

### Automation Threat To Our Employment A Problem For All

Richmond Hill's Public School Superintendent Gordon McIntyre reminded local school trustees Monday night of their responsibility in the age of automation-employment.

He was reporting on a recent conference of education officials he attended in Toronto sponsored by the Province of Ontario.

Statistics showed, he said, that 40,000 persons are displaced by machines each week in the United States and at that rate about 10 per cent of the labour force would be unemployed by 1970.

To illustrate the point, Mr. McIntyre repeated the story of the automotive company president taking the union president on a plant tour to show off his new machines. "You can't get union dues from those," he said. And the union man replied, "But you can't sell them a car, either."

Mr. McIntyre said the problems of retraining displaced employees, and of making new positions available for the young people seeking first employment are urgent and require the attention of industry, labour and government at all levels including school boards.

### Lovely Wedding For Anne Louise White

Anne Louise White, daughter of Mr. and Mrs. Alan White, Richmond Hill, became the bride of Burton F. G. Winstone, son of Mr. and Mrs. Burton Winstone of Richmond Hill, on Saturday, August 24, at 7 p.m. in St. Mary's Anglican Church. Rev. James O'Neill officiated.

White gladioli decorated the church in a candlelight service. Mrs. Margaret Rummey was soloist, singing the Wedding Hymn and the Lord's Prayer. Given in marriage by her father, the bride was lovely in a full length sheath dress of de-lusted satin with overskirt and flowing train. The bodice and sleeves of the gown were of French lace and the train was applied with lace. Her matching headdress of white flowers and sequins held a full veil, she carried a white bible trimmed with an orchid and trailing white ribbons and pink rosebuds.

The bride's cousin, Brian White of Fergus and Paul Brent of Richmond Hill were ushers. Mr. Glen Gandy of Richmond Hill was best man.

The wedding reception was held at Summit View Gardens, Richmond Hill. The bride's mother received in a green silk shantung dress and jacket with matching accessories, and the groom's mother chose a gown of beige lace with matching accessories and wore a corsage of pink rosebuds.

For a honeymoon trip to northern Ontario the bride donned a wheat colour two-piece linen dress with matching accessories.

The couple will reside in Richmond Hill.

### Will you have sufficient income when you retire?

This fellow's a little too young to be asked such a serious question. Though it won't be long before he starts to think ahead, and make plans for the years to come.

When you're young is the time to plan—when you have your first job, perhaps. Enquire about the Retirement Savings Plan at British Mortgage which has many advantages for you.

With the British Mortgage Plan you contribute whatever amounts are convenient. You have a wide choice of investments for your funds; and you choose your type of annuity when you retire.

Your contributions (up to 10% of your earned income) are tax exempt, so you save on your income taxes at the same time you are saving for the future.

Enquire at BRITISH MORTGAGE. Phone 884-1107, or come in to see Mr. Holmes, manager.

SINCE 1877

### BRITISH MORTGAGE & TRUST

R. A. Holmes, Manager,  
53 Yonge Street S.,  
Richmond Hill.

### ONTARIO MUNICIPAL BOARD NOTICE UNDER SECTION 30 OF THE PLANNING ACT

TAKE NOTICE that the Council of the Corporation of the Township of Vaughan has applied to the Ontario Municipal Board pursuant to the provisions of Section 30 of The Planning Act for approval of its Restricted Area Bylaw 2857 passed on the 29th day of July, 1963, a full text of which is given hereunder, and a copy of the Explanatory Note.

Any person interested may, within 14 days after the date of this Notice, file with the Clerk of the Township of Vaughan notice of his objection to approval of the said Bylaw, together with a statement of the grounds of such objection. The Ontario Municipal Board may approve of the said bylaw but before doing so it may appoint a time and place when any objections to the Bylaw will be considered.

DATED at Toronto this 26th day of September, 1963.

R. Scott, Acting Secretary.

The Corporation of the Township of Vaughan  
BYLAW NUMBER 2857

A Bylaw to amend Bylaw Number 2523 The Council of the Corporation of the Township of Vaughan ENACTS AS FOLLOWS:

Bylaw Number 2523, as amended, be and is hereby further amended by adding the words "a school" to Section 7 (2) (b)

READ A FIRST and SECOND time this 29th day of July, 1963.

J. A. Bryson,  
Deputy-Reeve.  
F. G. Jackman,  
Deputy-Clerk.

READ A THIRD time and finally passed this 29th day of July, 1963.  
J. A. Bryson,  
Deputy-Reeve.  
F. G. Jackman,  
Deputy-Clerk.

### EXPLANATORY NOTE

Bylaw 2857 will permit the construction of a school in a Suburban Residential (RS) Zone in the Township of Vaughan whereas up till now the only institutional uses permitted in such a zone were a church, community centre, nursing home, public library, public or private hospital according to Bylaw 2523.

## Teaching Staff Asked To Comment On Good Or Bad Feature Of Schools

As a guide to future school building in Richmond Hill, principals and teachers here may be asked for their comments on good and bad features of present schools.

Some of the comments might not be flattering, public school board trustees agreed Monday night at their meeting but would be useful when building committee members sit down with architects to plan for new developments.

Board members heard reports from Business Administrator Kenneth Turton and Trustee David Stephenson on the recent provincially-sponsored conference on school design.

**Plan Now**  
"Plan now, for later is too late," was one of Mr. Stephenson's comments on the conference.

Reasons for not using standard plans in school design were listed as indicating no two sites were the same, competition (among architects) is creative and makes each project a little better, the Department of Education would need a separate architectural branch and there would be too much government control if plans were standard.

The conference stressed the importance of hiring a good architect familiar with the standards and requirements, whose selection should depend on his qualifications and not

on whether he is local.

The board's building committee under Chairman Jack Knott has interviewed three or four architects for the building of the Beverly Acres school addition. A further meeting will be held tonight (Thursday) and the trustees will meet again October 3 for the specific purpose of hiring an architect.

Mr. Turton said he had discussed the addition with Gordon Chatterton of the Department of Education.

**Window Space Experiment**  
"I explained to him the type of windows we have in most of our buildings: two rows of blue glass and one row clear, and very little opening area; the heat loss in winter and the overheating in May, June and September."

"I suggested that new rooms could be designed with one row of windows, which would still give as much actual outside visibility as at present, and could provide even more ventilation than we now have, but at the same time would greatly reduce the other problems and also the high maintenance costs."

"Mr. Chatterton mentioned that department regulations still call for at least 20% of floor area to be in windows, but they are allowing boards to experiment, and have accept-

ed plans where the window area has been only 15% of floor area.

"He further stated that, if our board and architect can agree on a design with reduced window area, he is quite sure that it will receive favourable consideration as an experiment, providing the lighting and ventilation is adequate. He mentioned figures as low as 12% or even 10% of floor area," Mr. Turton told the board.

**WHITCHURCH TWP. :** The township has been awarded a judgment in the amount of \$2,336.83 against a resident for various medical services, drugs, hospital and nursing care. It was discovered that the recipient of welfare had failed to disclose that she had considerable assets and was able to pay.

The township has been awarded a judgment in the amount of \$2,336.83 against a resident for various medical services, drugs, hospital and nursing care. It was discovered that the recipient of welfare had failed to disclose that she had considerable assets and was able to pay.

## Vaughan Briefs

The finance and general purpose committee reported to Vaughan Township Council Monday night that welfare assistance in the township during August was slightly higher than a year ago. The same number of persons, 80, received assistance. Cost of this assistance in 1963 was \$1,993.35 as compared to \$1,898.76 for the said period last year. Application has been made to the Department of Public Welfare for the statutory grant.

The Gay Gordon Society of Woodbridge was granted permission to hold a turkey shoot on the George Timmins farm on October 5.

It was decided that the next meeting of council be held on October 7 at 8 p.m.

An estimate of \$2,515 for relocation of hydro poles and equipment on Dufferin Street was approved. The work will

proceed at such time as the land acquisition is completed. It will facilitate the proposed reconstruction of Dufferin Street from Highway 7 to the Langstaff Sideroad.

# Here NOW...5 new kinds of Chevrolet!

'64 Chevrolet Impala Sport Sedan — one of 15 Jet-smooth luxury Chevrolets.

Big luxury, big style, big room in the most luxurious CHEVROLET ever!

Of course, you'd expect more than luxury from Chevrolet. And you get it. There's a choice of 14 power teams — a 6 and six V8s ranging up to 425 hp (optional at extra cost) with new quieter transmissions to match. Plus, of course, the great roadability of Jet-smooth ride.

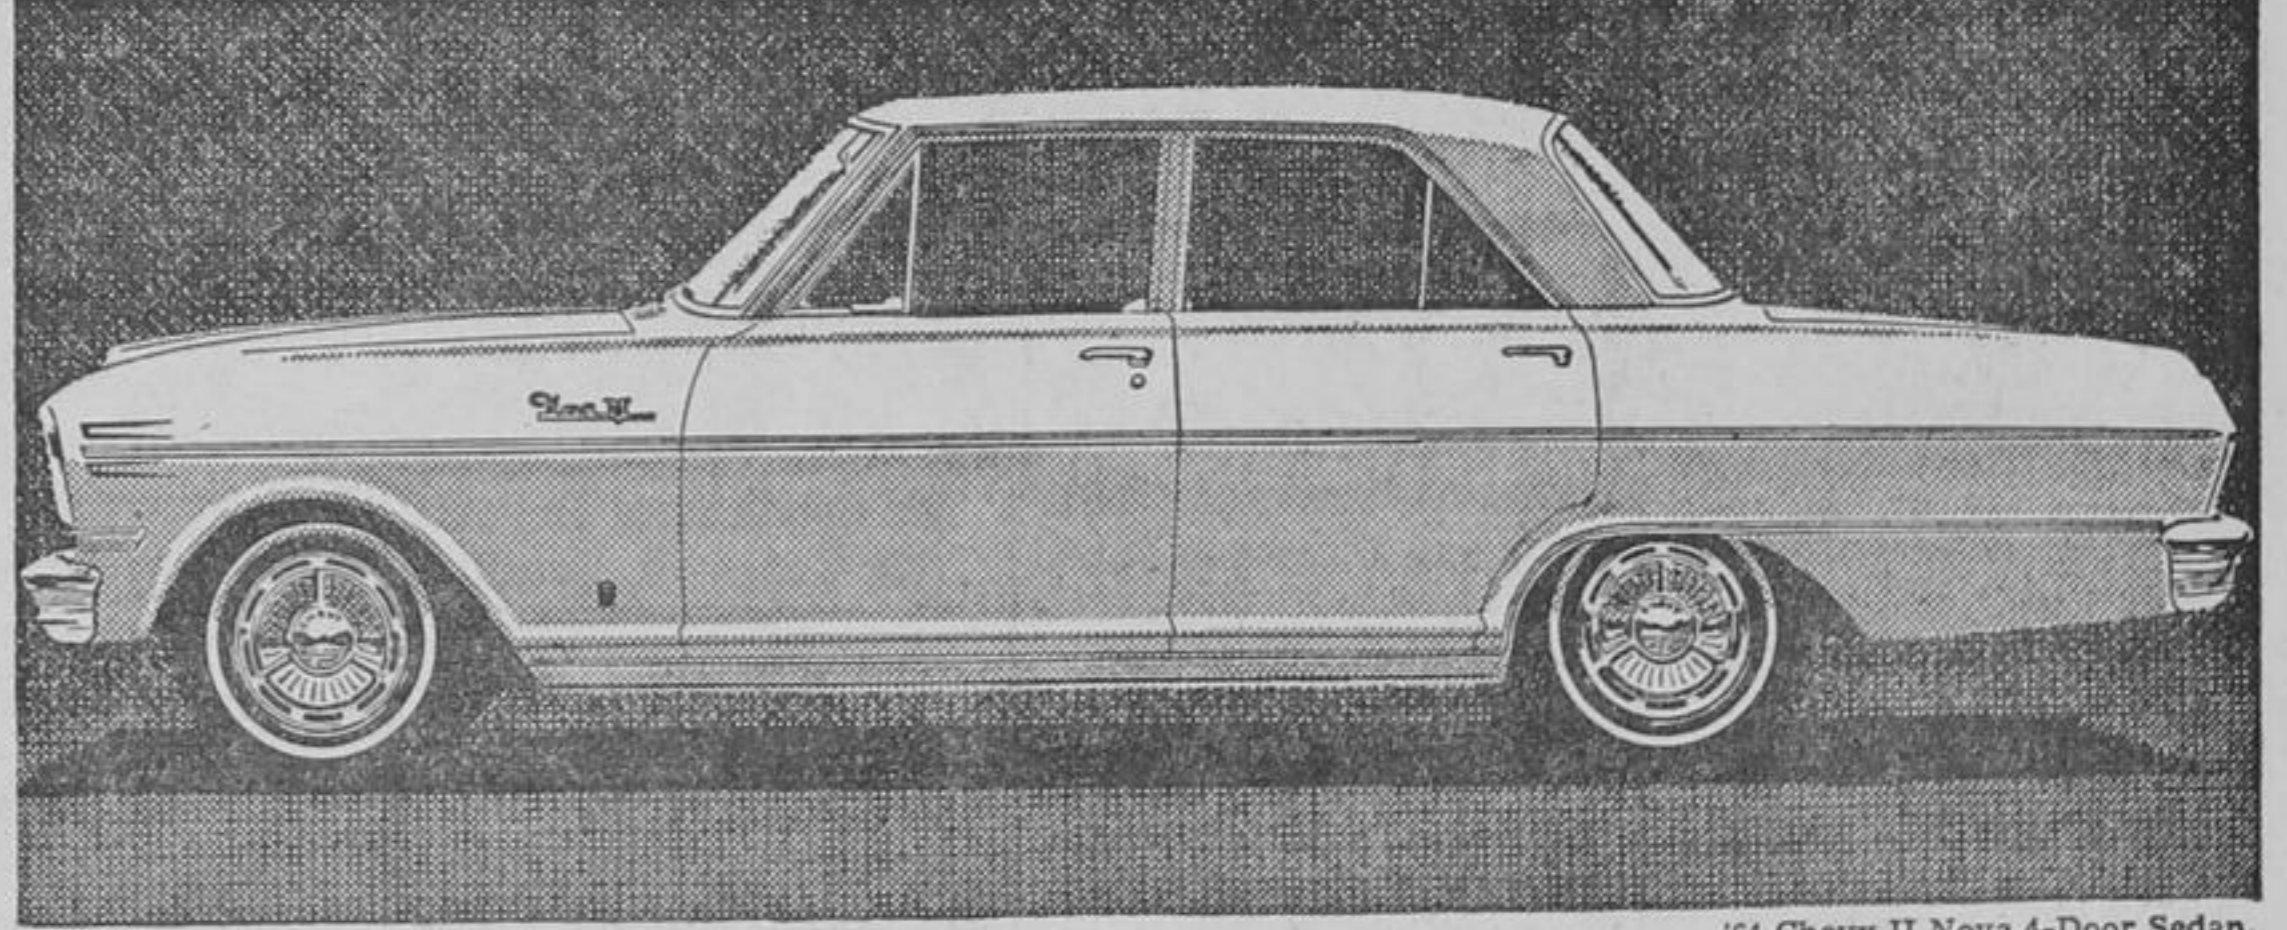

New Chevrolet Malibu Super Sport Coupe — one of 11 models in three great series.

### Take your first look at the first CHEVELLE!

Not just a new model, but a wholly new and different line of cars. A foot shorter than the big cars; yet still very roomy. The ride is surprisingly smooth with a rugged coil spring at all four wheels. And you can get anything from an economical 120-hp 6 to a 4-barrel-carbureted dual-exhaust 220-hp V8 (optional at extra cost)—10 engine-transmission choices in all.

### '64 CHEVY II with a lively new V8!

More than ever, this low-cost family car looks and goes as if it were anything else but that. Three lively, economical Chevy II engines: 90-hp Super-Thrift 4; 120-hp Hi-Thrift 6; and a new extra-cost 195-hp Turbo-Fire V8. Lots of things make for lower upkeep — and make Chevy II tops in value.

'64 Chevy II Nova 4-Door Sedan.

### New pep and new comfort '64 CORVAIR!

Big new air-cooled 6 goes into every '64 Corvair. It's still at the rear, of course, for better traction and easy handling.

### '64 CORVETTE!

Major suspension refinements make Corvette ride more smoothly. New transmissions go with the four big V8s.

'64 Corvair Monza Club Coupe.

'64 Corvette Sting Ray Sport Coupe.

## See five entirely different lines of cars at your Chevrolet dealer's

Be sure to see Bonanza on the CBC-TV network each Sunday. Check your local listing for channel and time.
