

Hundreds Make RHMBA Sports Day A Howl

The Tabloid Sports Day staged by the R.H.M.B.A. for young softball players last Saturday was a literal howling success. Hundreds of enthusiastic youngsters descended on the town park at 9 a.m. and proceeded to whoop it up until well after 5 p.m. En route they consumed gallons of pop, hot dogs and ice cream and had a thoroughly enjoyable day.

Squirt and Peepee
For the squirt and peepee boys there were contests of skill in which each individual competed in games of skill on a team basis. There were quoits, baseball accuracy throwing, putting a golf ball and several other contests. These games seemed to appeal to the younger set and each and every player enjoyed merrily in the fun.

When the results of various events were tallied up the Cardinals won the peepee series followed by the Red Legs with the Colts grabbing third spot. The

winning Cardinals were presented with crests.

In the squirt division the Virginians emerged victorious followed by the Bisons and Colonels. The Virginians won crests while the Bisons got pen and pencil sets for their second place effort.

Girls Softball
Mrs. Rickard piloted her team of Diamonds to a win in the softball tourney staged for the girls. The Diamonds defeated the Rubys 14-10 in the final game of the tournament.

Bantam Boys
The Yankees defeated the Twins in the final game of the boys bantam tournament by a 15-11 count.

Juvenile Boys
Last Sunday afternoon the juvenile series came to a close as Frank Murphy's Bayview Plaza B.A. team nipped Reed's Auto Body in an 8-7 squeaker. Going into the bottom of the ninth inning the teams were tied 7-7

but Bayview were able to score the run needed for the win.

Playoffs
With hockey looming large on the sporting horizon the playoffs in the squirt, peepee and bantam divisions are still to be concluded. It's been a most crowded season!

President Jim Mansbridge and members of his R.H.M.B.A. executive outdid themselves on the Tabloid Sports Day. They provided an eventful and entertaining day for hundreds of children and had a thoroughly good time doing it.

Literally dozens of volunteer workers made the event possible and to these good and kind people, coaches, parents and even the children the R.H.M.B.A. owes a big hearty thank you. Next year's executive will be faced with a real challenge right from the start. How can you top an event like this Tabloid Sports Day?

Markham Defers Against Request For Drag-Strip

Markham Township Councilors are still dubious about advisability of okaying a proposed "drag-strip" course north of Highway 7 on the 9th Line road.

It was decided Monday night to invite Ernest Chapman, the person making the application, to attend the next meeting.

Council's decision came after Clerk H. C. T. Crisp said information from the township's solicitor stated the bylaw prohibiting racing of motorcycles or motor vehicles would apply in the drag-stripping matter.

Members noted there would be objection to drag-stripping on Sundays if such a course was approved.

The proposed area is a 50-acre piece of land where a drag strip, grand-stand, concession stand, and a parking lot would be set up.

The strip would be used once a week to begin with and twice a week if attendance warranted it.

Blast Peterboro 5-0, 11-0

Dynes Jewellers breezed to a quarter-final victory in the O.A.S.A. Intermediate "A" Playdowns last week as they defeated Peterborough by 5-0 and 11-0 scores. It was obvious from the first game in Richmond Hill that Peterborough were just plain out of their depth and the only question remaining was how high the score would go.

In the opening game at Richmond Hill Ray Judd struck out 17, was nicked for two hits as the Jewellers seemed to coast to a 5-0 victory. Peterborough hurler Larry Marshall gave it the big try, struck out six but got poor support from the rest of the team as errors cost runs. Dynes notched only six hits over the nine inning route.

A cold wave came in on the wake of the rain and a goodly crowd of shivering spectators saw plate umpire Loring Doolittle and base

umpire Ron Bailey run the game off in one hour and five minutes. Despite a continuous heavy downpour of rain that persisted until a few hours before game time the playing field was in excellent shape and did nothing to hamper the playing of the game.

Skip De Geer notched a single and a double while Ken Coultres contributed two singles. Tony Centa and Ray Judd were each credited with singles.

The second game of the series was played in Peterborough on Saturday night and resulted in an 11-0 landslide victory for the Jewellers. It is kinder to draw a pall of silence over the whole debacle and get on with the semi-final series against either St. Catharines or Stratford.

The Jewellers have had signal success in the present playdowns.

505 Boys Register For Hockey

President Earl Methe announced that September 14 was a record registration day for the Richmond Hill Minor Hockey Association. Some 505 young hockey hopefuls signed registration forms to perform in the R.H.M.H.A. this coming season.

Registration was to commence at 10 a.m. at the Scout Hall next door to the arena. Shortly after 9 o'clock there was a lineup of 200 waiting for the registration booth to open. By four o'clock the tired registrars had processed the over 500 applications and sold a great many seasons tickets in addition. Mite and squirt age players seemed to predominate while registration in juvenile age groups was very light. Players can register next Saturday at the same place starting at 10 a.m. until 4 p.m. in the afternoon.

Would-be coaches are urged to contact president Earl Methe at TU. 4-3568 while referees should contact Ray Brooks at AV. 5-4330. The season will commence about October 20 and help is still needed in both departments.

1964 PLYMOUTH FEATURES STYLING, QUALITY

Displaying a striking new appearance, the 1964 Plymouth from Chrysler Canada Ltd. also reveals continued quality engineering in the body and chassis areas. Greater stress is placed upon safety, comfort and convenience. Each vehicle carries the famous Chrysler-only five-year, 50,000 mile warranty on the power train.

pret them with any degree of exactitude. If you contemplate having a go at the elusive and toothsome rainbow check with the Department of Lands and Forests first. They'll be able to tell you whether the area you propose to fish is legal or not. Could it be that they have some Chinese lawyers over at Maple?

APOLOGIES
Indirectly we owe some people an apology and others we owe a slap on the wrist with a damp noodle. The Indians (football variety) were scheduled to play a week ago last Saturday at Richmond Hill Town Park. We were so advised and proceeded to publicize the game forthwith. Somehow it didn't happen. The game was played right enough but played out in Etobicoke.

Whether or not anyone turned up in Richmond Hill to see the game we're not quite sure. If anyone did please accept a most humble apology.

The venue of the game was switched to Etobicoke for a variety of reasons all of which seemed legitimate to the Indian brass. They do however expect support from local fans. Once a game is advertised and billed for a certain location at a prearranged time then, failing some sort of disaster, that's exactly where it should be played. Only by demonstrating a sense of responsibility toward fans in the area can they expect conscientious backing.

So there's the slap with the damp noodle. From here on in games will be played at time and place called for in the schedule or the Indians will be the loneliest team in the league. And they're worth far more than such a cruel fate!

TURKEY SHOOT
Don't forget that come October 5 you Davy Crockett types can win yourself a fine, fat Thanksgiving turkey at the Cedar Rod and Gun Club turkey shoot. Scene of the sure as shootin' event will be the Bayview Cedars Horse Ranch at Bayview and 19th Aves. Action starts at 10 a.m. and goes and goes and goes. There'll be draw prizes, pony rides for the kids and a real host of other fine attractions.

This will be the first public event staged by the neophyte club and they intend to make it an affair that they'll have to strive to live up to in the future. If you are a veteran of turkey shoots or a complete novice then this is made for you and your family. Should be a lot of fun and an event worth looking forward to!

CHRISTENING
On September 15 the baby daughter of Mr. and Mrs. Ken Baker was christened Connie Wynn Baker. Rev. A. I. Higgins officiated at the service. After the service Mr. and Mrs. Ken Baker entertained 18 of their relations at dinner. Baby Connie had the honour of having among the guests her three great grandmothers, Mrs. Ness, Mrs. Thorne and Mrs. Campbell, plus her two sets of grandparents, Mr. and Mrs. John Baker and Mr. and Mrs. Bob Thorne.

Party
On September 13 representatives of Carrville community gathered at the home of Mr. and Mrs. Jack Bushell to honour a couple who are held in very high esteem in this community. The occasion was to honour Dr. and Mrs. Brock Walker on their recent marriage. During the evening they were presented with a gift by Rev. A. I. Higgins which represented just a small portion of all the best wishes and happiness we all wish for a truly wonderful couple.

Happy birthday to David Wark, and Lance Gray who have a mutual birthday on September 17. Birthday greetings to Mr. E. Bone who has a birthday on September 19, and to Darlene Hudson on September 22.

Come on folks! Let's hear from you about things that are happening. Your correspondent loves to hear from you. Call Avenue 5-4001.

CARRVILLE

Correspondent: Mrs. Gordon Read AV. 5-4001

Anniversary Sunday
Anniversary services will be held in Carrville United Church on September 22. The choir of Thornhill United Church has been invited to sing. It is hoped that many members and friends of the Carrville congregation will be present to celebrate this anniversary. Services begin at 9:45 a.m.

Money to purchase the land was raised by contributions from people interested in rugger, rummage sales, dances and fees paid to the ORU by member clubs. It is hoped to raise funds for the clubhouse in the same manner.

Markham Township Scene Of New \$50,000 Ontario Rugby Stadium

Twenty acres of land in Markham Township will soon be the home of a \$50,000 rugger stadium slated for completion by 1967.

The proposed stadium will seat 10,000 persons and will be located in the vicinity of Victoria Square and Don Mills Road. It is being built by the Ontario Rugby Union which purchased the land for \$13,850.

Officials are hoping to have six playing pitches in operation by September of next year and the full project, including clubhouse, tennis courts and swimming pool finished by 1967.

Four of the playing fields will be subset to Wanderers, Irish, Nomads and either Scottish or Saracens, all senior league teams for their exclusive use. The ORU will use the remaining two areas for games involving the other 32 teams in membership.

Jim Hamilton, vice-president of the ORU described the proposed stadium as a major step "in the development of rugger in Ontario and is in keeping with the increasing interest in the game in the past few years." Mr. Hamilton is also chairman of the grounds committee.

Ten New "Enthusiastic" Members Wanted By Rod And Gun Group

The Richmond Hill Cedar Rod and Gun Club has an opening for 10 new "sports-loving and enthusiastic" members.

The club now has a total of 24 members skilled in various facets of outdoor activity such as fishing, hunting, dog-training, decoy manufacturing, and other activities connected with sports.

Club officials are stressing any prospective member must be "very enthusiastic and carry a great love for sports activities."

It's not necessary for him to be skilled at any particular pursuit but he must be interested "in learning about vari-

ous activities."

New members will participate in fishing and hunting trips and in general enjoy all the benefits that come with being a club member.

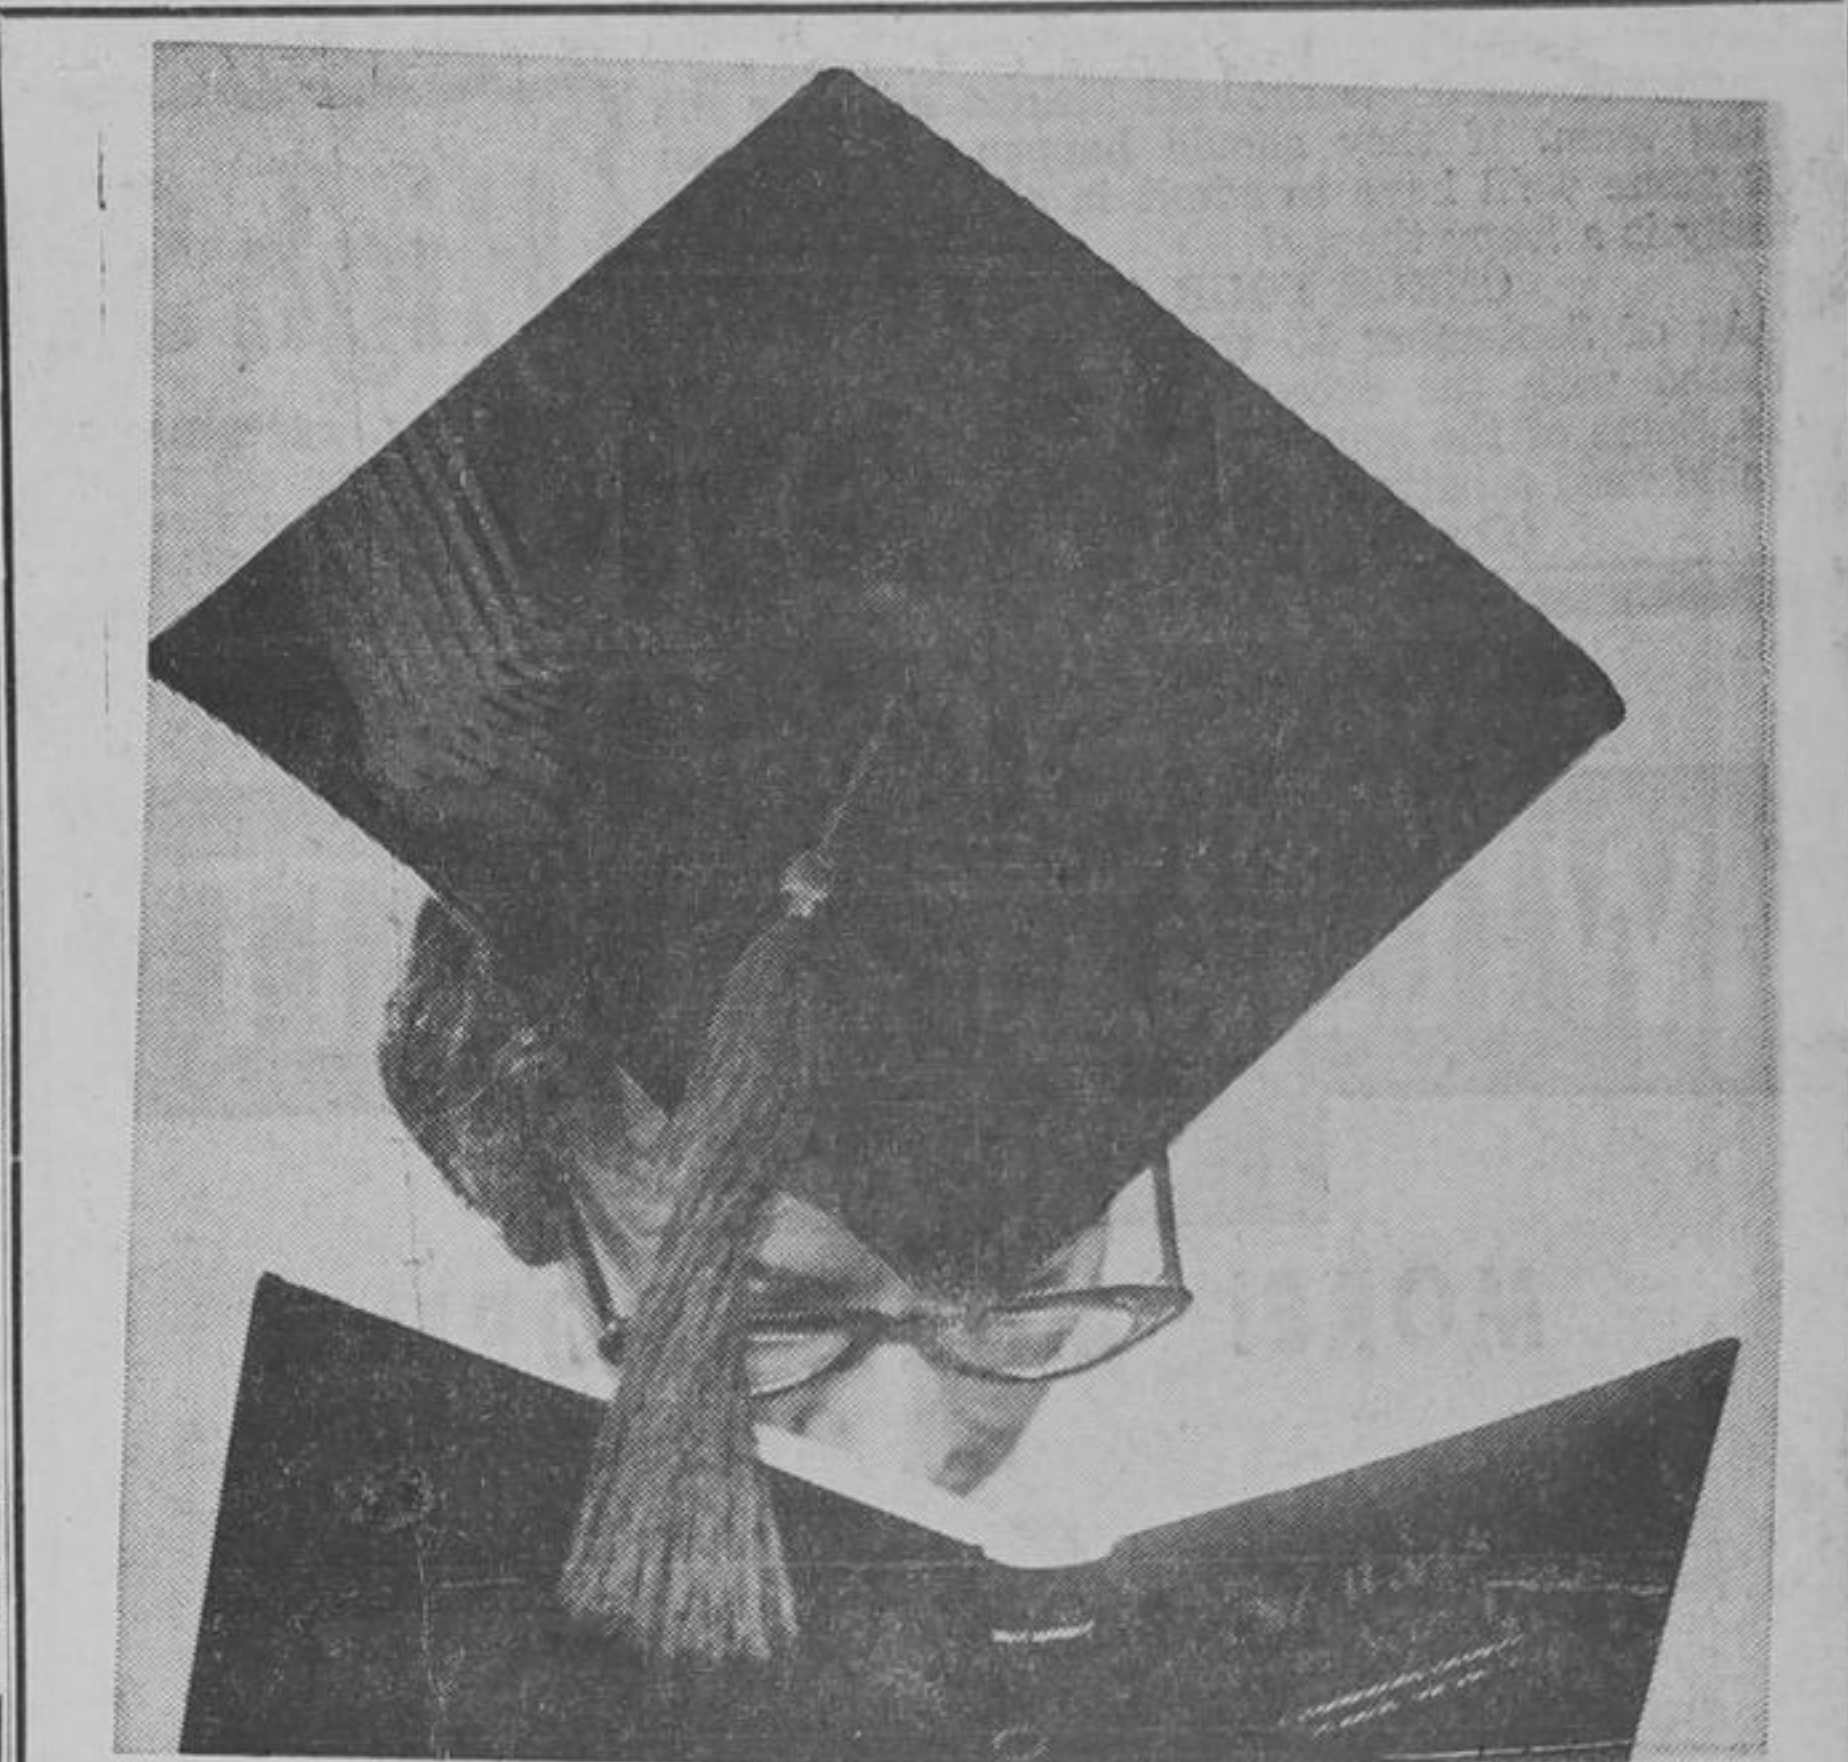

Club officials point to one segment of the club's creed "as the best example of the type of new member we want."

"I shall while harvesting nature's crop reap only that of which I may use realizing the outdoors I love so well is truly God's Garden."

Any applicants are requested to phone Jerry Sokalski, membership chairman at 884-1920 or write c/o Box 186, Richmond Hill.
