Going To Races

(Continued From Page 1)

Clerk H. C. T. Crisp had earlier informed council that there was a by-law prohibiting racing in the township and "the solicitor feels the bylaw would apply to dragstripping."

E. Chapman, one of the applicants for the drag-strip, suggested council should write to the municipality in the St. Thomas area where a drag-strip is now located "to get their feeling about it."

It is Mr. Chapman's contention a properly-run strip would not be a nuisance to anyone in the township.

Reeve Hooper noted the locale of the proposed area is not close to any buildings.

"We might have to change the days of operation from Sunday to Saturday if we allowed it," he said. "And we might have to have a bylaw on this for Sunday sports. We're coming into something no other township in the county has faced."

Councillor Charles Hoover said he was very "willing to take in a drag-strip race."

Councillor Allan Hoover congratulated him on his "sporting blood" and said he was willing, too.

Clerk Crisp was asked to enquire into the strip at St. Thomas and get the general reaction to it.

The matter will be discussed further in two weeks... after the race?

Proper Recognition Of Champions

Fitting recognition of Dynes Jewellers and the local lawn bowling rink which brought Ontario championships home to Richmond Hill this year was the subject of discussion at Monday night's Richmond Hill Council meeting.

Dynes Jewellers Fastball team won the Ontario Intermediate "A" title, and Al White, Ed Lane, Russell Lynett and James Grainger won the Ontario Lawn Bowling rink title.

Councillor Al White reported that council had earlier delegated Reeve Floyd Perkins, who was absent from the council meeting, some time ago to bring in a recommendation for a suitable recognition of the bowlers. The local bowlers had suggested that an invitation tournament be held for all previous winners of the provincial championship on the local greens, with a banquet following in the Lions Hall. Only 23 service votes were recorded for York North riding in the September 25 provincial election. Donald Plaxton, Liberal candidate, received 12; A. A. Mackenzie, Progressive Conservative received 8; Robert McVey, New Democratic Party, received 3; and William Fuller, independent, received none.

Final official returns were Fuller 851, Mackenzie 18,233, McVey 5,959, and Plaxton 12,000.

Rejected ballots totalled 241, total number of ballots cast (excluding rejects) 37,043. Total potential voters enumerated in the riding 64,352. Only 57.49 per cent of the eligible voters exercised their franchise, which was considerably below the average for the province.

Director, Board In Bout

(Continued From Page 1)

"that's where the disagreement might come in."

He went on to counter Metro's letter as signed by Ell Comay, commissioner of planning and secretary-treasurer of the Metro Board, concluding by suggesting that Mr. Comay should present Metro's case to the local board.

Board members felt the letters in question should have come up before them prior to being aired at council the previous night.

"We should have had a chance to discuss it before it was passed onto council," said member Harold Whillans.

Council on Monday night recommended a joint meeting between itself, planning board, and Metro officials to discuss the official plan.

Deputy-reeve Stanley Tinker, representing council on the planning board, said it was council's intentions to contact the board instructing it to hold a hearing with Metro.

"It was felt the board should

have a meeting with Metro with or without the presence of town council," he said.

Chairman Cecil Williams agreed stating it was the logical approach toward reaching an understanding.

Director Deeks said he had suggested a meeting in his letter for three or four weeks "after the 21 requested official plan documents are received and studied."

"I do not see the basis of the first letter sent to me by Mr. Comay," he concluded. "It was quite a shock."

Mr. Scrimger stressed the value of the meeting with Metro saying now was the time to discuss it before the official plan is settled.

"We can't expect them to jeopardise the long range deal of the whole area for us but now is the time to deal with the matter."

"It's now that we can put in safeguards," agreed member Harry Sayers.

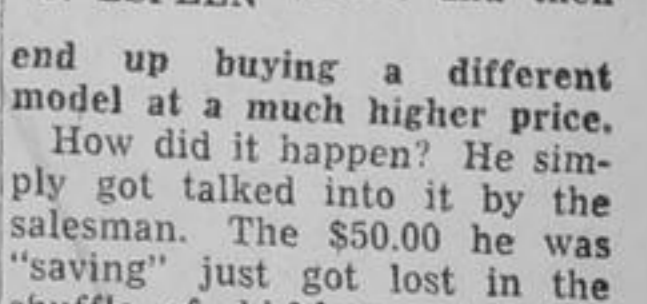

"The door is still open," added Mr. Whillans.

The Fine Art Of Salesmanship

Anyone who has ever been bamboozled by a fast-talking salesman will know what I mean when I say that appearances can be deceiving.

Take the case of a new car shopper. I've seen it happen many times where the prospect would tour a number of towns and cities until he got the best offer (by about \$50.00) and then

end up buying a different model at a much higher price. How did it happen? He simply got talked into it by the salesman. The \$50.00 he was "saving" just got lost in the shuffle of different model prices, optional equipment, accessories and finance terms.

The trade slang for this type of high-powered selling calls it "spinning" the prospect. Pretty descriptive, too, since it usually leaves him dizzy and confused.

Here is the kicker, though: Out of the confusion of the final deal, the buyer clings to the thought that dominated his mind during the whole transaction. That is that he was "saving" \$50.00! In case you're ready to scoff, let me add I've seen many educated and intelligent people fall into this trap! It's not so surprising, though, when you realize most folks aren't even aware of the exact rate or amount of finance they are paying.

It is our policy to plainly state all the facts of a sale. We hope you check all the facts. If you do you'll find there is no comparable value for your money than that offered by

Martin Luther Film

"Martin Luther" — the film version of the life of the first Protestant — will be shown Sunday at 7:15 p.m. at St. Gabriel Anglican Church, Crosby at Bayview Ave. The film is co-sponsored by St. Paul's Lutheran Church in observance of Reformation week.

The film will be the same feature-length production shown in commercial theatres around the world. When released it was among the top ten in box office receipts for over a year.

"This is a fine opportunity to see one of the truly great films of our time," said the Rev. Albert E. Myers in announcing the showing. The public is invited.

The film shows Luther's experiences as a Roman Catholic monk, priest, biblical scholar and professor. It traces his rediscovery of the message and faith of the Bible and of the early Christians.

Based on careful historical research, the film is an accurate account of the reformation of the Christian church. Luther is called the father of Protestantism. The church bearing his name remains the largest Protestant body in the world — over 80 million members.

"This film speaks to modern man with great force," said Pastor Myers. "Many people are still trying to find a satisfying and saving faith. Luther's experiences are repeated daily, mentally and emotionally."

Sunday evening's event is a unique Anglican-Lutheran observance of the Reformation anniversary. No admission charge or donation will be received.

The film was produced in Germany by English-speaking actors. The production is of the highest quality and the screen portrayal of Luther's struggle for freedom and faith is gripping.

Here's a smile for you

A daddy lion was lecturing his baby lions on proper behavior and illustrated his point with a story:

"Once there was a famous lion who killed a large bull. After eating his fill, he was so pleased with himself that he went around the jungle roaring and roaring until a hunter heard him and shot him."

"And ever since that," he continued, "all wise lions have known that when you are full of bull it is best to keep your mouth shut."
