

Grandview Park Scheduled For Major Face-Lift

A five and a half acre face-lifting job will be performed on Grandview Park in the Henderson School area of Markham Township this fall with cost not to exceed \$3,900.

The park will be graded and seeded for winter and summer recreation purposes with the \$3,900 paid out of lot fees collected from the area subdividers.

It was the lot fees that worried some Markham Township Councillors as they agreed to the recommendation Monday night by their parks committee. Councillor Charles Hoover wondered if it was "right to use lot fees for this purpose." He thought it might better be used for educational purposes.

Clerk H. C. T. Crisp said the Municipal Act stated "lot fees must be used for the benefit of the people within the subdivision from where the lot fees came." He indicated this would apply in the Grandview Park re-grading.

Councillor Allan Sumner said it was hoped to have the park in operation this winter. A base for skating rink will be prepared.

Richmond Hill Town Council Briefs

Monday night, Richmond Hill Town Council:

Referred to the planning board a letter from Solicitors Plaxton & Deane on behalf of clients on Church Street South requesting enforcement of provisions of Bylaw 1000. The letter claimed the bylaw provides for "an area for landscaping in the form of a planting strip five feet in minimum width adjacent to any or all residential zones." It also claimed that the drive-in type restaurant in that area has not complied with this provision.

Approved a grant of \$10 to the John Howard Society of Ontario as provided in the budget. This is the same amount as last year.

Received and filed for future reference a letter from the Township of Whitby notifying them that Mr. David Clutchee had moved to this area to serve as a high school teacher. Mr. Clutchee was highly recommended as having served the Township of Whitby on its court of revision, the local elementary school board and in parks and recreation projects.

Agreed to declare October 24 United Nations Day, and to fly the United Nations flag in front of the municipal building on that day.

Passed a bylaw accepting the tender of Cherry Construction Company in the amount of \$4,500 for the purchase of a lot recently

offered for sale. The lot was described as Block "A" Plan 6351.

Heard a report from Councillor Alex Campbell on a recent meeting of the Richmond Hill Library Board.

Councillor Campbell reported that Chief Librarian Fred Israel has been selected as one of 10 representatives of the Ontario Library Association at a conference of the Ontario Association for Curriculum Development in London on November 7, 8 and 9.

Councillor Campbell reported that a trained librarian is

visiting each of 110 elementary classrooms this year, serving 3,500 pupils in Richmond Hill in grades 2 to 8. Circulation figures are up 1,000 per month over last year, he said.

Paying tribute to the library staff Councillor Campbell stated, "Dollar for dollar we are getting excellent value from our library. It is providing an exceptionally good service to the town."

Answering a question from Councillor Walter Scudds about progress of the typing out of old town bylaws for reference purposes, Councillor Campbell reported that cuts in the library

staff had been necessary because of the minimum wage law. It had been found necessary to discontinue the part-time help of high school students.

Granted the Cedar Rod & Gun Club permission to use a room in the municipal building for use in instructing a group of about 15 in correct handling of guns. No live ammunition will be used in the course.

Decided to hold the annual Remembrance Day service on November 10.

Maritimes Honeymoon Council Waives Building Permit

A motor trip to the Maritimes followed the recent wedding in Maple United Church of Miss Donna Jean Robson, daughter of Mr. and Mrs. Norman Robson of Richmond Hill and Mr. Arend Van Bodegom, son of Mr. and Mrs. Hendrick Van Bodegom of Wieringerwerf, Holland.

Rev. R. Williams officiated at the double ring ceremony. Mrs. Roy Clegg was organist and Miss Lois Perkins, soloist.

Given in marriage by her father, the bride wore a full length gown of peau-de-seo with lace top and sleeves and bustle effect at the back. Her fingertip veil was held by a pearl coronet and she carried a bouquet of pink roses and carnations.

Mrs. Lois Heidt of St. Thomas as matron of honour chose a gown of pink brocade with full skirt and in similar dresses in turquoise were bridesmaids, Mrs. Jean Mustard of Brampton, Mrs. Christine Miller, cousin of the bride and bridesmaid, Miss Dianne Robson, the bride's sister. Her youngest sister, Deborah, was flower girl. All the attendants wore white-velvet pillbox hats to match their gowns and carried nosegays of white carnations and pink roses.

New Executives Named By Seneca Wire Of Canada

Four new executive were named this week by Seneca Wire of Canada president, John H. McNeerrey.

William B. Kempton is vice president-sales. William B. Krebs is vice president-operations. Walter Kuznecoff has been appointed Canadian sales manager. And Richard Sentance became manager of the Richmond Hill plant on Centre Street.

Kempton and Krebs will also serve as vice presidents of Keystone-Seneca Wire Cloth Company, a major producer of insect wire screening, headquartered at Fostoria, Ohio.

Sentance and Kuznecoff have had extensive experience in the wire cloth industry. Sentance, a graduate of the University of Saskatchewan is a former plant manager of Greening Industries, Hamilton. Kuznecoff has had more than 10 years of sales experience with a number of wire cloth firms in Buffalo and Detroit.

The new appointments will help to streamline production and sales of the Canadian firm's line of aluminum, steel and bronze wire cloth and to provide increased service to customers throughout the dominion.

The Richmond Hill plant which will eventually employ 20 in the manufacturing is not yet in full production. Mr. Sentance told "The Liberal".

KEEP YOUR LIBERAL CARRIER BOY SMILING!

Your "Liberal" carrier boy WILL keep smiling through heat, cold, wind, rain, snow or come what may...

if you pay him regularly each month when he calls to collect.

Carriers and their parents report that the most discouraging part of newspaper route work is the collections. Some people do not seem to realize that carriers must pay their bills on time each month and complete collections are necessary for them to meet their obligations and still make a profit.

Call Backs Take More Time and Time Is An Important Element To An Active Boy.

Won't you please have YOUR MONEY READY when your carrier calls this month? Your help will be greatly appreciated by him.
