> Glass Is Broken But Dishwasher Happy About It Broken water-glasses aren't exactly uncommon in the

dishwashing world but it all depends on how they This was the case in a Richmond Hill restaurant recently when Wilson Strowbridge, 217 Beechy

Dr., dropped a table knife into a glass while washing dishes in the kitchen. True to tradition, the glass broke but not into pieces. Just one section shattered and left a hole

described as "almost shaped as a perfect heart." Mr. Strowbridge is ordinarily quite unimpressed by the dubious merits of broken glasses.

"But this is different," he says. "I'm going to keep it for sentimental reasons, it's beautiful. Mr. Strowbridge took it home with
