RON CRAINE

### SCORES HOLE-IN-ONE AT LOCAL CLUB

There are old golfers and young golfers, duffers and experts. Some golfers play their best game in the locker room while others stay out on the course until the last faint rays of the sun are just visible above a darkening horizon. Then there's always the golfer who's ready to bend your ear about breaking 100 or 90 or whatever. On the other hand there is the type of golfer who just plays the game for the fun of it. When something unusual happens he's very happy but keeps it to himself. He's the modest golfer. Mr. Bill Boone of the Richmond Hill Golf Club is the epitome of the modest golfer clan.

Messrs. Jack Sweetman, Bill Bridgeman, Don Haacke and Bill Boone were playing in a foursome on Sunday, August 25th. Nothing too much out of the ordinary occurred until the fourteenth hole. Bill Boone got the thrill most golfers get only once in a lifetime, if ever. He rapped in his tee shot for a classic hole-in-one.

The fourteenth at Richmond Hill is a 170 yard, par three effort. Bill used a four iron and saw his shot disappear into the cup. Now, as most everyone knows, a hole in one can cost a small fortune. One of the pleasant customs has the lucky man buy refreshments for everyone around the club house. It can cost a bob or two in a busy club. But the fortunate Mr. Boone had been far-sighted enough to purchase hole-in-one insurance. Let somebody else worry about paying for the refreshing potions!

It also happened that he was using a McGregor ball when all this happened, and hit the said ball with a McGregor club. As a memento of the occasion the ball will be mounted and presented to him by the McGregor company. Should make a nice conversation piece for some years to come.

Belated congratulations, Mr. Boone. Better keep up that hole-in-one insurance. It could happen again!

### PLAN TURKEY SHOOT

The newly formed Cedar Rod and Gun Club has a turkey shoot all set up to go on October 5th. Here's a good chance for you sporting types to latch onto a nice fat bird just in time for Thanksgiving.

Site of the shoot will be the Bayview Cedars Horse Ranch at the corner of 19th Avenue and Bayview. Action will commence at 10 a.m. and, in addition to the turkeys many door prizes will be given out. There'll be something for everyone and all you'll have to do will be to follow the arrows to Bayview and 19th Avenue.

Turkey shoots come down to us from one of the earliest of pioneer traditions. They are just as good sport now as they were in the time of Davy Crockett and the Green Mountainmen. Step right up, ladies and gentlemen, there's a winner each and every time — well — almost every time!

For anyone interested in joining the Cedar Rod and Gun Club, meetings are held every Wednesday night in the banquet room of the Town Inn Restaurant, Richmond Hill. Membership quotas are rapidly filling up but there are still some spots left open. If you are at all interested, head for the next meeting Wednesday and you'll be greeted by a very congenial group of men with a common interest.

### DYNES ON THE MARCH

Congratulations are in order for Dynes Jewellers softball team. Last Friday night they advanced into the third round of the O.A.S.A. Intermediate "A" Playdowns, as they defeated Chester Cleaners by a 2-0 count at Dieppe Park. Dynes won the series opener Thursday night in Richmond Hill in a 14-inning 1-0 cliff-hanger. For died-in-the-wool softball filberts the Thursday night game in Richmond Hill packed more sheer drama than "Gone With the Wind" and more suspense than Alfred Hitchcock could ever cram into one of his spectaculars. A few more games such as this and the stands in the park should be groaning under a maximum spectator load!

So now it's on to round three where the competition gets just that much tougher. But like someone once said (no, it wasn't Confucius) "When the going gets tough, the tough get going." And on any given night the Jewellers can be a mighty tough team to beat. This same team has brought a lot of kudos and publicity to Richmond Hill this year and it's not over yet.

(Continued on page 10)

## Appoint Manager

Members of the local arena association have announced the appointment of a new manager for Richmond Hill Arena. Mr. Bill Mabett of Newmarket comes to Richmond Hill Arena with three years experience as an ice maker and many years of experience in operating concessions and managing clubs.

Present indications are that the arena will be ready to open on or close to the October 15th date with just minor jobs remaining for final clean up. Refreshment facilities will be enlarged and the present snack bar stocks will be increased to include a greater variety of foods.

Deciantis and Rice, contractors for the arena enlargement have worked long hours to ensure the opening of the arena as soon as possible. They have already made several suggestions to gain time and to reduce the cost of the overall job.

## Golf Is A Fun Game

The sun shone brightly Saturday on Canadian television, entertainment and sports personalities as they shot a few rounds of golf in the celebrities' golf match at the Richmond Hill Golf and Country Club, with proceeds going to Variety Village's school for crippled children. From left are Joy Jasper of Etobicoke who, with Judy Welch of Toronto, was an honorary caddy, from the Walter Thornton model agency. With the "caddies" were Jackie Davis, organist at the Embassy, Miss Toronto 1963 Carole Goss, and Frank Shuster.

## Plan R.H.M.B.A. Tabloid Sports September 14th

Teams in the pee-wee and squirt age groups of the R.H.M.B.A. will be treated to a tabloid sports day in the town park on September 14. This will wind up the season as far as softball for these groups with the exception of teams involved in final play off series.

Girls' teams and the boys' bantam age group teams will take part in a round robin softball tournament to end their seasons. Action will start at 9 and end at 5:30 p.m. and there'll be a little something for everyone including refreshments. The kids will end the year on a high note so if it is at all possible come on out and cheer them on.

## Hockey Registration Begins Sept. 14

Registration for hockey in the R.H.M.B.A. will begin September 14 at the scout hall next to the arena in the town park. Registrations will be accepted from 9 a.m. until 4 p.m. for all age levels. Final registrations will be made one week later September 21 at the same location.

Registration fees this year will be \$5 for the season. A charge of 25c will be levied for admission to each game or a player may purchase a season's pass for an additional \$5 charge. A season's pass for father, mother and son can be purchased for \$10.

It is expected that registrations this year will be very heavy. Plan to get yours in early and avoid possible disappointment.

## Richmond Hill Rink Is Second, Dominion Play

Only two points separated the Ontario rink from the Canadian championship in lawn bowling last week. James Grainger, Al White, Russell Lynett and Ed Lane, of the Richmond Hill Lawn Bowling Club, won the right to enter the dominion championship by winning the provincial championship at the beginning of the month.

In their first game at Hamilton they defeated a powerful Manitoba rink and then went on to triumph over the rink from the Province of Quebec. The third round saw them lose to Alberta but they came back in the fourth game to defeat Saskatchewan. For their fifth opponent they drew the powerful British Columbia rink. British Columbia won the championship when they defeated the rink from Richmond Hill 18-16 in the final game on

## Northwestern Wins 20-6

## Hemming Stars; Indians Lose Opener

Richmond Hill Indians lost the opening game of the Toronto Rugby Football League schedule to Northwestern Ghosts at Keele'sdale Park last Saturday. The Ghosts capitalized on breaks to hit for three touchdowns, two of which were converted. Lone Indian touchdown came off a 22-yard gallop through the middle by Fullback Terry Hemming, and the conversion attempt went astray.

The Indians were in trouble before the game got underway. Backfielders Levi Snook and Ian McIntosh were not available for the game and several other Indian stalwarts were sidelined by failure to meet the 165 pound weight requirement. In an effort to achieve an effective attack Coach Del Madeley was forced to weaken his defensive unit. The Indian pass defense was woefully weak and all Ghost touchdowns were scored through the air. For the Indians the attack was spelled HEMMING.

In his first start as offensive fullback Hemming tore Northwestern defenses to shreds. On his initial carry from the fullback slot he reeled off a 16 yard gain through the centre, a play he was to repeat again and again throughout the game. Northwestern started double-teaming him in an effort to contain him but he was still able to ramble for sizeable gains.

Hemming also demonstrated a great pass catching ability and a tremendous drive on end sweeps. Defensively he was a tower of strength and on two occasions broke through Ghost defenses to just miss blocking kicks. Despite the Indian loss the game was a personal triumph for the alert Hemming.

His performance caught the eye of Ed Mitchell of the Lakeshore Bears junior football club. Besides losing the game it is quite possible that the Indians suffered a double loss. Mitchell seemed quite confident that Hemming could move into a spot with the Lake-

shore club and have his future football career guided by ex-argo Nick Volpe. Terry Hemming has a burning desire to play football in professional ranks and this could be the first step of the way toward the achievement of that ambition.

Northwestern hit for the first of their three touchdown plays midway through the first quarter. A towering Northwestern punt slipped through the fingers of Jeff Orr and was recovered by the Ghosts on the Indian 20-yard line. The first play was a pass deep to the end zone with the Ghost receiver all alone deep in pay dirt territory. The conversion attempt was good and the Ghosts jumped into a 7-0 lead.

Early in the second quarter a Northwestern fumble was recovered by the Indians on the Ghost 40-yard line. A series of short pro passes moved the ball to the Ghost 22-yard line and Hemming hurtled through the middle to go over standing up. The conversion attempt was not good as the pass from centre went astray.

The Indians kicked to Northwestern to open the third quarter and the Ghosts proceeded to take advantage of the weakness of the Indian pass defence. They moved to the Indian ten yard line and were then stopped cold on two line losses.

## O.A.S.A. INTERMEDIATE "A" FINALS

### OWEN SOUND
