It's time for fowl suppers again. Tickets being in charge of Mrs. Aubrey Glass and Mrs. Marvin Hunter, both of R.R. 2, King.

One of several projects to benefit from the proceeds will be the purchase of dishes for the church kitchen.

**Welder Roast**  
Elmwood Park Cottagers Association held its annual corn and welder roast, and for the first time in many years, omitted the corn. Between 100 and 125 people (mostly children) attended and enjoyed the games, scrambles and the bubble-blowing contests. Many small prizes were given out for the various contests, etc. One prize was won by Mrs. Dorothy McMillan, Willowbank Ave., and Billy Good was also a winner. I think a vote of thanks is in order for Mr. Frank Woods, who decided that the kids shouldn't go without their welder roast this year. Many thanks also to Mr. and Mrs. Charlie Ingles, Bob Atcheson and Mrs. McMillan for making it possible to look after all the children, and I am told that a very good time was had by all.

**Shaky?**  
Many neighbours and friends will miss Mr. and Mrs. Murray Brown, Nancy, Susan and Billy Brown of Wildwood Ave. After living here for 10 years, the family is moving to Willowdale. Mr. Brown had been a member of the school board for the past few years and Mrs. Brown has been very active in the election campaigns.

A few friends gathered at the home of Mrs. Bernice Murray, Wildwood Ave., on Tuesday afternoon and after a lot of manoeuvring, finally Mrs. Brown arrived and was very surprised to see everyone gathered along with her sister who came up from Richmond Hill. Mrs. Brown opened her gifts with shaking hands but thought it was a lovely gesture on the part of her host and neighbours, when she opened a table lamp, cups and saucers, cake tray, and other items for their new home.

Attending the get-together was the hostess, Mrs. Bernice Murray, Mrs. Brown's sister, Mrs. Patricia Wilkinson, Mrs. Ellen Woods, Mrs. Dorothy McMillan, Mrs. Laura Stald; Mrs. Juanita Robinson; Mrs. Marg Ingless; Mrs. Lil Atcheson, and of course Mrs. Glenda Brown. Murray Brown also attended for the refreshments and the opening of the gifts.

**Herd Wins Top Honors At London**  
The cattle of the Oak Ridges Farms, owned by R. R. Dennis, have recently been judged as premier breeder and premier exhibitor in the recent shows at the "Ex" and also at London. Spring Farm Nancy Reflection was judged grand champion cow and the Holstein herd was also represented by the re-

tain presented the graduates of the home nursing course, held last spring with their pins and also presented Mrs. Viola Windsor her lieutenant's warrant, as Mrs. Windsor is now fully qualified. The girls will shortly commence a course in child care with a member of the St. John's Ambulance Brigade being the instructor. Adults are also invited to attend this course and we will publish the time when available to us.

**Cut By Glass**  
We do hope that Richard "Rick" Paul Soury, who makes his home with Mr. and Mrs. Tim Woolley, Yonge St., is now recovering from his accident suffered last Thursday, when the Glenville Dairy truck he was driving skidded on wet pavement and flipped over, throwing Rick on top of the load which consisted of broken bottles. Severe cuts from the broken glass, were suffered to head, body and limbs, and several hours were spent by doctors of York County hospital in removing fragments and glass splinters. The accident occurred in Newmarket and Rick was confined there.

**STOUFFVILLE:** In a semi-annual report to Whitechurch Township Council, Clerk-Treasurer Jack Crawford said the tax demand of \$625,063.26 would be subject to some minor adjustments. Tax arrears still unpaid in 1962 total \$74,412.79; for 1961 the outstanding amount is \$33,446.56. Total for 1960 and prior is \$35,309.17.

**Registration has already started** for the Aurora Minor Hockey League with September 14 and September 21 being the dates. Place: Aurora Arena, time; 9:30 a.m. to 12 noon.

We do hope Mrs. Joan Oxley is enjoying her visit with her family in England where she will visit for three weeks, returning September 27.

The Park Conservatory of Music will soon be teaching music in this locality to the music-minded; lessons will be starting shortly in the St. Marks' Anglican Chapel Rooms on Yonge St.

Congratulations to Mr. and Mrs. Lorne Daines, Willowbank Ave., on the birth of their baby boy September 9 at Newmarket hospital, and also to Mr. and Mrs. Bill Duncan, Elmgrove Ave., who now have three daughters, with a new sister for Kathy and Carol being born at Newmarket September 8.

**Guide News**  
The two Guide troupes have now resumed their meetings, starting September 9, with girls from Ashe's Booth, south and west on the South Road and in Oak Ridges, having their meetings at St. Paul's United Church, South Road and the girls from Ashe's Booth, north and west, along the North Road, and Lake Wilcox, meeting at Lake Wilcox school on Wildwood Ave. Any information wanted on the Oak Ridges group will gladly be given by Mrs. Findelsen; 773-5578.

The 1st Lake Wilcox troupe welcomed two newcomers to their group, at their first meeting, when Beverley Fullerton and Betty Newth joined. There was very little chaos caused and no screaming, when a bat was thrown into their midst, and the girls and their leaders were very impressed to see a bat that close as it was disclosed that none had ever seen one.

**Miles Of Mud Brief Reprieve 47 King Students**  
Heavy rain early last Thursday morning meant miles of mud and a temporary holiday for 47 children of Eversley public school in King Township.

The two-roomed school is on the third concession line, a county road torn up nearly four miles between King Sideroad and Aurora Sideroad, in preparation for paving.

Teachers Miss Helen Thompson and Miss Patricia Macklin, who telephoned families school were not surprised to hear some of the youngsters respond to the news with enthusiastic comments like "oh good!"

## Termed "Necessary Evil" By One

# Ex-Trustee Complains Election Posters "Ruining King City"

Former Trustee Bob Berwick received little support from King City Village Trustees when he complained, "Election signs are ruining the appearance of King City."

At the September meeting, Chairman John Mann told Mr. Berwick, "the more signs, the more money flowing into our economy through printing and erecting." He added, "I may be biased; I'm in the advertising business."

Mr. Mann explained, "If a lot of people complain, then I'd be happy to go along with them."

Mr. Berwick replied, "People think enough about it to take down the signs."

The chairman challenged, "Why didn't you do something about it when you were in office last year?"

"The topic never came up," said Mr. Berwick.

Trustee Ross Farquhar felt nobody likes the signs. "They're a necessary evil. Last election most signs were down in two or three days. This is the shortest campaign and signs are the cheapest form of advertising."

Mr. Farquhar suggested some candidates' chances might be hurt if they couldn't campaign at little cost.

A letter from Frank DeCarle, secretary of King City's Legion Branch 438, requested discontinuance of services to the Legion Hall. Mr. Thompson reported he had attended to this. Trustee Mann noted Ontario Municipal Board had approved the third well project. "We should be starting work on it in the very near future. I expect we'll have the water before the end of the year or shortly after the first of the year."

He said the project would be undertaken under winter works. **Smaller Expropriation**  
Trustees have applied to King Township Council for a new by-law for the expropriation of .61 acres, instead of the original by-law for 2.99 acres for the well site. A new survey by John Moore, Ontario Land Surveyor, was included in the request.

The chairman explained trustees had been guided by the consulting engineers and the evaluator in revising the size of the expropriation request.

A letter from Township solicitor J. D. Lucas noted, "The engineers advise not all lands originally proposed for expropriation are required."

"Nothing We Can Do"

Trustees acknowledged a copy of a letter sent to Toronto and York Roads Commission and Department of Highways from King City resident John L. Grew, who recommended moving King Sideroad interchange northward.

Referring to the plan to have an access road from Schomberg through to Newmarket, Mr. Grew felt it emphasized his suggestion to close the interchange on 400 at King Sideroad and move it a mile and a quarter north to the next sideroad. "This would give two well-located interchanges from 400, the one I proposed and the one at the easterly extension of Highway 9, approximately 614 miles apart, between the Maple interchange and the Holland Marsh."

Mr. Grew contended the change would "more adequately serve main centres of population to the east and west of time asking that papers be 400 than present interchanges

at King Sideroad and one near Kettleby."

"They would also divert most of the heavy through transport and passenger traffic from the residential communities between 27, 400 and 404," he wrote.

"I trust you will give the foregoing your careful consideration, keeping in mind the welfare and safety of the children attending the three schools in King City," Mr. Grew's letter concluded.

The chairman observed, "There is nothing we can do about it."

A letter from the Hydro Homemakers' Service announced Miss Elizabeth M. Wilson from the Department of Fisheries would be available for the next six months to visit classes in the region.

**Replace Lights**  
Trustee Mann reported 12 new fluorescent lights, costing \$100.80 a unit without bracket and installation, had been delivered to replace older style lights.

"When seven more are replaced, perhaps next year, then every light in the village will be modern," pointed out the chairman.

A letter from Dr. Kenneth Lawson asked if village water would be available for property he hoped to acquire north of Doris M. Patton school. Dr. Lawson was prepared to pay cost of installation outside the village.

Trustees replied, "Because of the inadequate supply of water for our present population, any extension of the system is out of the question at the present time."

"However, we expect to have a further well in operation in 1964 and the trustees will be glad to grant the necessary permission when this new well is under way," trustees' letter concluded.

Trustee Farquhar moved that the secretary look into the cost of replacing old hydrants and report at the next meeting, September 23.

Trustee Mann announced, "We're still going ahead with plans for paving Patton Street." He said lamp posts had to be moved.

"We still hope and intend to have Patton paved by the end of this year," he said, a distance about 1,000 feet.

**Laurentian Honeymoon Will Live In King City**

In an afternoon ceremony in Christ Anglican Church, Woodbridge, Margaret Isabella Dobson, daughter of Mr. Arthur Dobson and the late Annie Dobson became the bride of Gordon Adams of King City, son of Mr. and Mrs. Samuel Adams of Georgetown, Rev. A. B. Cathcart officiated at the double ring ceremony. Soloist Miss Donna Whitmore sang O Perfect Love and the Wedding Prayer, accompanied by Miss Ann Whitmore at the organ.

Given in marriage by her father, the bride wore a floor length gown of chantilly lace and tulle. The bodice of lace was fashioned with a scalloped neckline offset with pearls and sequins. A crown trimmed with pearls held her waist length veil in place and her bridal bouquet was red and white sweetheart roses with stephanotis and ivy.

Flower girl, Anne McMinn, niece of the bride, was similarly gowned and the ringbearer was Bobby Adams, nephew of the groom. The best man was Mr. Kenneth O'Brien and the ushers were Mr. Ross Gillies and Mr. Hank Vanderpost.

Following a reception at the Summit View Gardens the couple left on their honeymoon to the Laurentians. The bride chose a white and navy suit with navy accessories and a corsage of red sweetheart roses. Upon their return Mr. and Mrs. Adams will reside in King.
