## Oral French Being Taught

Oral French is being taught in Langstaff School Vaughan Township School Area Board learned Thursday night.

Classes sponsored by the French committee of the Langstaff Home and School Association were granted use of a classroom from 3.30 to 4.10 p.m. on Wednesday and Fridays each week. Thirty grade 7 and 8 pupils are benefiting from the instruction.

Mr. Elie Souche, principal's assistant at that school, who was hired by the board when it was thought that Oral French would become a part of the curriculum of all schools in the townships, is the instructor.

It was reported that the classes are well underway. More applications had been received than could be accommodated, it was claimed. It was also reported that some parents who had signed the petition against the teaching of Oral French were paying the \$10 tuition fee to have their children receive this instruction.
