an Indian football game. Try it and see if it doesn't bring back a lot of memories as well as providing an afternoon of real football excitement.

ARENA READY BY OCTOBER 15

Work on Richmond Hill Arena is progressing so rapidly that it begins to look as if the opening will be right on schedule. Due to technicalities, the start of work was delayed to the point where a lot of people despaired of the arena being ready before New Year's Day at the earliest. A real crash program by the local builders, Deciantis and Rice, and the ice will most likely be ready for the middle of October.

The new dressing rooms and shower facilities will come in for a real workout as a big hockey program is already planned for the upcoming season. Speaking of hockey, it's interesting to hear the opinion expressed that hockey, professional type, that is, is not in as much favour with parents as was once the case. Parents are tending to favour football, because the game has a direct tie-in with education, while a boy climbing through junior hockey ranks gets a haphazard education in a lot of cases. This is only one man's expressed opinion, but he has a lot of arguments going in his favour. He could quite conceivably be right!

DYNES LOSE 3-0 AT C.N.E.

The C.N.E. softball tournament was a short-lived affair as far as Dynes Jewellers were concerned. Oshawa Tony's nipped the Jewellers by a 3-0 score. One run was scored via the most strategic play in softball, the home run. The other two runs were the direct result of Jeweller errors.

Sponsor Vern Dynes has expressed the desire to enter a team into the World's Softball Tournament. The Jewellers learned that they have a long way to go yet before they can go into such fast competition. As far as hitting goes the Jewellers outthrew Tony's 5 to 2. Defensively they gave away a lot to the Oshawa team and they'll be concentrating on this aspect of the game in no uncertain manner.

A Dynes Jeweller team will compete in the World's Tournament, but not immediately. It is a long-term project as far as Vern Dynes is concerned. But one thing is for darn sure. One of these fine days Dynes will be represented in the Big Apple of the softball circuit!

HEADFORD NEWS

Mrs. Loren Guild Phone TU. 4-3040
R.R. 2, Gormley

For Headford children there will be no change in school bus route or time table. All children north of 16th Avenue on the Third Line will be picked up at their homes last year. Grades 1, 2, 6, 7, 8 will get off at No. 4 school. Grades 3, 4, 5 pupils will remain on the bus and continue to No. 7 school. ALL SCHOOLS will dismiss at 3:30 p.m.

IMPORTANT: Will parents please see that each child will show to the bus driver the paper, received through the mail, that has the name and destination of the pupil. If this has been lost, will the parent write the name and destination of the pupil on a slip of paper? Will the children please retain these papers and show them if necessary to the driver until he is accustomed to his passengers?

Team Feted
Members of Headford baseball team and friends were feted at a party following the

Supersonic Boom Wakens Citizens
Memories of the disastrous explosion and fire at Maple on August 4, 1962, were revived vividly at 2:15 Friday morning of last week.

Citizens were awakened by a great booming noise, windows rattling and beds shaking.

Among those who leapt from bed to check the sky for the glow from the expected fire was Richmond Hill Fire Chief Alfred Stong. Unlike the others Chief Stong was not able to return to bed and slumber when he could see no evidence of fire. Citizens enquiring as to the location of the blast caused his phone to ring repeatedly for some time.

Daylight hours brought the explanation that the noise and vibration had been caused by American military jet planes breaking the sound barrier over Lake Ontario. The planes were on a joint NORAD strategic air force exercise.

R.H. Juveniles Score Upset Victory

By RON CRAINE
Richmond Hill Juveniles, a dark horse softball team if there ever was one, pulled a surprise win over Scarborough in the first round of the O.A.S.A. juvenile "A" series playdowns. Not given an outside chance by the experts, the local kids confounded convention and refused to play dead for their supposedly invincible foes. The end result was, the Richmond Hill kids advance into the second round of the playdowns while the Scarborough squad goes into early retirement.

The Richmond Hill Juveniles are not even a regular team. During the season all the players play on various teams in the Richmond Hill Minor Ball Association and play their regular scheduled league games. As the time for O.A.S.A. playdowns drew near, players were drawn from the various teams in the league to form an O.A.S.A. competitor. Under the R.H.M.B.A. rules no player is allowed to wear spiked shoes. Only three members of the squad even own a pair. This lack gave Scarborough a whopping win in the first game of the best two out of three series.

On a rain-soaked, slippery field, the sure-footed, spiked Scarborough players romped to a 17-0 win while the local lads slipped and slithered hopelessly in smooth-soled running shoes. The experts appeared to be justified. Scarborough was obviously the superior team.

After two innings of game number two which was played in Richmond Hill, Scarborough led 8-0. The "experts" were right once again. It was going to be Scarborough in a breeze. To load the odds even more against the Richmond Hill team, pitcher Dave Deighton had his thumb smashed by a line drive. Only a miracle could give Richmond Hill a win and even the series. They came up with an inspired effort and made their own miracle!

Bruce Sim went in to pitch for the injured Deighton. He pitched a better than average game and blanked Scarborough from any further tallies on the score sheet. His teammates played inspired ball behind him. Catcher Frank Pirri was as solid as a rock while each Dubkowski ranged round the base paths like a will of the wisp. Final score? Richmond Hill 17, Scarborough 8, and the series all even at one win each.

The third game was set to go at 6 p.m. on Saturday night in Richmond Hill, and no one but the Richmond Hill kids themselves gave them much of a chance of toppling Scarborough. With Deighton sidelined, Bruce Sim started on the mound for the local lads. Sim went well until the 4th inning but as his arm went sore he was forced to retire in favour of George Hopkins. Richmond Hill was leading in the eighth inning when the game was called because of darkness. Reverting to the seventh inning meant that the Richmond Hill kids defeated Scarborough 7-5 to win the series. But it wasn't easy. Three players gave their all in an effort to achieve victory. Actually everyone on the team gave with everything he had but Chapman, Ball and Hunter were outstanding. Ball led the hitting offense with three singles and a double in four trips to the plate. Hunter was covering first base like a real veteran and his timely grabs on several occasions. It remained for Chapman to make the picture play of the entire series.

Let's set the situation. Two men out, runners on first, second and third, and a potent Scarborough batsman at the plate. Out in left field we have Mr. Chapman. The batter finds the range and rifles a low dropping drive into left field. This could be the ball game! Chapman moved fast to his right but the ball was dropping and fading away from him. A sudden dive, a desperation stab and, with the ball in a death grip, Chapman slid wildly across the ground. But it was the third out and this catch put out all Scarborough hopes of further O.A.S.A. play. Sometimes determination can produce a seeming miracle!

Richmond Hill Town Council Briefs

The town will effect temporary repairs to the portion of the asphalt apron on town property fronting Barth's Cleaners, and place a temporary barrier at the curb-line to prevent traffic cutting the corner to avoid waiting for the stop-light signal to change. It was decided at Monday night's council meeting.

A permanent concrete curb will be installed if approved by the Department of Highways, to eliminate the possibility of the town being involved or held liable in damage claims.

Councillor Walter Scudds asked if chlorine is added to the sewage pumping stations regularly, reporting that recently in passing one he had noticed an offensive smell.

Works Commissioner O. To Whalen replied that addition of chlorine was being done regularly, but re-

cently the superintendent had been on vacation and lack of supervision had led to the offensive odor. Every effort, he claimed was being put forth to see that there would be no repetition.

It was reported that the chlorine seemed to be doing the job well, but that some further time was needed to verify this before the town invests in permanent installations which would involve an expenditure of some \$2,000.

The quotation of Richmond Tree Service and Forestry Company for the removal of two dead trees on town property at Arnold and Centre Streets of \$60.00 was accepted.

"The green belt is important but Crosby Park must be completed. It is the only park in a large area and a good job should be done on it," commented Councillor Alex Campbell, when the parks committee asked how much money would be available in the number 3 account for the sodding of two

areas of green belt in the eastern portion of town.

The number 3 account contains lot severance payments collected from subdividers which must be spent in the area from which they came. The other number two fees collected before this provision was mandatory and may be used for capital expenses anywhere in the municipality.

Councillor Walter Scudds reported there was some money left in the parks committee's budget and that he would report to them that there was \$3,200 in the number 3 account which could be available, so that the committee may inform council of the exact amount needed.

Medical Officer of Health Robert M. King was requested to set up a programme for vaccination against influenza for town employees. Such service will be free and on a voluntary basis.

Deputy-reeve Tinker reported that the proprietor of Adis Fish and Chips has agreed to pay an additional \$35.00 license fee for the year 1963 for operating his truck in Richmond Hill. Reeve Perkins pointed out that Adis had paid the fee he had been asked to pay, and that it was not his fault that he had not been charged the correct amount in the first place.

Further revision was made to the amendment to Bylaw 1111 which deals with fencing in the town, so that fences may be pickets, ranch style or chain link, unless the chain link fence is along a highway.

The provincial electoral revising officer will be permitted use of the committee room in the town hall

THE TOWNSHIP OF MARKHAM COMMITTEE OF ADJUSTMENT

Notice of Hearing

Notice is hereby given of a hearing to be held by the Township of Markham Committee of Adjustment at the Municipal Offices, Buttonville, R. R. No. 2, Gormley, Ontario, on Thursday, September 5th, 1963, at 7:30 p.m.

Nature of Application

The application to be heard has been submitted by Wycliffe Homes Limited, owners of Lot 162, Plan M-941. The owners request a variance from the provisions of By-law 1767, Paragraph 15, sub-paragraph (1) (d) requiring the sum of the width of both side yards to be not less than 20% of the total lot frontage while in fact it is 15%.

Signed written submissions on this application will be received by me at this office prior to the hearing.

M. A. N. Shenfield, Secretary, Township of Markham Committee of Adjustment.

THE TOWNSHIP OF MARKHAM COMMITTEE OF ADJUSTMENT

Notice of Hearing

Notice is hereby given of a hearing to be held by the Township of Markham Committee of Adjustment at the Municipal Offices, Buttonville, R. R. No. 2, Gormley, Ontario, on Thursday, September 5th, 1963, at 7:30 p.m.

Nature of Application

The application to be heard has been submitted by Plaxton and Deane on behalf of Onway Construction Company Limited, owners of Part of Lot 1, Concession 4W. The owners request release from the provisions of By-law 1957, Section 17 (1) as amended in order to erect an addition to a building 6 feet from the side lot line rather than 20 feet as required by the By-law. Release is also requested from the provisions of By-law 1957 Section 9 to permit open storage yards for raw material with reversion to the present use at the termination of the lease or in the alternate use of the lands as an Asphalt and Concrete Plant.

Signed written submissions on this application will be received by me at this office prior to the hearing.

M. A. N. Shenfield, Secretary, Township of Markham Committee of Adjustment.

Accident Reports

Markham Police reported damage was an estimated \$1,000 following an accident on the 6th Concession, north of 18th Avenue when a car driven by Herbert Hyland, Lawrence Crescent, Toronto went out of control and struck a concrete bridge. There were injuries and no charges, police said.

Damage totalling \$350 when cars driven by Kenneth Moreland, 47 Halcom Rd., Willowdale and Kenneth Reesor, Unionville were in collision on 18th Ave. and the 5th Concession. No one was injured and there were no charges laid.

Richmond Hill Police reported an accident Sunday on Yonge Street when cyclist Olaf Siebert, Baker Avenue, was injured following a collision with a car driven by Horace Larkin of Willowdale. The accident is under investigation.

A theft of a spare tire and rim from William Neal's Garage on Yonge Street Saturday is under investigation.

Reid's Win Opener

Reid's Auto Body won the opening game of the R.H. M.B.A. juvenile playoffs last Sunday as they downed "The Liberal" by a 15-12 count. A grand slam homer by Kirby Brock was the strategy employed by Reid's to achieve the win. Against this sort of strategy no team can hope to win!

Reid's hurler Bill Hamilton went the route and was never in really serious trouble. "The Liberal" squad started with John Quinton on Dave Deighton. Deighton came into the game with an injured thumb on his pitching hand in splits. Jettisoning the split and bandage, Deighton pitched well enough to keep "The Liberal" in contention until Brock's hit wrapped up the marbles for Reid's.

Rev. John Ward Moving To Galt

Rev. John Ward of St. John's Baptist Church in Richmond Hill will be preaching his last sermon in the area this Sunday at Thornhill Baptist Church. On September 8, he will be in the pulpit at Delta Park Baptist Church in Galt where he and his wife have been transferred after two and half years of organizing the St. John's congregation here. St. John's which has a congregation of about 30 has been worshipping at the Richmond Hill Library for its Sunday services; they hope eventually to embark on a building program. Mr. Ward who has been a Baptist minister for nearly 20 years has seen service in Whitby, Fenelon Falls, Durham, Windsor, Ingersoll, and Whitby. No replacement has yet been named. "We have enjoyed our work here very much. I hope the church will go on in its present situation," Mrs. Ward said.

DONCASTER

Correspondent David Barbour Henderson Ave. Phone AV. 5-5205

Mr. and Mrs. Charles Jordan, of 131 Morgan Avenue, celebrated a memorable occasion Friday, August 23 when they observed their silver wedding anniversary. A total of 22 guests attended the party.

Mr. and Mrs. Jordan also said goodbye to their brother and sister-in-law, Mr. and Mrs. William Jordan, of Brockville, who left for home after spending a week in Doncaster.

The Bracey family of 108 Morgan Avenue is playing host this week to Mrs. Brock's brother and his family, the Allan Boyles of Esterhazy, Saskatchewan.

In Branson Hospital Mr. George Morrison, of Langstaff, formerly of Lancaster, is in Branson Hospital recovering from surgery performed Friday, August 23.

Visiting the H. Flewelling family of Glen Cameron Avenue are relatives, Mr. and Mrs. B. Brown of Elora.

The William Menzies family of Glen Cameron Avenue spent the past week collating at Brock Beach near Collingwood.

Mrs. C. Russel of Proctor Avenue has returned home from Fort Francis, Ontario, where she had been visiting relatives for the past three weeks.

Blows Five Birthday Candles Out

Darlene Kindness, of Henderson Avenue, had a big celebration Thursday, August 15. It was her fifth birthday and she blew the candles out too.

Miss Anna Capperter, of Dundas, Ontario, was guest of the Barbour's, of 140 Henderson Avenue, from Friday, August 23 to Tuesday, August 27.

Mr. and Mrs. Francis Baxter, of 157 Clarke Avenue, and Mrs. Ena Crowhurst, of 154 Clarke Avenue, are enjoying the company of Mr. and Mrs. Hugh Baxter, of Montreal.

Mr. and Mrs. Baxter are parents of the Francis Baxters of Doncaster. Mrs. Hugh Baxter and Mrs. Crowhurst are sisters. Their two-week stay in Doncaster concludes with this week.

Scholastic Awards
The Doncaster Community Ladies Club scholastic awards to Doncaster students attending Thornhill Secondary School will not be presented at the school's annual commencement program as in previous years. It will be held at an as yet undetermined date in October.

DEPARTMENT OF HEALTH TOWNSHIP OF NORTH YORK
NATIONAL IMMUNIZATION WEEK
Sept. 22-28, 1963
May I remind you to consider whether you have taken your share in protecting by immunization of your children, yourselves, your neighbors and your community from these dreaded diseases: Smallpox, Diphtheria, Poliomyelitis. Consult your Doctor during the week of Sept. 22-28.
Be Wise—Immunize
CARL E. HILL, M.D., M.O.H.

BRAKE LININGS

To avoid accident, sometimes it's necessary to "stop on a dime!" This, you can't do, when brake linings are dangerously worn. Better play safe, and let us check yours NOW. We'll re-line your brakes, if need be, at modest cost.

GET THE FAMILY SIZE FROM YOUR MERCURY DEALER

Put it on a boat and put them in water. You immediately have fun... enough for the whole family. They all come in small packages but in different strengths.

You can get instant fun (a new 1963 Mercury outboard) from your Mercury dealer. He will put a new Merc on the boat of your choice and match the power to the boat. There's a wide range from which to make your selection... 6 to 100 horsepower, in 2, 4, and 6-cylinder in-line outboards.

The instant fun shown above is the new Merc 650... 65 hp, the most powerful 4-cylinder outboard ever built by Mercury. It has the same pistons, piston rods and robust gear case as the mighty Merc 1000... Mercury's 100 hp outboard. Its new balanced manifold system lets it idle smoothly and it will pop skiers out of the water with ease. The Merc 650 is truly a family-size outboard.

Visit your Mercury dealer and see all the new Mercs. He'll show you that even the family size is the economy size. Mercs give you more RUN for your money. Now made in Canada at new low prices.

MERCURY

100, 85, 65, 50, 35, 20, 9.8 and 6 hp outboards
