The group are also participating this Sunday in the third "Interest Sunday" - when members will talk on their aims and projects for the year. The congregation will also see displays of their work during the past year. Rita Boyle is in charge of the display in the Fellowship Room.

A party for the Little Helpers is to take place this Friday (October 18th) at the church.

The fruit and vegetables will be distributed where there is need in the congregation.

## Richmond Hill Senior Citizens Enjoyed A Year Full Of Activity

Another year of "successful activity and projects" is outlined in the annual report of the Senior Citizens' Club of Richmond Hill.

Some of the highlights: Mrs. F. Jackson welcomed new director Mrs. Mona Robertson at a monthly meeting September 12, 1962.

The new club room was opened September 18 for craft work, quiltwork, and games such as cribbage and euchre. Rent of the clubroom is paid by town council. It's open five afternoons a week.

The annual bazaar was held December 5 and was described as successful, with a portion of the money received spent on chairs for the clubroom and on buses to take members on outings. There was a bake sale in May to help with expenses. Santa Claus paid his annual visit in December, bringing with him socks-full of gifts, cake and other Yuletide goodies.

Senior Citizens' Week was an activity-full one with church service at St. Mary's Anglican Church, June 2; a bingo at Lion's Hall, open houses, and entertainment.

Annual picnic was held in Stratford, June 26, where local members were met by the Golden Age Club of Stratford, who served tea.

The annual garden party was held June 12 in the auditorium of the Christian Education Building of the United Church.

Activities slated for senior citizens include once-a-week bowling free of charge at the Allencourt Bowling Alley. Euchre is held once a month in the clubroom. Admission is 35 cents and is for members only. Proceeds are for the new hospital in Richmond Hill.

Back from a visit with the Indians - The Donnelly, Lou, Mary and Jane, spent the Thanksgiving weekend at the Ojibwa Indian Reserve at Curve Lake. Lou, who is making a study of the Canadian Indian, his habits and customs, brought back a large number of authentic crafts and gift items. These, and many other Canadian crafts are to be presented for sale in the Donnelly's gift shop "Canadiana".

Accompanied by Mr. Hans Hofmann, the well known continental beautician, the trip was made even more pleasant by the opportunity the Donnellys had of meeting the son of the Chief, and being a guest in his lodge. A great deal was learnt, pictures were taken, and plans were discussed between Lou and the Chief, for a "Pow Wow" of Indians to take place in Richmond Hill at some future date.

Anyone interested in the Canadian Indian, his customs and culture, should contact Lou at TU. 4-5067.

Light Bulbs Anyone?

The Richmond Hill Junior Chamber of Commerce has announced this Saturday, October 19th, for their annual "Light Bulb Blitz".

The local unit will be out in full force to brighten up Richmond Hill through the sale of quality light bulbs, at a reasonable price, to householders.

Mr. Eric Clarke, chairman of the "Light Bulb Campaign Committee" stated that the Jaycees gives the young men of our community the opportunity to do their part by supporting such a worthwhile organization.

The first film to be presented in the fifth season of "Films of Note" programmes arranged by the Library Club of Richmond Hill High School will be "The Red Shoes" on October 18. Each programme will be shown for one night only, a Friday, in the auditorium of Richmond Hill High School.

"The Red Shoes" is one of two coloured musical films which Michael Powell and Eric Pressburger are famous for. The story is about a ballerina from the time she is discovered by a famous impresario. She falls in love with the composer of a ballet written specially for her and is caught between love for her husband and for her art. This ballet, "Red Shoes" is based on the folk story by Hans Anderson of the girl who donned a pair of magic shoes and could not stop dancing until she had danced herself to death. Acting, montage, music and color are all excellent.

On the same programme will be "Lonely Boy" which is one of a series of sociological studies made by the National Film Board. They are usually lively and controversial.

The October meeting of the Inner Wheel of the Rotary Club was held at the home of the president, Mrs. Ralph Butler, on October 8th.

Plans were finalized for their fall fund raising project and programmes discussed for the winter months.

At a recent meeting of the Richmond Hill Presbyterian Church W.A., following a short business session, Mrs. C. R. Tilt organized work groups to make nylon Christmas trees. These and many other hand made articles will be on sale at the annual bazaar to be held on November 23rd.

On invitation, - Mr. Arthur Burgin, conductor of Richmond Hill Symphony Orchestra, and Mr. Ray Stephens, business manager of this local organization - attended the semi-annual meeting of the Ontario Federation of Symphony Orchestras in Kitchener on Tuesday of last week.

Their visit resulted in the admission of the Richmond Hill Symphony Orchestra to membership in the Ontario Federation of Symphony Orchestras, which, together with the discussions and arrangements entered into by these two gentlemen, should prove of inestimable value to the progress of this popular and ambitious local symphony organization.

Mrs. Douglas McIntyre, John McIntyre and Brian Tinker, motored to Montreal over the Thanksgiving holiday, spending the weekend with Mr. McIntyre, at the home of his sister and brother-in-law, Dr. R.C. Hamilton and Mrs. Hamilton. Also visiting was Mr. McIntyre's brother, Mr. Malcolm McIntyre from Vancouver.

John and Brian, skiing enthusiasts, met up with friends and made a trip to the Laurentians, where they made tentative plans for their Christmas holidays.

The laymen of the Anglican Church of St. Gabriel, very ably conducted the 11 a.m. service last Sunday.

This was the 2nd of a series of "Interest Sundays" and the men, in conjunction with "Layman's Sunday", put before the congregation the aims and objects of the service in the church.

This Sunday the 3rd "Interest Sunday" will show the work which is undertaken by the women of the parish.

Mr. and Mrs. Charles Phelps of 243 Baker Ave. were given a farewell party by friends and neighbours on the occasion of their leaving Richmond Hill to take up residence in Port Colbourne.

Among the well wishers were Mr. and Mrs. Wm. Page, Rita and Frank Shorter, Bill and Orpha Stone, Rex and Betty Edwards, Ken and Mary Flynn and Fred and Thelma Evans.

"Bert and Charlie" will certainly be missed in the community and their many friends wish them well in their new home.
