

He told council members a delegation of Markham and Richmond Hill councillors has met several times with County Roads Engineer, A. J. Rettie. "We have approved engineering plans

for the work and we have agreed to the internal distribution of costs for things such as storm sewers and curbs and gutters to be paid within the two municipalities."

"We have also agreed to as early a start as possible," the reeve said.

"This is a heavily populated area as well as a by-pass for Highway 11. The maintenance cost of the section for the Department of Highways is very high," he said.

Mr. Perkins said the road was a mass of potholes following last week's heavy rains. "It is just a waste of money trying to grade and treat it."

He referred to a delegation which appeared before Richmond Hill Council a month ago when parish priest Father F. C. Robinson, Our Lady Queen of the World Church and a representative of Dan's Esso Station presented a 130-

name petition from merchants and residents which called the road "a menace to safe driving and a deterrent to future development, sales of homes in the adjacent subdivision and private businessmen" and requested immediate action on the proposed improvements.

### Promise A Delegation

"We promised the delegation we would bring this to county council," Mr. Perkins said.

Richmond Hill Deputy - reeve Stanley Tinker said the special committee concurred with any future plans Toronto and York Roads Commission might have with the development of Bayview south of Markham Road.

Markham Reeve Wilfred Dean said he felt the road should receive consideration in next year's county budget.

Earlier, Mr. Perkins had estimated the project would cost about \$200,000.

### D. S. Barton

A funeral service was held last Saturday at the Pipher Funeral Home, with E. J. Stark officiating, following the death August 14 of Daniel Seymour Barton, 60, of 79 Carville Rd. Mr. Barton died in Branson Hospital after a lengthy illness. He had lived on Carville for a year and had resided in Kirkland Lake where he was well known and Toronto.

Born in Ottawa, he was part-time help at his son's Yonge St. service station. He is survived by his wife, sons Donald, Daniel, Tim and Michael, and daughters, Mae, Betty, Judy, Ruth and Miriam; his mother, Mrs. Barton of Toronto; a brother, Garnet, in Ottawa, and Mrs. E. Clark of Ottawa.

He was a member of the Jehovah's Witnesses. Interment was in Maple Cemetery, with pallbearers, Mr. McRoss, Mr. W. Redding, Mr. R. Toal, Mr. H. Lackin, Mr. C. Estey and Mr. N. Hackey.

### Double Whoa!

One of the more unusual sights around town is this double stop sign at the north-east corner of Bayview Avenue and Markham Road. The sign was installed to offset the bright lights from Allencourt Shopping Plaza making it difficult for the motorist to see the stop.

## Hospital Grant Boost Affected By Building

Commenting on last week's announcement that provincial government hospital grants will be increased, Douglas Storms, chairman of the York Central Hospital Board of Directors, said proportion of grants had not been worked out by the Ontario Hospital Services Commission.

"We don't know yet what York Central will receive in grants," he said.

Hospital Administrator Gary Chatfield said the grants will be based on the part of the hospital still to be constructed. "No formula for our percentage has been decided," he said. Most of the hospital's exterior work has been completed with the bulk of the work to be finished inside.

In announcing the change, Premier John Roberts said the

## York Farmers To Boost '65 Plowing Match

York County will be represented in the 1965 World Plowing Match to be held in Caledon in October, the local match committee agreed at a recent Newmarket meeting.

Site of the 1965 match will be the Massey-Ferguson Farms in Milliken, committee chairman Winfred Timbers, Stouffville reeve, said.

It was felt that York participation in the IPM in Caledon in afternoon parade on opening day October 8 and throughout the matches will serve to publicize the 1965 event.

Mr. Timbers said those named to the local executive had a great responsibility in planning for 1965. Tentative appointments were made to three committees. These include publicity committee, Norm Garrick, Woodbridge; Jerry Walker, King; Dean Hughes, Unionville and Gordon Orr, King City all to work with G. Shepherd.

Lawson Mumberson, Ernie Crossley, Jack MacKinnon and Marion Gillan were proposed for the ticket committee and Harry Walker, William Sellers, Albert Rutherford, Mac MacKenzie and one executive member were named to the finance committee.

Present at the meeting were Mr. Timbers, Jesse Bryson of Vaughan, Sheldon Walker, East Gwillimbury, Stanley Walker, Stouffville, E. J. Norris, Georgina and Ray Jennings of King.

SCARBOROUGH: Council has submitted an offer of \$4,600 per acre for 44 acres of land presently owned by the Boy Scouts Association of Canada as a possible hospital site. Council has previously considered a 45 acre parcel owned by Miller Paving which would cost more than \$200,000. The Scouts use the land for camping and hikes but the land on which the hospital would stand is not used for any specific purpose.

## NORTH RICHVALE NEWS

Correspondent: Ed. Baker  
67 Weldrick Rd., TU. 4-0016

A get-well message from everyone to Glen Middleton, five and a half-year-old son of Mr. and Mrs. Bob Middleton, Pemberton Rd., who was burned in a grass fire in this district, April 6.

Glen has just returned home after extensive plastic surgery for third degree burns on his leg. It was felt he would recuperate better at home than in hospital. He expects to be in a cast until August 23.

Perhaps this is a good time to point out the danger of grass fires to children and how fast they can travel in dry weather, which under the right conditions is a lot faster than humans can move.

**Social Note**  
Miss Blanche Trussell, another visitor from England who came to see her niece, Mrs. Irene Craigie, Weldrick Rd., for a two-months' holiday, has decided she likes Canada and will extend her visit for an unlimited time.

**Overseas Vacation**  
Mrs. Hazel Lenton and daughter, Mary, of Weldrick Rd., on a visit to relatives in England and Jersey in the Channel Islands, are enjoying themselves very much and wish to be remembered to all their friends and neighbours.

**Fishing Trips**  
Mr. Jim Craigie, Weldrick Rd., and his two sons, Alan and Neil, went on a camping and fishing trip around Napanee last weekend.

Mr. and Mrs. James Trussell, Weldrick Rd., spent last weekend on a camping and fishing trip at Bancroft.

Mr. Ed Baker and his sons and daughter went on a fishing trip last week in the Muskoka area and, apart from rain, rattlesnakes and having their food eaten in the night by raccoons, had a good time.

### Birthdays

Stuart Hiltz, May Ave., 13, on Aug. 15; Norman Henderson, May Ave., 12, Aug. 14; Mrs. Dorothy Baker, Weldrick Rd., Aug. 25; Miss Rosine M. Hopkins, Weldrick Rd., Aug. 25, and Miss Blanche Trussell, Weldrick Rd., Aug. 27.

Miss Dorothy Abbott of May Ave., with a friend, Miss Gail Masters, Weldrick Rd., visited at her sister's in Keswick for a few days.

**Wedding Anniversary**  
Mr. and Mrs. Roy Masters, 96 Weldrick Rd., celebrated their 17th wedding anniversary last Saturday. Owing to Mr. Masters' recent illness they spent a quiet evening dining out before attending the theatre in Toronto.

**Ball Game Fun**  
A good time was had by all at the mall carriers' game at Ross Doan School, Weldrick Rd., last Wednesday. This was the third game played by Richmond Hill P.O. against different post office teams, who were undefeated until they met the Thornhill P.O. players. Score for Thornhill was approximately 23-17. I say approximately because as everyone was having so much fun, they forgot to keep score after a time. At the end of the game, all retired to the home of Mr. Bernard Corless, Elgin Mills Sideroad West, for refreshments.

Mrs. Elina Ritchie Templin, daughter of Mr. and Mrs. R. Ritchie, Pemberton Rd., is living with her husband in Johannesburg, S. Africa. Mrs. Templin, an

accomplished concert pianist, has just been given the opportunity to perform with a symphony orchestra conducted by Mr. Maurice Handford of Manchester, England, when it plays for the South African Broadcasting Corporation. Mr. and Mrs. Templin have lived in South Africa for the past five years but plan to return to Canada next year.

### Car Club

Good luck to the Knights Car Club, a group of young men from our district who, instead of hot-rodding around the streets and causing trouble, formed the Knights Car Club so they may help drivers they meet with car difficulties, and falling in the water. Clubmaster to promote good driving habits Ken Woods was assisted by among themselves. If anyone Albert O'Brien and John Ste-

### Scout and Cub News

Although only six Boy Scouts, all from the First Richvale Troop, turned out last Saturday for the trip to Halton County Forest, the boys had a wonderful time and were very well instructed by Mr. Dave Bruce and Mr. Murphy, both foresters with the Department of Lands and Forests. The trip illustrated the work of a county in its efforts to produce a valuable crop of wood in soils which were too poor for agriculture. These grounds are for the use of the public, with ample room for picnics and bird-watching, and streams for fishing, all within easy reach of the district. Fifteen boys from the First Richvale Cub Scouts had a good time during their weekend camp at King Haven farm near King City. After a hike through the woods, the boys enjoyed a marshmallow roast around the campfire. Everything went smoothly except for the usual boyish pranks and three of them met with car difficulties, and falling in the water. Clubmaster to promote good driving habits Ken Woods was assisted by among themselves. If anyone Albert O'Brien and John Ste-

East Richvale Ratepayers are holding their annual picnic, September 7, at Greenwood Park, and the time is 3:30 p.m. Belated birthday greetings go out to Mrs. Ruth Gerard, 16th Ave. Ruth was very surprised when friends dropped in from the area and Buffalo. This party was held as a swimming one. Prizes were awarded to Ed Harvey for the twist, Bob for staying in the pool the longest, and Linda Harvey for the nicest costume.

Belated birthday greetings go out to Mrs. V. Leitch, 16th Ave., whose birthday was Aug. 3. Deborah and Billy Hewitt, 16th Ave., are spending a couple of days with Mr. and Mrs. E. Graine, Toronto.

Mr. and Mrs. W. E. Perry, Duncan Rd., are home after holidays at Lake Joseph.

Mr. H. G. Naden, Duncan Rd., is home after spending two weeks in Branson Hospital. Mrs. Naden at present is not well with the hot weather we have been having but she still wishes for her friends and neighbours to visit.
