## Former Chairman Claims Board Spends Too Much

Charging the North York Board of Education with having "champagne tastes", township councillor Frank Watson has proposed a motion to end the "free wheel spending practiced in the past by the board."

His motion to give the municipality control over capital spending of its current tax money by the Board of Education, is under consideration by North York Council.

Councillor Watson said he has no quarrel with the amount of debenture money spent each year by the board. This is carefully scrutinized by both the Metropolitan School Board and the province, he said.

But he does contend the township should have the right to regulate the capital expenditures out of current funds. The board has been exceeding the Metro ceiling price for schools by about 10 percent, he commented.

This year, he estimates the board will spend \$750,000 in excess of the ceiling set by Metro and predicts the figure will rise to a million dollars in 1964.

Mr. Watson said North York Board must learn to live within the ceiling set by the Metropolitan School Board and curtail their thirst for expensive extras.

Municipalities across the province are taking a new look at their obligations to their school boards following the recent incident in Ajax.

The school board there compelled the town to raise \$60,000 for construction of a gymnasium.

Mr. Justice Campbell Grant of the Supreme Court of Ontario ruled that while municipal councils could be compelled to raise funds required by school boards to meet operating expenditures, the councils could refuse to provide money for capital expenditures out of current revenue.

With School Section No. 6 in area number 3 closed, the school board had some intricate planning to do. They had to arrive at the greatest good for the greatest number for re-zoning the classes. Grades 1 and 2 from all sections will attend the school nearest their home. Class arrangements have been worked out to facilitate teacher-pupil relationships in the matter of numbers in the class and for the most convenient transportation. The plan is as follows: All pupils north of 17th Avenue on Don Mills Rd. in grade 1-5 inclusive will go to No. 7 school, and all pupils south of 17th Avenue on Don Mills Rd. in grades 1-5 inclusive will go to No. 5 school. Please note that all pupils for grades 6, 7, and 8 and auxiliary class will attend No. 4 school.

A successful chicken barbecue sponsored by the Victoria Square District Lions Club was held in the Victoria Square Community Hall Wednesday last week with Lion Clarence Steckley as chairman.

A lucky draw for a sponge cake beautifully decorated and made by Mrs. Clarence Steckley was won by Bruce Hazelwood of Richvale.

Entire proceeds will be used for community purposes.

New enclosed entrance of the new community hall donated and being erected by the Lions Club is taking shape very rapidly, and will make a decided improvement to the hall.

The north end of the building and part of the east side will be faced with cedar planks, across the north side will be a stone wall planter.
