St. Matthew's Corn Roast Set For September 7

Late in May, members of St. Matthew's H.I.C. had a half-acre behind their church ploughed, and for the second successive year planted corn for a corn roast in the fall.

Plans for the corn roast itself are now being finalized with the date September 7; the time 8:30 p.m. and the place, St. Matthew's United Church, Crosby Avenue.

Everyone is invited whether or not they attend St. Matthew's.

In addition, two other H.I.C. groups are expected to attend. Friday evening, the H.I.C. will be setting up camp for the arrival of St. James H.I.C. from Peterborough, who will stay the entire weekend. Saturday evening before the corn roast itself, Barrie Central H.I.C. should arrive.

Entertainment will be provided, not only by the corn from the field, but probably by some corn from the H.I.C.'s. Real attraction of the evening, however, will be the square dancing called by Mr. Norman Anderson, who is donating his time to help make the affair a success.

Admission prices have been lowered from last year to enable more people to enjoy the night of fun.

MARKHAM: Village councillors heard a final progress report on the new arena which is at the point of completion with only some wiring yet to be installed in the ice plant. Official opening is slated for September 6.
