FOOTBALL AT TOWN PARK SATURDAY A note for all you football fans. Richmond Hill indians will open the season at home this coming Saturday at the town park. Kick-off time is set for 2 p.m. The Indians are a fast, streamlined ball club this year and should be a tough nut for any team to break their teeth on.

Coach Del Madeley will have his charges all fired up and ready to defend the Toronto Rugby Football Union Title they won last season. If they hit opposing teams as hard as they belt each other in practice scrimmages then something's got to give! The hard running of Levi Snook and Terry Henning has been very impressive but equally impressive is the fact that no one has been scrambling out of their

Game time is 2 p.m. at the town park. It's a great way to spend a Saturday afternoon and the action is torrid from start to finish. In this league everybody gives 110% all the time and the spectators are always the big winners. Come on out and see!

Dynes Jewellers moved into the third round of the pa O.A.S.A. Playdowns last week as they won two straight games over Chester Cleaners of Toronto. On Thursday night the Jewellers won a fourteen inning marathon contest by a 1-0 score and returned to Dieppe Park on Friday to shut

out Chesters 2-0. The game in Richmond Hill on Thursday was a classic pitchers' duel. Ray Judd struck out 32 Chester batters over the 14 inning distance while Bob Domik fanned 25 Jeweller hopefuls. Judd gave up two hits while Domik was tagged for seven safeties.

Five times in the first nine innings the Jewellers got men on the basepaths with two men already out. Each time the threat was squelched and the game

hit off Domik in the fourth inning and Judd singled in the sixth. Bill Robson singled in the seventh inning and that was all for the Jewellers until Brent Selvage hammered a single in the eleventh. Stan Thornington singled in the twelfth and Neb Gayman and Gary Smith hit safely in the fourteenth to account for the Jewellers' seven hits.

Catcher Don Oitment of Chester Cleaners got a single off Judd in the tenth inning and left fielder John Huether got the second and last Chester hit in the top of the fourteenth inning. For sheer excitement and drama the whole game was a spectator's delight. It was the Jeweller bench

strength that won them the ball game. Neb Gayman opened the bottom of the fourteenth inning with a single only to be forced at second Pinch-hit double in the 14th as Sil Steffan hit into a inning of the first game.

fielder's choice. Gary Smith came in to pinch-hit for Ken Coultes and rapped out a sharp single to move Steffan to third. Smith went pitch to Bill Robson. Robson drew an intentional pass as the Chester strategy was to load the bags and play for the force.

Stan Thornington proved ing for 35. the strategy false as he lifted a drive to centre field. Chester centre fielder Mew Mellish made the catch as Sil Steffan tagged up at third. Mellish made a desperation heave towards the plate but Steffan beat the throw by inches to score the winning run. The roar from the packed stands was deafening as the jubilant Jewellers rushed to congratulate Thornington and Steffan.

First baseman Don Bryson of Chester Cleaners set some kind of a record as he struck out five times in the game.

In the second game he was fanned four more times to end a series of complete per-

sonal frustration. Judd struck out 21 more down to second on the first batters in the nine inning tilt Friday night at Dieppe Park while Domik came back to strike out ten. Judd struck out 53 batters in 23 innings with Domik account-

Bill Robson accounted for the winning run in the Friday night game as he rapped out a double with Neb Gayman already on first base. Gayman turned on his dazzling speed to score the win-

ning run. Catcher Ken Coultis added an insurance run in the eighth inning as he blasted a home run ball that, for all anyone knows, could be still

going. Dynes open against Owen Sound in Owen Sound this Wednesday with the second game set for Richmond Hill at 8 p.m. this Saturday night. If this series should prove half as exciting as the last one then this is an absolute must for spectators.
