**Win Ball Game**  
At Saturday night's ball game played in Aurora between Richmond Hill mail carrier and Aurora, Richmond Hill again pulled a game out of the hat by winning 9-3. We believe it was mainly through the professional batting of third base man Len King and catcher Hank Crocker. Although not an expert on baseball, I understand the catcher is supposed to catch the ball in his hands, not in his eye. Our mail carrier-catcher has been sporting the most beautiful rainbow-coloured eye since Saturday's game. After-game festivities were held at the Aurora home of Bob Davies.

**STOUFFVILLE**: This town's firefighting crew will be recipients of a thousand-gallon tank truck provided by Whitchurch Township Council in conjunction with the township Federation of Agriculture. Stouffville has undertaken to provide storage for the truck and to man the apparatus when it is required at fires.
