

...SPORT SPOTS...

(Continued from page 9)

This year the incumbent executive saw fit to send teams into softball tournaments in various Ontario centres. This took some planning and juggling without disrupting regularly scheduled league games. And yet it all went smoothly.

Coaches, executive and umpires will get together in November to treat their wives to a party and dance. This will make up in a small way for numerous inconveniences suffered during the season. Everyone that attends will gladly pay their own way — there is no complimentary list for this affair!

President Jim Mansbridge, the entire executive and every coach, umpire and assistant coach deserve a lot of praise for a job well done. They've had such a good year it will be difficult for another executive to live up to their record. As they used to say in jolly old Rangoon — "Fine show chaps"!

TWO CHAMPIONSHIPS IN ONE SEASON

The fickle finger of fate beckoned and decreed that we would be in Galt the night that Dynes Jewellers won the Metro Major Fastball League championship. We got back to the old homestead on Friday afternoon and the first person that our tired old eyes lighted upon was Vern Dynes. Just by looking at him we might have known his team had won. He had that happy look. An O.A.S.A. title and the Metro Major title in one season are enough to make any sponsor slightly delirious!

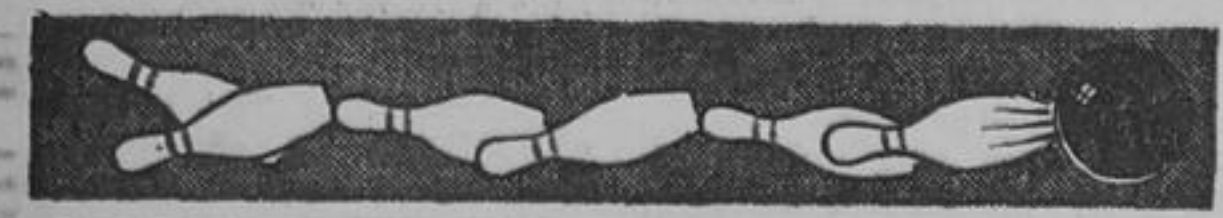

Congratulations and well wishes have been showered down upon Mr. Dynes and on his softball team. We'd like to add our congratulations to the rest of them. This has been the best year yet for softball in Richmond Hill. From comparatively humble beginnings the game has become a big part of the life of the town. We hope that succeeding years will only add to the growth of the sport and that many, many more championships will come into Richmond Hill.

BOWL

ALLENCOURT MEN'S MAJOR

Robert's Driving School and Lake Simcoe Fuel Oil took all the trophies from Dynes Jewellers and Tom Hughes Shell Snacking Service, Turnbull Grocery, Allencourt Lanes and Manufacturers Life. Getting the remaining two were United Tire, ABC Bowling, Rangers and Richmond Hill Auto Wreckers.

In the high average race, Bob Weeks is leading with 263, followed closely by Arne Skrettleberg at 262. Art Higgins and Al Richardson are tied with 253.

Dalton Rumney Injured By Cob Picking Machine

Dalton Rumney, former deputy-revee of Markham Township became entangled with a cob picking machine on his farm at Victoria Square on Thanksgiving Day.

Mr. Rumney's arm was badly mangled, requiring 52 stitches to close the wound, though no bones were broken. His pant leg also became entangled in the machine, ripping off his clothes, but he suffered only a few bruises to his legs.

After a few days as a patient in Newmarket Hospital Mr. Rumney was able to continue his convalescence at his home. The president of Markham Fair, however, was forced to miss the race meet on Saturday.

Dynes Baseman Peppered With Buckshot

Dynes Jewellers Second Baseman Brent Selva was mistaken for a pheasant last Wednesday and plastered with buckshot.

The injured player for the Richmond Hill Ontario champs required hospital attention to wounds to his legs and chest after he was peppered with shot in an incident in the Unionville area.

He and teammate Neb Gayman, Dynes shortstop went on hand for the opening of the pheasant season.

He told a "Liberal" reporter the guilty hunter was so shocked when he aimed at a bird and shot Selva instead that he tore up his hunting licence in front of them and vowed never to hunt again.

Another Richmond Hill man John Smith, 20, was reported wounded by a pellet as he worked on a car across from Dalton Airport. He said he saw a hunter stand and fire at a rising bird, the shot peppered the car and one pellet ricocheted, striking him in the forehead.

Second Championship For Dynes Jewellers

Dynes Jewellers added the Metro Major Fastball League championship to their O.A.S.A. laurels in Richmond Hill last Thursday night. In a fast, crowd pleasing game, the Jewellers nipped the title by virtue of a 1-0 10-inning victory.

The Jewellers deserved to win all the way as they outthrew the G & A squad 10-3. Some fine fielding kept G & A in the game and kept their hopes alive up until the tenth inning.

"Skip" DeGeer had been pounding the ball well throughout the game, drew a walk to open the tenth inning. Gary Smith followed and was also passed. With two men on, Sid Steffan hit a sizzler toward Dick Moulton, the G & A first sacker. Moulton made the pick-up and attempted to pick Smith off at second. Smith was forced but managed to allow DeGeer to the plate to upset DeGeer to score the winning run.

Neb Gayman and Moe Williamson each had two hits for the Jewellers. Ross Golden, on the mound for G & A, pitched well but was tagged for 10 hits while striking out seven.

Ray Judd had 22 strikeouts and gave up three hits in the 10-inning game.

This was a fitting climax to a final championship game. Both teams battled to the wire and neither club ever conceded anything at any time. For the large crowd in attendance this was the thriller of the year. Local fans were happy with the outcome but,

Indians Prep For E. York Clash

Allencourt Pharmacy Indians were idle last weekend and got a chance to heal up aches and pains. This Saturday the Indians will host East York in the last scheduled Metro Rugby Football Union fixture before playoffs begin.

Coach Del Madeley is quite confident that the Indians have the know-how and ability to go all the way to the league championship. All indications point to the Indians a n d Northwestern Ghosts meeting in the opening round of the playoff series.

Dressing rooms are now available to the Indians and

THORNHILL SECONDARY

In an invitation cross-country meet held at the home of Mr. John Passmore in Jefferson, Thornhill senior cross-country team proved to be a real surprise package. Mike Chuvalevich, Matti Heinonen, John Snider and Mark Snider grabbed the first four finishing places in that order. For a team that has not had too much serious practice the Thornhill team has showed up as a real powerhouse and is causing consternation amongst other school teams.

The soccer world was not as kind to Thornhill as both teams, senior and junior, were defeated by Aurora. The seniors took a 3-0 shutout defeat, with the juniors losing a 4-1 game.

Thornhill's junior football team attempted to play another game on reputation. King City were not overawed and proceeded to hammer out a 17-8 win over an apathetic Thornhill squad.

The senior football team coasted to an easy 39-0 victory against Markham. No matter how many games the senior team wins they always play good, solid ball. Their attitude toward the game should be copied by their junior brethren.

Last Thursday's "Powder Puff" game left the United Appeals coffers \$171.00 heavier. The girls were formed into two teams, the Uniteds and the Appeals. The Appeals hung a 12-6 decision on the United squad. Surprisingly enough, the girls played it hard and fast, with Diane Hall and Barbara Griffin displaying some surprising tackling ability.

Richmond Hill High

In a clean, fast, no quarter asked or given football game, Richmond Hill Seniors took a

9-7 defeat at the hands of Pickering College. Flu and injuries sidelined some of the Richmond Hill team but Pickering came up with a really sound performance. Bruce Sim scored a T.D. for Richmond Hill, with Don Gibson booting a single.

Richmond Hill Bantams won a 33-0 defeat on Bayview bantams as the hapless Bayview squad were unable to get untracked.

Miles defeated Richmond 2-0 and Harrison took Stewart to camp 4-1 as the intramural soccer program got off to a flying start. The badminton club also started operating under the guidance of Mrs. Dolores Hill. Girls' volleyball teams have been playing exhibition games in preparation for the upcoming season.

Stewart House won the intramural football championship by defeating Harrison House 12-0.

O'Connor Fund Sale Successful

The auction held in the Town Park last Saturday on behalf of the O'Connor Children's Trust Fund was a financial success. With Ken Foss as auctioneer the many valuable and useful items donated by local merchants were rapidly disposed of. People seemed to open their hearts along with their purse strings in aid of a most worthy and necessary cause.

A ball game between the Mic Mac girls' softball team and the C.F.G.M. Record Spinners entertained the crowd during pauses in the auction. In all fairness the girls were more than a match for the radio crew, but for charity's sake we'll say the game ended in a 2-2 tie.

Pheasants proved to be smarter than a lot of would-be hunters last week. Most pheasant-hungry hunters went home without the succulent birds as groups seemed prone to gather in the pheasants were just a bit smarter as they split up.

The warm weather has made duck hunting a poor sort of bet with the ducks just not showing up. Cooler weather, which is bound to come along some day, will undoubtedly improve duck hunting conditions.

Newmarket & District Soccer Results

Saturday's Results

Newmarket I 5, Orillia 2, Etobicoke I 7, Aurora II 0, Aurora I 6, Etobicoke II 0, Etobicoke I 7, Aurora II 0, Barrie 6, Unionville 0, Richmond Hill 8, Midland 1.

Final League Standing

Team	P	W	L	T	Pts.
Aurora I	20	18	2	0	36
Newmarket I	20	17	2	1	35
Barrie	20	16	3	1	33
Rich. Hill	20	10	7	3	23
Unionville	20	8	9	3	19
Etobicoke I	20	8	9	3	19
Midland	20	7	9	4	18
Orillia	20	5	10	5	15
Newmarket II	20	5	12	3	13
Etobicoke II	20	3	17	0	6
Aurora II	20	1	18	0	2

The top eight teams will play a cup tie series for the league championship. Aurora II have finished play for the year leaving Newmarket I and Etobicoke II to battle it out in a consolation round.

STOUFFVILLE: On November 17 a new telephone exchange, Bethesda, will be opened to serve 250 customers from the northern section of the Gormley exchange. At the same time customers in the northern part of Unionville will get their service from the Gormley exchange.

Alfred Shenfield took his mother to Lake Placid for the holiday weekend.

Mr. and Mrs. E. Hill are home from their travels, and spent Thanksgiving at their Gull Lake cottage in Haliburton. Over the holiday there were 25 guests at the three family cottages, among them Mr. and Mrs. Cliff

Water—To Be or Not To Be?

The pros and cons of bringing water service from the John Street pumping station up to Buttonville have been discussed for such a long time that the subject has become rather like the weather—we hear talk, but no one expects anything to be done about it.

Now, however, the picture has changed. Last week Markham Township Council agreed that local residents should be given the opportunity to have municipal water if they really want it. Any day now, those who live in the Don Mills Road, Buttonville area should be receiving information about this proposed improvement, either through the mail or in the press. Study it carefully.

And remember these facts—1. If the township receive one written objection to water coming into the area, there will have to be a municipal board hearing, so don't build your hopes too high. This may take time.

2. Council has agreed a six-inch watermain should be laid at present.

3. Council has been advised that a 12" main is required from John Street to No. 7 Hwy. If future development is to be served. The engineer has warned that fire insurance underwriters require a certain flow of water for industry which would be met by a six inch main.

4. The engineer also advises that if a six inch main is laid now, another six inch main may be required in a very few years to reinforce it.

5. When you receive your information regarding costs, etc., remember this is figured on a twenty or thirty year basis. At present residents pay a two mill water area rate, and when the water main is laid there would be a yearly per foot frontage rate, plus water consumption, added to the present charge.

Neighbourhood Notes

Autumn activities are well underway, and this week at Buttonville W.I. Hall the fall euchre series begins Friday evening at 8:30 p.m. The smorgasbord dinner at Brown's Corners United Church is an event everyone wants to attend, and it will be held October 29, from 5 p.m. a gourmet's delight!

Mrs. S. J. English had guests from Montreal visit her over Thanksgiving, her brother and his wife, Mr. and Mrs. Gordon MacGregor.

Alfred Shenfield took his mother to Lake Placid for the holiday weekend.

Mr. and Mrs. E. Hill are home from their travels, and spent Thanksgiving at their Gull Lake cottage in Haliburton. Over the holiday there were 25 guests at the three family cottages, among them Mr. and Mrs. Cliff

Cox and their children.

Mrs. Ray McTavish returned recently from a three-weeks' sojourn in Europe. A wonderful holiday!

W.I. Hear Mrs. Howden

Buttonville W.I. members heard an address by Mrs. H. R. Howden last week, when they met at Buttonville W.I. Hall. Mrs. Howden, who is the wife of the rector of Holy Trinity Anglican Church at Thornhill, and a lawyer in her own right, drew an outline of the history of our form of government, in which her audience was keenly interested.

Another guest was Mrs. H. H. Mackay of Richmond Hill, president of the area East York Women's Institutes. With her were Mrs. Dewsbury, president, and several members of the Richmond Hill branch.

Mrs. George Kelly conducted the meeting, and hostesses were Miss Mary Rodick, Mrs. Aubrey Stephenson and Mrs. O. Brooke.

During business various activities were discussed. Delegates to the Central Ontario Area convention to be held in the Royal York Hotel early in November will be Mrs. Charles Hooper and Miss Cora Brodie.

On Tuesday of this week, several members will attend the fair boards' convention at Markham, along with Mrs. Kelly who is a convener of women's work at Markham Fair.

Three dinners are scheduled for Buttonville W.I. hall at which institute members will cater: Markham Fair Board, December 3; the Junior Farmers' on November 26, and a small affair for euchre players from Zion around the middle of November.

Happy Timers

Unit No. 1, the Happy Timers, Brown's Corners United Church Women, met Tuesday evening of last week at the home of Mrs. John Brumwell. The hostess and Mrs. Bill Wilson conducted the devotional service on the Thanksgiving theme, and during the evening the group discussed various topics—regulation in schools, should sex education be taught in the schools, etc.

Funds for the support of the group's Korean orphan are coming in very well. The travelling bake sales have helped swell the coffers in this regard, and last week members held a sale of 25c articles. Mrs. Brumwell tells us she has posted information about this small blind Korean orphan on the church bulletin board, and anyone interested may see it there.

NEWMARKET: About 70 former members of the 127th Battalion met in the Canadian Legion Hall for the 44th consecutive time since World War I. Richard Dean was again named president of the association.

Area Lutherans Attend New College Dedication

Area Lutherans offered special prayers of thanksgiving Sunday on the occasion of the dedication of their new seminary building at Waterloo.

More than fifty members of St. Paul's Lutheran Church, Richmond Hill, Bethesda Lutheran Church, Unionville, and Zion Lutheran Church, Maple, attended the dedication services.

The seminary is maintained by the Eastern Canada Lutheran Synod on the campus of Waterloo Lutheran University. The new building marks the close of the first half-century of ministerial education at the institution.

The half-million dollar structure provides lecture rooms, reference room, faculty and administrative offices, student lounges and a 120-seat chapel, it can accommodate 75 students. Dormitory space will be built nearby.

The building, U-shaped, forming a cloister around a cross held aloft by a massive tower, is on a hill overlooking the university campus.

Dr. Franklin Clark Fry, chairman of the executive committee of the World Council of Churches and president of the Lutheran Church in America, was guest preacher for the dedication service.

Over 3,000 Lutherans overflowed the university auditorium and the adjacent dining hall to attend the service. The building was designed by the firm
