LADY CURLERS
October 9, — Wednesday, 1:30 p.m. All are invited to attend a meeting at the Rolling Hills Curling rink.
BEGINNERS ARE MORE THAN WELCOME

Mr. Joshua Loring Named TI Mgr., Open In October

Joshua Loring of Norton, Mass., has been named manager of manufacturing for the new Texas Instruments Incorporated materials and controls division branch plant now under construction in Richmond Hill.

Loring was formerly chief manufacturing engineer for motor controls at the main plant of TI's materials and controls division in Attleboro, Mass.

An industrial engineering graduate of Northeastern University in 1951, Loring has also done graduate work in the field of engineering management at Northeastern. Prior to joining TI in 1956 as a production engineer, he was associated with Rumford Press, Concord, New Hampshire.

Mr. Loring is married to the former Louise P. Fernald of West Newton, Mass. They and their six children will make their home in King.

TI's Canadian manufacturing plant is expected to be in production by the end of October. Principal products will include thermostatic controls used to prevent overheating of fluorescent light ballasts, electric motor overheat protectors, motor starting relays and thermostats.

Late Mrs. M. Beynon

The funeral of the late Mrs. Morley Beynon was held Thursday last and was largely attended by friends and relatives. Mrs. Beynon, the former Eva Kathleen (Cas) Murphy passed away suddenly at her Arnold Street home September 23rd. Although in ill health for four and a half years her death was sudden and a great shock to friends and members of her family. Her husband was in Newmarket Hospital suffering from a heart attack at the time of her passing.

Requiem mass conducted by Rev. Father F. McGinn, was at St. Mary Immaculate Church Thursday morning and interment followed at Holy Cross Cemetery. Honorary pall bearers were: Mayor William Neal, Reeve F. R. Perkins, William McQuillan and J. E. Smith. Active pall bearers were: Harold Forster, Darrell Goulding, Gerrard Cook, Robert Colhoun, James Cream and John McLeann.

The late Mrs. Beynon was a lifelong resident of this district and was very popular with a wide circle of friends. Always kind and considerate of others she was a willing and enthusiastic worker in church and community life and will be sadly missed. "The Liberal" joins in extending sincerest sympathy to her bereaved husband, Morley Beynon, and to her brothers, sisters and other members of her family.

Here's a smile for you

The patient lay on the psychiatrist's couch while the doctor probed with questions for the nature of his illness.

"Indecision is always a sign of mental distress," the doctor said. "Do you ever have trouble making up your mind?"

"Well, yes and no" the patient replied.

If you are undecided on where to take your dry cleaning for the highest quality work then we predict you'll make a fast decision if you will give us a try. Fast pick up and delivery service is available and your most precious garments will be returned to you beautifully cleaned and pressed.

Richmond Hill Town Council Briefs

Richmond Hill Town Council Monday night did the following:

Accepted a recommendation that Mayor William Neal and Councillors Walter Scudds and Alex Campbell carry on as the appointed industrial committee of council.

A letter from L. Brown of Olympia & York Industrial Development Associates, a resident of the town, offering his services towards the promotion of industrial development in the municipality was referred to the industrial committee.

Approved the hiring by the police department of K. Moorehead as a cadet. Chairman Thomas Murphy of the police committee reported that four applications had been received and the successful applicant was a grade 12 graduate.

Approved payment of \$3,320 to Mr. T. B. Sanders for the land required for the Enford Road extension.

Agreed to offer \$513 to Don Head Farms Ltd. for the land required for the hospital sewer pump-house.

This amount is the average of the two appraisals of the land.

Approved payment of \$500 for a report to cover a survey of lanes in the downtown area suggested in the downtown parking report.

A motion that all meters on Yonge Street be removed proposed by Reeve Floyd Perkins and Deputy Reeve Stan Tinker was defeated on a recorded vote.

A request from the Cedar Rod and Gipsy Club for space in the municipal building to teach teen-age safe hunting practices, was referred to the property committee. It was explained that this was regular procedure in order to ascertain that the space would be available on the days and at the time requested.

Approved in principle clauses 1 to 7 of the downtown parking report.

Investigation of the possibility of renting parking space on the Sunoco lot on a monthly basis to business people and other interested parties, as suggested by Councillor Thomas

Murphy, was authorized.

Councillors Murphy and White moved that Canadian Legion Branch No. 327 be given an occupancy and use permit for the premises known as Discount Plaza. An amendment by Councillor Campbell and Scudds carried adding the words "providing they comply with existing bylaws" to the above motion.

At the suggestion of Deputy Reeve Tinker investigation will be made into the leasing of the Principal Investment lot on Yonge Street for parking on a temporary basis until the implementation of recommendation contained in the parking report.

Retired Anglican Pastor, Wife Mark 50 Years

Fifty years ago, on September 30th, 1913, at a ceremony in St. John's Church, West Toronto, the Reverend and Mrs. Edward Morley were united in holy matrimony by the Reverend T. Beverley Smith of St. Paul's Runnymede. He was assisted by Principal Thomas O'Meara of Wycliffe College.

On their return from a honeymoon in Buffalo and the New England states, Mr. Morley established a mission in the west end of Toronto.

Many congratulatory telegrams, cards and flowers were received by Mr. and Mrs. Morley, among them a plaque from the Minister of Citizenship, the Honorable Guy Favreau, wires from Governor General Vanier and Mrs. Vanier, and Prime Minister John Robarts of Ontario and a letter from Mayor Donald Summerville of Toronto.

Since retirement from the active ministry of the Anglican Church of Canada in 1953, Mr. Morley has resided in Richmond Hill where both have been active in community affairs as well as in St. Mary's Anglican Church. Mr. Morley also provided leadership for some years for the new Emmanuel Anglican Church on MacKay Drive in Richvale.

Two of the bride attendants are still living: the bride's sister, Mrs. V. D. Harbinson and a cousin, Mrs. Hoyt Smith. Mrs. Smith is a missionary in India.

Many congratulatory telegrams, cards and flowers were received by Mr. and Mrs. Morley, among them a plaque from the Minister of Citizenship, the Honorable Guy Favreau, wires from Governor General Vanier and Mrs. Vanier, and Prime Minister John Robarts of Ontario and a letter from Mayor Donald Summerville of Toronto.

This fiftieth anniversary finds Mr. and Mrs. Morley united in spirit but unfortunately separated through illness. Mrs. Morley is confined to Hillcrest Convalescent Hospital in Toronto having recently suffered a broken hip, and Mr. Morley is convalescing at the home of Mr. and Mrs. Pat Henry, 84 Golddale Road, Toronto. However on their anniversary Mr. Morley visited his wife in hospital, where he was joined by his daughter and son-in-law, Mr. and Mrs. Pat Henry, and sister, Mrs. V. D. Harbinson and a cousin, Mrs. Hoyt Smith. Mrs. Smith is a missionary in India.

Director To Map Lane Route, Report To Board

Richmond Hill's lane-ways to improve downtown parking will be taking shape in the next week or so but only in the form of pencil strokes on paper.

Making the strokes will be Planning Director Harold Deeks who Tuesday night was directed by members of the planning board to prepare maps showing proposed routes the lane-ways will take behind downtown businesses.

The maps will be viewed by planning board members prior to showing them to property-owners concerned at public meetings. The lane-study will cost about \$500.

The public meetings will be called to better inform businesses on details of the lane-ways as well as "sell" them on the advantages.

Director Deeks suggested study of the proposed lane-ways could be aided by asking the property owners "whether or not they are prepared to donate land designed as lane-ways."

"This would give us an indication as to what land costs might be to the municipality," he said.

Cost of the lanes would be borne by the municipality as a whole with development of individual parking lots left in the hands of individual businesses.

It was the feeling of board members that a number of property owners would be willing to donate routes for the lane-ways which would bring them benefits by way of parking up the lagging business area.

Reeve Floyd Perkins wondered if the municipality would be acting fairly by accepting free land from some businesses while having to buy it from others who "wouldn't give it away."

Board member Howard Whilans felt those donating space should receive credit on their taxes.

Chairman Cecil Williams and others disagreed saying it would be worth giving up a portion of land to cure the present parking problems.

Member Ross Serlinger was of the opinion there would be enough "public spirited businesses willing to go along with donating land for the lane-ways."

"Why pay for the land when we don't have to," was board member Stan Ransom's feeling.

Director Deeks said the municipality could offer "some carrots" to the businesses by rough-grading their lots for drainage purposes at a reasonable cost.

He also suggested the lane proposals be put before the property-owners concerned at "one large meeting."

Reeve Floyd Perkins suggested separate meetings with businesses on west and east sides of Yonge Street because drainage problems and costs wouldn't be the same.

Another suggestion was to meet with owners on an individual basis but majority of board members felt public meetings with "east and west" businesses was the more feasible plan.

"We could have the separate meetings and then correlate the two findings," said board member Harry Sayers.

Fire Prevention Week

OCTOBER 6 TO 12

YOUR COOPERATION IS EARNESTLY DESIRED — YOU MAY SAY "WHAT CAN I DO TO HELP?"

SIMPLY THIS . . .

1. Be careful of your smoking habits. DO NOT smoke in bed. Make sure your cigarette, pipe or cigar is out before setting down.
2. Remove all rubbish and trash from your basement and garage.
3. Have your house wiring checked by a competent wiring specialist.
4. Make sure your heating units are clean and airtight, to prevent deadly fumes of carbon monoxide.
5. Check the chimney flue. Make sure it is clean and all pipes entering it are tight and solid.
6. DO NOT leave young children alone in the house.
7. DO NOT leave matches where young hands can reach them.

Carefulness and thoughtfulness take little time. But carelessness and thoughtlessness may take all eternity.

The Fire Departments are helping to fight the scourge of fire! . . . Are You?

Alfred Stong, Chief,
Richmond Hill Fire Department
