Community Happenings In Thornhill

Woodland Home & School

The first meeting of the season for the Woodland Home and School Association was held on September 23. President Mrs. Marie Brien presided, introducing committee members who gave reports on their plans for the year. The program committee plans to follow the theme of a book supplied by the Ontario Federation of Home and School entitled "Meet Your School Age Child". The ensuing meetings will investigate the child's hereditary factors and how they influence him, the influence of the child's physical environment and of his social environment.

Members of the audience were handed a questionnaire and a folder for study before the next meeting. At that time, those in attendance will form into small groups to discuss various questions outlined in the folder and will then come together again to pool their conclusions. This meeting will be on November 25.

After the purpose of the folders was explained, Principal G. Learn was introduced and he in turn introduced the members of his staff. The parents

then dispersed to their own children's classrooms where the teachers discussed the work for the year of that particular grade. The parents then re-convened for coffee and a social half hour.

Thornhill Secondary School
An interesting evening of folk singing has been planned by the Board of Student Senators of Thornhill Secondary School for October 11 from 9 to 12 p.m. They have invited the well-known folk singing group "The Travellers" to perform and are expecting a big turnout. One member of this group, Mr. Sid Dolgoy, spoke (and sang) at one of the Impact series of lectures held at the school last year and scored a big hit with an overflow audience of students. Admission will be \$1.25 for adults, 75c for students and 1 have a feeling tickets will be at a premium, so better gets yours early.

Home & School Association
The executive members of the Thornhill Home and School Association met on October 1 at the home of Mrs. Marianne Duncan. Final plans were made

for the October 8 meeting which will present two fine authorities on mathematics, Mr. H. E. Totton, master teacher of mathematics for York Central District High School Board, and Mr. D. S. Lawless, superintendent of public schools for the Town of Burlington.

Both of these gentlemen are authors of books in the math field and their visit is a timely one since a new experimental class in mathematics is being developed for grade 7 at Thornhill.

Mrs. Mabel Crawford reported that tickets for the Crest Theatre night are going rapidly. If you haven't purchased yours, call her now at AV. 5-1427 — there may be a few left.

And don't forget — 8:15, October 8, That's a Tuesday and the night of the general meeting.

Baptist Church News
A church family got-together after the Sunday morning service at Thornhill Baptist Church on September 22 welcomed Dr. and Mrs. M. C. Johnston on their return from a month's vacation in England and Scotland. Dauntly sandwiches, cakes and coffee added to the sociability. On the two previous Sundays, the congregation enjoyed the ministry of the Johnston's son, Mr. Howard Johnston.

The Thornhill congregation is looking forward to the publication of Dr. Johnston's book "24 Hours To Live" for which an autographing party will be held on October 7 at the Baptist Church House, Toronto.

The Anna Buck Mission Circle and the W.A. enthusiastically commenced their autumn activity by a joint meeting at the church on September 17. Mrs. Weld of the Family Service Association of Toronto outlined in a most interesting way the many facets of this service, illustrated by the informative slides shown by Mr. Steeves. The meeting was under the direction of the south group and the social period and discussion which followed completed a very pleasant evening for the 23 ladies present.

Bible Society
The Thornhill Branch of the Canadian Bible Society will be putting on a drive shortly for funds. In view of the rapid strides in literacy throughout making a strenuous effort to produce the scriptures in every tongue. Their work is carried out solely through donations. The Thornhill Branch Treasurer G. Alex Brown of 97 Elgin Street will be glad to receive any donations and will provide a receipt for income tax purposes.

The visual education production secretary of the Canadian Bible Society, Mr. Emmanuel Heuer, is presently on his way to Africa to record on film the activities of the Christian Church in the new African nations and the work of the Canadian Bible Society in these

countries. Mr. Heuer has already produced several other films, "The Potter's Wheel" and "Another Beatitude", filmed in India; "Crowded Ways" and "The Adventures of Yohan Po-fam", filmed in the Orient; and "Cornerstone of a Nation" filmed in Canada to commemorate the 1964 60th anniversary of the founding of the Canadian Bible Society. Members of the Thornhill branch as well as others, are looking forward to seeing Mr. Heuer's next film.

Senior Citizens
The meeting announced for October 1 at Thornhill United Church in this connection has been postponed as a senior citizen's club is being considered for Thornhill district. Watch for future announcements on this organization.

Residents of Thornhill for 27 years, Mr. and Mrs. R. H. Neil of John Street, moved at the end of September to Oakville and their going will leave a gap difficult if not impossible to fill. For many years both Mr. and Mrs. Neil have ardently pursued their hobby of collecting "Canadiana" and their log home on John Street, where they lived for the past 11 years, was a veritable museum of treasured pieces of Canada's past. On a visit to Oakville last year, the Neils became charmed with this town's consciousness of architecture and its determined preservation of fine old homes and trees. Feeling also needed to change the tempo of their lives they decided to settle there.

The Neils intend to travel widely. Although several truckloads of their antiques went to the Pioneer Village, they have retained a portion of them, and I can't help feeling these will be the basis of a new and finer collection.

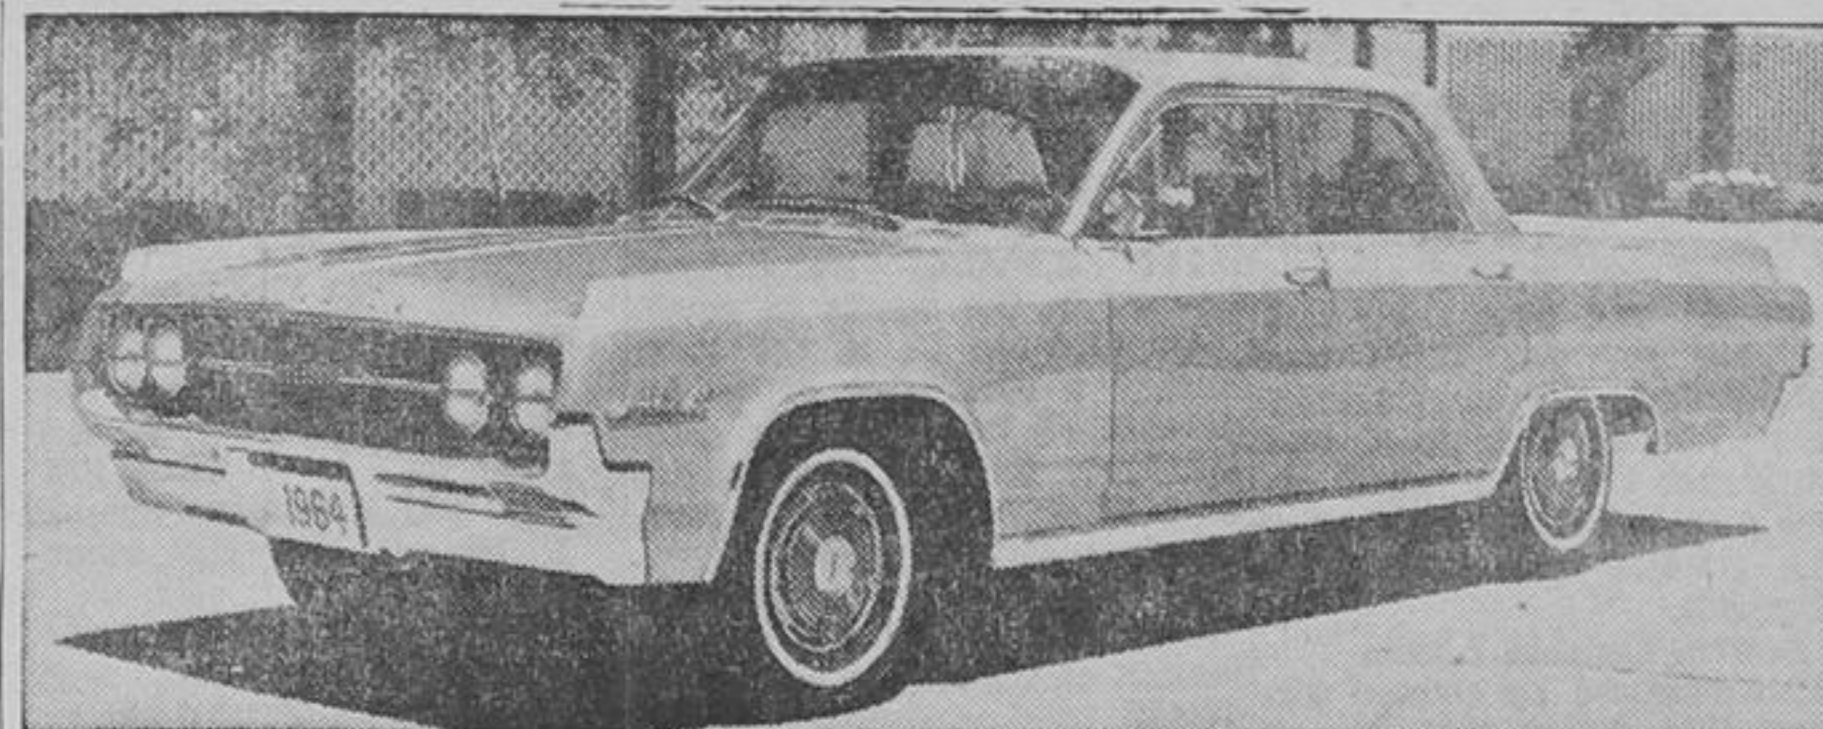

During their long-time residence in Thornhill the Neils have made an important contribution to the life of the community. We have no doubt they will do the same in their new home and with our "au revoir" goes a warm thank you.

Cyclist Injured After Collision

Ronald Gardiner, 7, of Morgan Avenue, Thornhill suffered a fractured leg, bruises and abrasions when he was struck by a car on Glencameron Avenue last Thursday.

Driver Peter Martin, Procter Avenue, Thornhill told Markham Police he had noted two bicyclists on a nearby supermarket lot and as he moved forward, the Gardiner boy swerved his bike into the path of the car. Police said the Martin car skidded about 35 feet before striking the boy.

No charges were laid as a result of the accident.

Olds Offers Jetstar 88

The new Jetstar 88 series for 1964 utilizes Oldsmobile's full-size body on a special 123-inch wheelbase. The Celebrity sedan, shown above, is one of four models in this new Oldsmobile series. A new lightweight, cast-iron Jetfire Rocket V8 engine, delivering 225 hp and an optional 260 hp version, are teamed with an entirely new transmission, Jetaway, available at extra cost. This new transmission combines the performance of gears and the smoothness of a torque converter with a torque amplifying feature which permits extra performance without downshifting. See these new models on display this week at Wilson-Niblett Motors Ltd.

Thornhill Man Married In New Westminster

Toronto will be the new home of Mr. and Mrs. Kenneth G. Chambers who were married September 7 in candle-lit Sixth Avenue United Church, New Westminster, British Columbia, with Rev. R. M. Goodall officiating.

The bride, the former Annetta M. Adams, is the only daughter of Mr. and Mrs. R. H. Adams of New Westminster, and the groom is the son of Mr. and Mrs. K. E. Chambers of Thornhill, Ontario.

The bride chose a formal gown of pea de soie with soft scooped neckline, lily point sleeves and cascading applique accenting the fitted bodice and the touching skirt which fell to a full length train.

A veil of gossamer silk was held by a coronet of orange blossoms which had been worn by her mother at her own wedding. White heather brought from Scotland mingled with Calla lilies in the bridal bouquet.

Similarly gowned in aqua pea de soie was a quartet of bridal attendants: Mrs. Wayne Wickens, bride's matron; Miss Gail Murry, maid of honor; Miss Ellen McRae bridesmaid and Miss Shauna Brown as junior bridesmaid. Their floor length gowns featured bateau necklines and gently belled skirts. They wore matching veiled pillbox headpieces and carried cascading white camellias and Ivy.

Best man for Mr. Chambers was Mr. Jay S. Hooper and ushers were Wayne Wickens, Phillip Howe and Greer Draney.

Mrs. R. McLeod of Vancouver played the wedding music and Mrs. J. Lear was soloist. The newlyweds were piped from the church by J. McMillan.

A reception followed in the Chandelier ballroom of the Villa Motor Hotel. Many out-of-town guests were present including the grooms parents, Mr. and Mrs. K. Chambers,

Thornhill Couple 25th Anniversary Hold "At Home"

Mr. and Mrs. Nels Gage, 7490 Bayview Avenue, are holding an "at home" to celebrate their 25th wedding anniversary October 6.

The well known couple who have lived in Thornhill for 18 years and have had the meat department at the North York Farmers Market for 12 years will welcome all their friends from 3 to 5 p.m. and 7 to 8:30 p.m.

Registration Tea, Crosby Arena, Unionville, 2-4 p.m., October 5th.
For further information call 297-1957, or write Box 126, Unionville, Ontario.

Cactus Featured At Mexican Tea

Now that autumn is here, and flowers from the garden dwindle, those at supermarkets and florists are often too expensive for a weekly display, so the houseplants come into their own.

Emmanuel Church Women's Auxiliary, Mackay Drive, Richmond Hill, believe that for perennial pleasure, cacti of all kinds are hard to beat, especially when an assortment is put into an attractive bowl, plus an unusual ornament.

On October 5, they are holding a Mexican tea party in the church hall at 2 p.m. They will serve afternoon tea, sell records, provide a bake sale of all kinds of home baked food, and proudly show and

hope to sell at reasonable prices lovely cactus arrangements, over which they have spent many hours. Tickets, which include afternoon tea, are 50 cents (or cents-avos!) and can be bought at the door, or from any member of the W.A.

NEWMARKET: The 1963 King City Concert Series will commence tomorrow with an inter-school Festival of Talent production with public schools participating.

Importance of municipal councils inaugurating a policy for the fluorination of water was stressed in the August report issued by York County Health Unit.

Lean Turkeys "In" At Thanksgiving

BY DORIS FITZGERALD
Warm sun, gentle rains, and the good earth have brought us another bountiful harvest and it is a treat to walk through the York Farmers' Market, Thornhill, on Saturdays, to see all the wonderful vegetables, fruits and flowers grown in this district, and to chat with the farmers. Last week a number of poultrymen were taking orders for fresh killed turkeys, ducks and capons, and one of them, J. Dunning, told us that many regular customers come to his stand for lean turkeys. "They are high in protein," he said, "and much wanted by people with heart conditions, and those who must eat fat free meats."

Once raised chiefly for such gala occasions as Thanksgiving and Christmas these delectable birds are now available at any season. Mr. Dunning who makes them a year round business at his Pefferlaw farm says that turkeys no longer roam the field, but are protected from the weather in specially constructed barns, and fed scientifically prepared commercial mash, and as a result, are more tender than formerly. They would certainly be less stringy than the wild turkeys roasted by the Pilgrims for their first Thanksgiving dinner in America, and probably smaller. According to an old book on Virginia, "the colonists have wild turkeys some weighing sixtie pound weight."

There is no doubt as to the origin of the name turkey, but in bygone days foreign traders from any country were commonly called turkey merchants, and, as the bird came from abroad, it became known as a turkey, in England.

DONCASTER NEWS

CORRESPONDENT: DAVID BARBOUR
Henderson Avenue — Avenue 5-2505

Doncaster Community Ladies Club held an executive meeting at the home of Mrs. P. J. Carle, 105 Morgan Avenue, Friday afternoon.

The October meeting of the club will be held at the home of Mrs. Malinski, 58 Procter Avenue, on October 7 at 8 p.m. Guest speaker will be Mrs. Dolan who will demonstrate flower arrangements and drying of flowers. This meeting is open to all ladies of the community.

Birthday greetings are extended to John Carter of Morgan Avenue, who celebrated his 7th birthday on September 28; and to Teresa Gain, 144 Henderson Avenue, who celebrated her fourth birthday on October 1.

Mrs. Favrin and son returned to their Henderson Avenue home from the hospital on Sunday.

Doncaster welcomes two families who took up residence here last week: on September 26, Mr. and Mrs. Frank Kirkman and five children moved into 183 Clarke Avenue from Agincourt; Mr. and Mrs. Gary Luck and two-month-old son Jimmy are residing at 109 Clarke. Staying with the Luck family, who came to Doncaster from Toronto, is John Hines, a relative.

The Thornhill and District Hockey Club will move indoors this year, the older group only.

Recover Stolen Auto But It's A Total Wreck
Recovering his stolen car wasn't much of a break for George Temple of Scarborough.

Markham Police said the car reported stolen on September 20 was a total wreck after its juvenile driver apparently lost control Saturday afternoon on the 5th Concession, north of Highway 7 and smashed it into a mailbox. Damage to the mailbox was \$10.

The driver and his passengers fled from the accident and he was later arrested by Metro Police and charged with theft of the auto.
