RICHMOND HILL, ONTARIO, THURSDAY, SEPTEMBER 26th, 1963

HOME PAPER OF THE DISTRICT SINCE 1878

Plenty Of Ducks Few Duck Hunters

There is no shortage in ducks this year. Surprisingly there were a lot of people wandering around with shot guns over the weekend but very few of them could be called duck hunters. They could only be classified as people accompanied by guns.

Ducks were flying very high and trigger happy people with guns in the 12-16 gauge category were wasting shells in gay abandon. With ducks up at a fair altitude they stood as much chance of hitting a bird as they did of shooting down a B-52. But they tried.

The mouth of the Holland River proved popular with some 50 would-be hunters gathered in a conclave. Between the noise of conversation and the wild banging of wasted ammunition only two very unwary type ducks were bagged by the group. Refuse discarded in the area will cause hunting to be discontinued if the practice is allowed to continue.

Game wardens even had to remind one happy soul that sea gulls were not on the card - only ducks were fair game. R.C.M.P. patrols in the area did much to control the exuberance of the happy hunters.

Some hardy souls were out trolling for pike and bass. Little action was reported but fishermen report that they know the big ones are there and can be had. All they have to do is try.

Those big lunker lunge are lurking in the depths ready for the really ardent fisherman. Any of the Kawartha Lakes, Georgian Bay, Bay of Quinte and the St. Lawrence River are all fair lunge territory. Average in the Kawarthas seems to run anywhere from 22 to 30 lbs. with a 54 pounder taken at Honey Harbour in Georgian Bay two years ago.

A Cisco Kid, a Harvey Spoon, a red and white or a worm harness are all good lures for the wily lunge. Trolling nice and slow near weed beds in 5 to 12 feet of water should produce results if the lunge is lurking in the area at all.

News from the Cedar Rod and Gun Club is that arrangements have been made for advance shoots for those who cannot make the turkey shoot on October 5. A note to P.O. box 186, Cedar Rod and Gun Club, Richmond Hill will bring all details of advance shoots. You can still win a

bird in time for Thanksgiving despite the fact that you can't make the official shoot.

Kresge Managers Tee Off

Tom Mills, manager of the Richmond Heights Centre Kresge Store tees up the golf ball for David Lunn, manager of the Cloverdale Mall, Etobicoke store at the recent annual Kresge Managers' Golf Tournament held this year at the Richmond Hill Golf and Country Club.

Waiting to line up their shots are (from left background) Michael Clarke, manager of the Vaughan Road and St. Clair store, Arthur McKinnon, Dufferin and St. Clair store manager, Arthur Hebb, manager of the Oshawa Shopping Centre store and John Schouten, Northtoown Plaza store in Willowdale.

MARKHAM: Council passed a resolution rejecting the request for an additional constable, third class. There was a recorded vote with the only objector being Councillor Mather.

Aurora Wins 1-0 Tilt

Dynes Jewellers and Aurora opened the best two out of three Metro Major Fastball League semi-final series in Richmond Hill Saturday.

In a rather dull affair Aurora won a 1-0 decision over the Dynesmen. Gary Nolan, pitching for Aurora, gave up one hit, a single by Bill Robson in the fourth inning. Ray Judd struck out 18 and was tagged for two hits. John Rennie, Aurora left fielder, singled in the second inning, and catcher Skeeter Hill rapped out a double in the ninth.

Aurora's lone run was scored in the second inning. Rennie pulled up safe at second after singling and moving to second on a bad throw. Third baseman Ron Beckett hit a bouncer toward second base and the hop fooled Brent Selvaige and went into right field. Rennie scored on the miscue with Beckett going to third. Judd struck out Don Thoms to end the inning.

JEWELLERS ARE STARRY AGGREGATION

Vern Dynes' Jeweller softball team has hung up quite a few local records so far this season. Ray Judd has compiled a record of strikeouts that no former Jeweller pitcher has ever approached. But there's one record they've hung up in such a quiet way that it has almost slipped by unnoticed.

In the hunt for the Ontario Amateur Softball Association Intermediate "A" Championship the Jewellers have competed in four series to date. In each series they have eliminated the opposition in two straight games.

That's quite a record in itself, but in defeating Brampton, Chester Cleaners, Owen Sound and Peterborough the Jewellers have yet to let their opponents score a single run! They've strung together eight shut-out games in a string and, if that isn't some sort of record, it darn well ought to be!

BILL RUTTLE SERVED THE TOWN WELL

Richmond Hill lost one of its most hard-working, public spirited citizens last week when Bill Ruttle retired from the park's board and the recreation committee. For over five years Bill has given freely of his time and energy to help promote parks and recreation in Richmond Hill. As chairman of the recreation committee he has been carrying a big burden that he feels he must relinquish. Even if it's only to get to know his family again.

Anyone who has ever worked along with Bill Ruttle on any project knows from experience that here is one guy who gives 110% all of the time. How many of this kind do you know? All of this work was free gratis and he never was one to seek the lime-light.

His successor will have an enviable record to live up to and we don't envy the one who follows along behind him one little bit. At times Bill has suffered the pangs of frustration when much needed projects got pushed into discard. Not many people know of the hours and hours of work he put in on a swimming pool project. A project no nearer completion now than when he started the spade work.

He'll be sorely missed by both municipal bodies but as he lives we'd like to pay some small tribute to
