

**McConaghy School**  
Receives  
**Safety Award**

Proud pupils of L. M. McConaghy School watch as Mayor William Neal presents a plaque to Principal Duart Rose. This plaque is a recognition of a complete accident-free year by pupils of the school, and is part of an overall safety campaign in the elementary schools of Richmond Hill. Left to right in the above picture are Police Chief Robert P. Robbins; Mr. E. Hopkins, representing the Kinsmen who provide the awards; Mayor Neal, Mr. Rose, and Constable Doug Young, who is in charge of the safety programme. Constable Young is holding "Elmer The Safety Elephant" who accompanies him on his visits to schools to instruct the children in proper safety procedure.

### Temperanceville News

Temperanceville United Church celebrated its anniversary on September 15. Guest minister for the morning service was the Rev. M. Jenkinson from King City United Church and the Temperanceville Church choir sang. Guest minister for the evening service was a former minister of our church, Rev. Victor Woods. The Schomberg choir sang under the direction of Mrs. Harold Russell.

The afternoon unit of the U.C.W. met at the home of Mrs. Vera Boys. Mrs. Ronald Evans spoke on missions.

The Church annual turkey supper will be held October 16, 5 p.m. Tickets can be purchased by any member of the U.C.W. or from Hare's Store in Temperanceville. Adults tickets are \$1.75, children \$1.

Mrs. Stella Wells and Mrs. Evelyn Paxton attended the leaders training school in Newmarket and will be leading the 4-H girls. The fall project will be "Cotton Accessories for the Bedroom". The 4-H groups will meet on Fridays at 4.30 p.m. Any girls 12 years or older are welcome to join.

Miss Joan Hare who graduated from the University of Toronto in May will be attending Ontario College of Education this year.

Bob Macklin will be attending his first year at Kemptville Agricultural College.

Jim Clapp will be entering his third year at Macdonald College in Quebec.

Jack Macklin judged the Guernsey and Jersey cattle at Lindsay Exhibition last Thursday. Mrs. Macklin accompanied him and enjoyed the evening performance.

Miss Judy Paxton recently won her award of merit certificate and merit badge and pin for swimming at Aurora Pool.

Miss Mabel Jennings from Toronto recently visited her brother Wilbert Jennings.

Miss Louise Dunchy of Campbellton, attending business school in Toronto, spent an enjoyable week-end with her friend Roberto Wilson.

Temperanceville Public School commenced this term with Principal Miss Simms, teaching grades 6, 7, 8. New teacher, Mr. Ferris teaches grades 4 and 5 and Mrs. J. Blackburn teaches grades 1, 2 and 3. Some of the children starting in grade 1 are Debbie Faulkner, Duncan Pierce, Barry Watson, Ron Winters, Kathy James and Janet Orser.

## Chevelle Leads G.M. Magistrate's Court Of 1964 Chevrolet Cars

The luxurious, heavy, longer look - and an entirely new car called Chevelle - highlight the 1964 Chevrolet line of automobiles. General Motors of Canada announced today.

The Chevrolet line is now regular size Chevrolet, the new Chevelle, Chevy II, Corvair and Corvette. The line will be on display in Wilson-Niblett Motors Ltd. beginning (today) Thursday.

The general move to more luxury in regular Chevrolet is typified by the new Super Sport series. Super Sport luxury options so popular last year, including bucket seats and console, are now incorporated in a full-fledged series which brings the number of series offered to four: Super Sport, Impala, Bel Air and Biscayne.

Continuing engineering features are self-adjusting Safety-Master brakes, extended lubrication intervals, including a sealed-in lubricant on the propeller shaft which is new this year, air-washed rocker panels and an inner front fender.

Chevelle is a strikingly new line of cars offering luxury in a new size and price in 11 different models in three series, including convertibles, sport models, sedans and station wagons.

The Chevelle is styled to look quite different from any other automobile in the Chevrolet line. The chief styling innovation is curved pillars and curved side window glass.

The automobile has a low, low look with sculptured lines extending the full length of the body. Its distinctive front end has dual headlight units.

Built on a 115 inch wheelbase, Chevelle introduces a new type of perimeter frame engineered specifically for each of the four basic body styles.

Major case was that of truck driver, Neil McDonald of Markham charged with assaulting Martha Wagner at the company's new Markham Village plant last month when he allegedly struck her with a truck while a picket line was in progress. He pleaded not guilty and the magistrate listened to a barrage of crown and defence witnesses.

McDonald was acquitted when the magistrate ruled that the prosecution failed to prove the driver had intended to harm Miss Wagner.

McArthur and two defence witnesses said that the truck had come to a full stop. Crown witnesses said it was still moving and knocked Miss Wagner down.

Anthony McDonald, Ocean-side Drive, Richmond Hill was fined \$100 and costs when he was convicted of wounding a neighbor's dog with a .22 calibre rifle, July 20.

In a statement given to police, McDonald said he had only meant to scare the dog belonging to Mrs. Doreen Derkson,

away from his property. He said the dog had been damaging his garden and had snarled at one of his children; he was under the impression the dog was rabid.

\*\*\*\*\*

Keith White of Markham who appeared in court with a full arm cast pleaded guilty to a charge of illegal possession of liquor and was fined \$15 and costs.

Similar fines were levied on violations of the Government Liquor Act against Alfred Perkins of Markham Township, Edwin Taylor of Markham Township, Joseph R. Therien of the RCAF Downsview Station, Floyd Leslie Burling of Scarborough, and Ernest Dismonte of Toronto.

\*\*\*\*\*

A Mutual Street, Toronto truck driver George Francis Muir, was fined \$150 and

costs and given a two year license suspension following a conviction on a charge of criminal negligence when he failed to remain at the scene of an accident in Richmond Hill.

### THE Challenge OF Cancer

**HOW C.C.S. FUNDS WERE SPENT IN 1962 (Fiscal Year Ended on September 30th, 1962)**

Total Expenditures . . . \$3,983,358 100% . . . Expenditures exceeded income by \$26,572, the excess representing funds accumulated in 1961 for projects completed in 1962. . . . The audited financial statement may be obtained from any Unit or Provincial Division of the Society.

1964 CHEVROLET

### The Chev Look For 1964

The 1964 Chevrolet has a more luxurious, long look and features restyled front end, rear fenders and trunk lid. The grill has been completely redesigned and parking lights recessed in the bumper. The Impala sports sedan shown here is one of the 15 regular-size Chevrolet models. Notice the full length trim along the side of the body doubling forward to meet the front wheel well, a distinctive Impala marking.

Options and custom features on all full-size Chevrolets are offered in the widest range in Chevrolet history, permitting a 1964 Chevrolet to be virtually custom built to personal taste. Now on display at Wilson-Niblett Motors Limited.
