With the first hockey practice on the following used to great advantage, plus Saturday - a skate and hockey equipment exchange will be operated by the George Bailey Home and School Association at Maple Plaza on October 26 from 1-4 p.m.

The children will be notified through the school, as to where they may take their equipment before the time of exchange.

Be sure you take advantage of this terrific way to get your required equipment which is far less expensive - especially for growing feet which necessitate a nearly annual exchange.
