

ELGIN MILLS - JEFFERSON

Evening Branch St. John's Anglican Church
TU. 4-3008

Jefferson Community Club
The members of the community club are extremely busy these days preparing for their bazaar on November 9, which is being convened by Mrs. Jane Williams and Mrs. Louise Ruston. A toy table will be an added attraction this year. Donations of new toys and used toys (which will be renovated) would be greatly appreciated. Anyone having spare toys around can have them picked-up by contacting Mrs. Phil Miller, or Mrs. Vera Dockman,

both on Gamble Road; Mrs. Myrna MacGregor or Mrs. Pat Schenk, both on Stancroft Drive. The community club is very active in the district and the Jefferson School is one of its main interests. Special projects for this year are the lighting of the school yard area and the planting of trees around the school. **Jefferson School News**
On October 7 forty-five excited passengers boarded a bus to the O'Keefe Centre, Toronto

in order to attend a performance of "Hansel and Gretel" by the Canadian Opera Company. The children were mostly from grades four to eight accompanied by four teachers and two parents. Mrs. Black and Mrs. Fulman. Needless to say, it was an enthusiastic audience, some of the children being surprised to learn that the entire presentation was sung — and everyone (adults and children) being delighted by the antics of the witch. The bus was supplied by courtesy of the Jefferson Community Club who made this memorable afternoon possible.

Parents' day at the school was on Thursday afternoon, October 10th. The procedure was somewhat changed this year. Instead of the parents talking individually with the teachers — the teachers of each room addressed the parents and explained what they were trying to achieve — not only to teach the three "R's" but also to help the children in the adjustment of getting along with other children. It was also stressed that parents should express their appreciation of their children's efforts and give a word of praise when their children bring their work home to show them. There was a very gratifying number of parents in attendance and the afternoon ended with tea and refreshments served by the social convenors of the community club.

1st Jefferson Cubs and Scouts
Twenty-six persons — Cubs and parents, two Scouts and a scoutmaster — formed the group that toured the Dunlap Observatory last Saturday night. The night was too cloudy to enable them to stargaze through the telescope. Instead they enjoyed a very entertaining film of the Universe — this film was shown on TV a few weeks ago — and both children and adults were intensely interested. Their capable guide was Mr. Percy from the University of Toronto and after the film showing he took them to the dome to show the group how the telescope operated and all its various movements. Mr. and Mrs. Fulman and family, Mr. and Mrs. Doug Andrews and family, Mrs. Mabee and new cub member Klein, were among those enjoying the evening.

Apple Day — This Saturday, October 19, is Boy Scout apple day and the Cubs and Scouts will be calling on the homes in the district. Also on Friday night several Scouts will be stationed around the district (at stores, service stations, etc.) to get the apple day drive off to an early start. This is the main annual fund raising campaign of the organization. — Let's all give generously and make it a real success.

An open meeting of the group committee will be held at the home of Mr. Ted Lavender, Elgin Mills Sideroad West, on October 20, from 2 p.m. to 4 p.m. All the fathers of the Cubs and Scouts are very welcome and asked to attend if at all possible.

Elgin Mills - Jefferson Hospital Auxiliary
A meeting of the hospital auxiliary will be held at the home of Mrs. Marg Waters on Wednesday morning, October 23, at 10 a.m. All members are especially requested to attend if possible. If anyone needs transportation, please contact Mrs. Waters, TU. 4-3375, and it will be provided.
Track Meet
On Wednesday, October 9, a track meet was held at the Passmore property, Yonge St.

Junior (under 15) and intermediate and senior teams from the high schools of Aurora, Richmond Hill and Huron Heights participated. A tough two and one-half mile course was laid out by John Passmore and proved a real test for the speed and stamina of the contestants. Aurora won the event, with Bayview coming a close second.

Neighbourhood Notes
Many happy returns to Mary Lou Evison on October 21, and a very happy birthday to Steven Diceman on October 22.

Mr. and Mrs. L. Boyle, Colleen and Gary, enjoyed Thanksgiving day at the home of Mrs. Boyle's parents, Mr. and Mrs. Isaac Meyers of Edgely.

Mrs. Dorothy Cracknell and Walter attended the marriage of Dorothy's cousin, Robert Golden, to Joan Spencer in Trinity Church, Galt, on Saturday. Accompanying them was Dorothy's aunt, Mrs. Petura of Gravenhurst, who returned with the Cracknell's for the weekend.

Spending the holiday weekend with Mr. and Mrs. Ted Gamble and family, Naughton Drive, were Kay's parents, Mr. and Mrs. Spain of Port Dover.

The Monday Niteers enjoyed their first such of the season at the home of Mrs. Vi Gamble on October 14. The prize winners were Mrs. Erma Leno, Mrs. Marg Browne, Mrs. Ruth Gouling and Mrs. Vi Gamble.

Mr. and Mrs. Fred Waters and family, accompanied by Doug Gregg, left last Thursday on a hunting trip to their cottage at Munroe Lake, Timmins. They returned Tuesday morning and reported that the weather was perfect and the partridge hunting excellent.

Mrs. W. R. Capell has returned to her home in Toronto after visiting a few days with her daughter, Mrs. C. Gould, and family.

The pleasant weather on the holiday weekend gave many families a last chance to make one more trip to their cottages. A few who did so are — Mr. and Mrs. Terry and family were at their cottage at Thorah Beach, Lake Simcoe. Mr. and Mrs. E. Hall and their son Bill

with his family enjoyed the weekend at their cottage at Crystal Lake.

Mr. and Mrs. F. Powell and family spent the weekend at their cottage at Chandos Lake. They noticed several persons water skiing which would be an unusual sight for this time of year.

Mr. and Mrs. John Passmore accompanied by Dinny's parents, Mr. and Mrs. Ed Butlin, had an enjoyable weekend at the Passmore cottage, Chandos Lake. (Maybe they were the water skiers).

Church News — St. John's This Sunday, October 20, will be Layman's Sunday.

Don't forget the turkey supper at the parish hall on November 6. Admittance by ticket only and tickets may be obtained from members of woman's auxiliary.

Cancer Society Will Hold Big Conference Woodbridge Oct. 30
A "share your ideas and experiences" program will highlight a workshop conference by District Council 12 of the Canadian Cancer Society October 30 at Christ Church Anglican Hall in Woodbridge.

Members of local units and branches are invited to attend the conference which will have Mrs. H. Krug, of Kitchener, chairman of Women's Services for the Ontario Division, as guest speaker.

Purpose of the workshop is to bring up-to-date information to volunteer workers, exchange ideas, and study the changing pattern of the various services. Workshop programs will be held dealing with campaigns, education, extension, medical advisory, publicity, treasure and women's services.

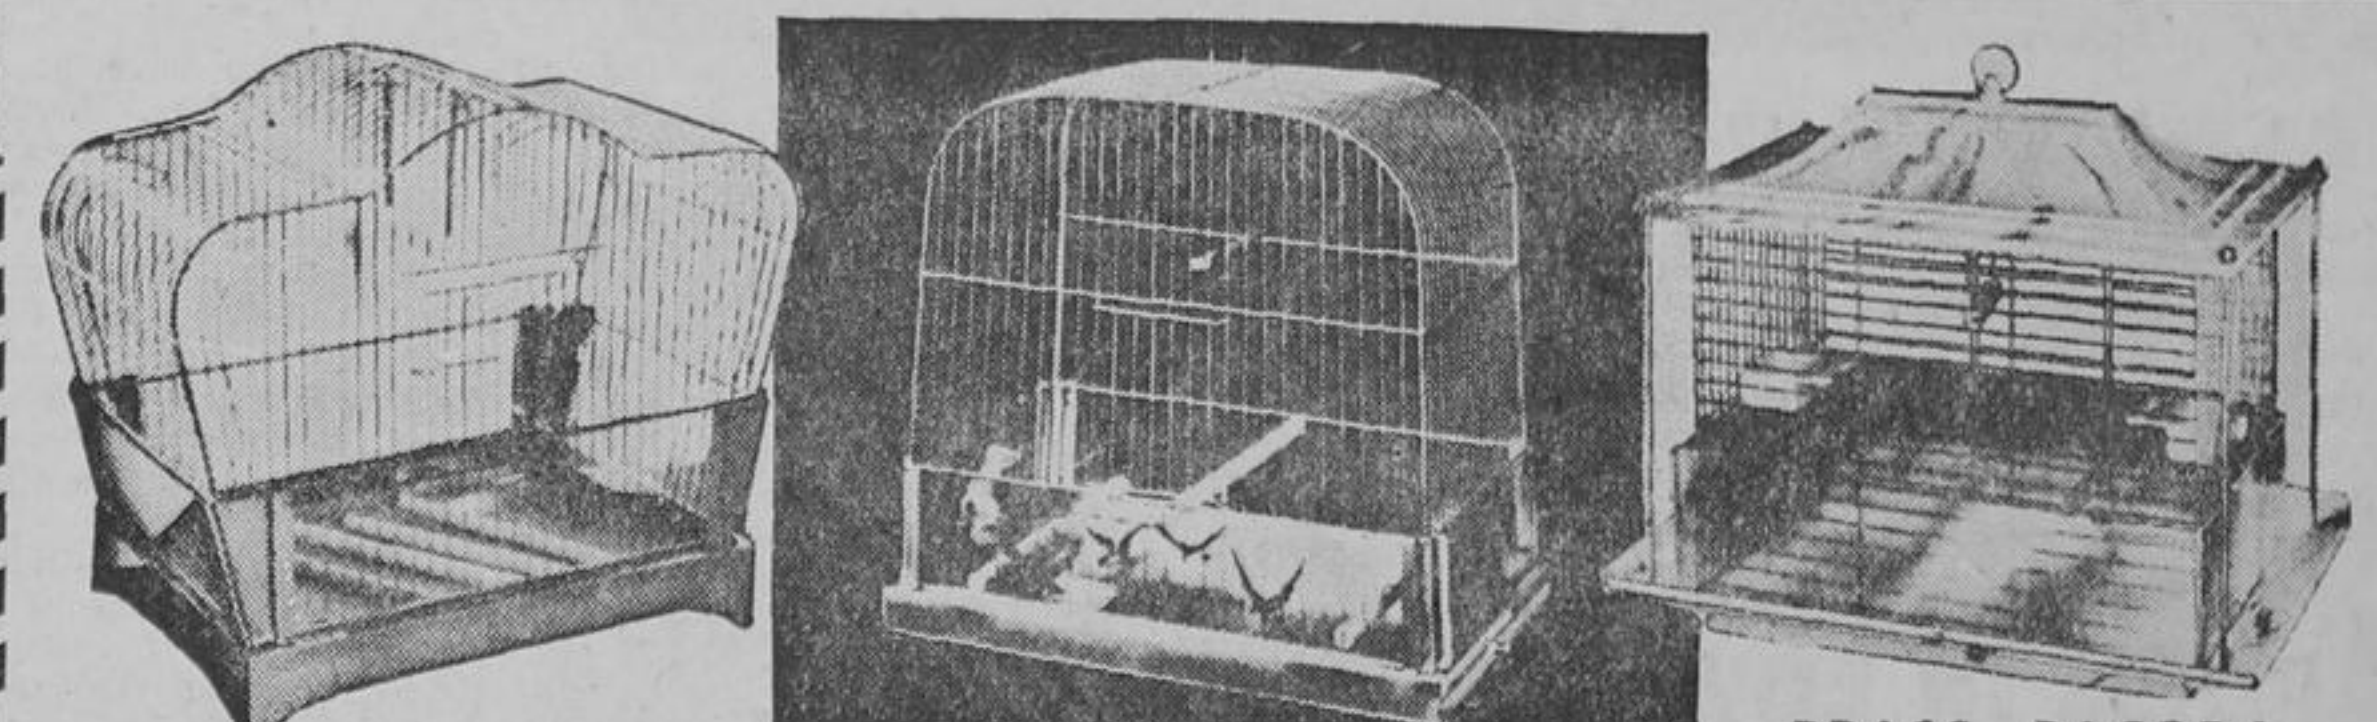

The ten units and 32 branches in the district are invited to have as many of their workers attend as possible.

COME! SEE! BLACKIE, OUR TALKING MYNAH BIRD

BELL LINES

by Bill Barnes
your telephone manager

LEAVE YOU HOLDING THE BAG?

Hang on, there, we wouldn't do a thing like that! No siree, a wall phone is a wall phone is a wall phone, and there's no need to drag over a table or whatever to rest the receiver on if you want to leave your caller for a moment. No need, either, to try a "test drop" to the floor to see if it's safe to just let go (publizee don't do this), or worry about the receiver dangling there against the wall. As is seen here, the handset hangs quite snugly on the notch on the top.

Incidentally, wall phones are available in white, ivory, grey, beige, yellow, pink, red, and green. White seems to be the most popular—probably because the wall phone is especially ideal for the kitchen (where it's close at hand, yet out of the way), and white matches the stove and fridge.

TWO WRONGS

Ever answer the phone only to find no one on the other end of the line? Downright irritating, isn't it? Usually when this happens, the calling party has suddenly realized that he has the wrong number, and simply hangs up. Elementary politeness would require that he excuse himself for bothering others needlessly, but he prefers to hide in the shade of anonymity and compound his fault. A simple, "I'm sorry, I've got the wrong number," may not quite make up for the mistake, but it certainly indicates a sense of social responsibility and, as often as not, is all that's needed to bring a sympathetic or even humorous reply from the "wounded" party. Of course, no one in his right mind would ever purposely call a wrong number, but—despite all our emphasis on looking the number up and jotting it down, etc.—mistakes do happen. When they do, it's good to remember that two wrongs can never make a right.

... AND THEN THERE'S GEORGE

For months, the area around the zoo at Chester, England, has been plagued by a rash of wrong numbers, and telephone employees thought they were slowly losing their minds. Every time the repairmen went out to try and track down the culprits, they came back empty handed. But one day the light dawned, and a telephone pole at the zoo was raised about four feet: the culprit they were looking for happened to be George, a giraffe. George, 18 feet tall and all of it apparently playful, liked to grab the telephone wires with his tongue and let them twang back. The wires would get tangled up and cause telephones to ring all over the place. They stopped when the wires unwound.

\$49 FULL DOWN PAYMENT **5 1/2%** FINANCE CHARGES

Monthly Payments Start As Low As \$69
Since 1961 we have offered this exclusive low payment plan that has meant new car ownership to hundreds who otherwise would have had to consider a used car. We are still the only dealer in Ontario that can deliver a new car on this plan WITHOUT CHATELERS OR ENDORSERS. The interest rate on the balance is a low 5 1/2%, i.e., \$55.00 per \$1,000.00 per year. So compare the total cost before you buy. Check with our competition and you will see why more and more people every week are finding we sell.

TOWNSHIP OF MARKHAM LOCAL IMPROVEMENT NOTICE

TAKE NOTICE THAT

(1) The Council of the Corporation of the Township of Markham intends to construct as a local improvement 50 foot wide paved roadways complete with curbs, catchbasins, driveway entrances, special intersections and boulevard seeding and sodding on the following streets:

Meadowview Avenue—from E.S.L. Yonge Street to E.S.L. Dudley Avenue
Doncaster Avenue—from N.S.L. Meadowview to W.S.L. Henderson Street
Henderson Street—from N.S.L. Dalmeny Road to 340 north more or less

and

to install a 10-inch diameter ductile iron mechanical-joint watermain, complete with valves, hydrants, fittings and private service connections on Meadowview Avenue from E.S.L. Yonge St. to E.S.L. Dudley Avenue and to install a 10-inch ductile iron mechanical-joint watermain, complete with valves, hydrants and fittings on Doncaster Avenue from N.S.L. Meadowview Avenue to W.S.L. Henderson Street.

The following is the proportion in which the estimated cost should be borne as between land directly abutting and the Corporation

| | |
|------------------------|------------|
| Land directly abutting | \$124,073. |
| Corporation | 40,927. |
| Total | \$165,000. |

The estimated cost per assessable foot frontage is \$21.19. The special assessment for the work is to be paid in fifteen equal annual instalments and with interest of 6% the estimated annual cost is \$2.18 and for storm sewer connections approximately \$10.60.

Application will be made by the Corporation to the Ontario Municipal Board for its approval of the undertaking of the work and any owner may within 21 days after the first publication of this notice file with the Clerk his objection to the work being undertaken.

The Board may approve of the work being undertaken, but before doing so it may appoint a time and place when any objections to the work will be considered.

Dated at the Township of Markham, this 15th day of October, 1963.

H. C. T. Crisp,
Clerk-Treasurer,
Township of Markham,
R.R. 2, Gormley, Ontario.

1st publication this 17th day of October, 1963.
2nd publication this 24th day of October, 1963.
