Hill Town Council Briefs

Richmond Hill Town Council Monday night accepted the tender of Donald J. Williams, Cedar Avenue, to supply 15,000 gallons of No. 2 domestic fuel oil for heating the municipal building for the 1963-64 season. Amount of the tender was 13.8 cents. Four other tenders ranged from 13.9 to 15.3 cents per gallon. Council accepted a recommendation of the transportation and parking committee that it is not possible at this time to extend the local bus service into Vaughan Township to service the York Central Hospital. Councillor Walter Scudds said that when construction of the extension to Trench Street is completed, the subject will be reviewed to see if such a service will be feasible. At present, he said, the solicitor had advised that it was legally impractical. Council agreed to meet with the housing committee of the Senior Citizens' Club at next week's council meeting regarding the report prepared by the Ontario Government. Council approved in principle a recommendation of Metropolitan Toronto Planning Board that a condition of development of future residential subdivisions should be the provision of at least one tree per lot in the subdivision, either by retaining existing trees or by planting a new tree on each lot prior to occupancy. The size and type of any new tree will be specified by the municipality concerned. A resolution was passed to include the trunk sewer from the Pleasantville pump house to the hospital pump house in the winter works program. Clerk Russell Lynett reported that the bylaw enforcement officer had investigated a recent complaint re parking of trucks and commercial vehicles on Maralim Road. His report said there is no infraction of existing bylaws as far as he could determine. Councillor Allan White reported that the works department is planning this week to look into the possibility of providing a walkway in the South Taylor Mills area to benefit children attending Crosby Heights School and using the facilities of the new Crosby Avenue Park. Councillor Walter Scudds reported that the York Central District High School Board had made an excellent presentation of their problems and plans at the closed meeting on October 24. He reported that assessment per pupil and percentage of government grants is continually decreasing while the trend of cost is constantly upward. The board is prepared to offer courses to train personnel for specific industries if requested, he said. Councillor Scudds expressed deep concern over limitations on Richmond Hill's expansion included in the recently received Metropolitan Toronto official plan for the area. This plan pegs Richmond Hill's growth to 27,000 by 1980, and sets limitations on its expansion. He said the plan contains no formula for grants in lieu of expansion which is permitted under Bill 80, and felt that such should be included. "If we could get financial aid we wouldn't have to expand," he said. Council plans to take this matter up with the Metro Planning Board.

Celebrate Halloween Early
All Halloween's Eve was celebrated well ahead of time in Headford but that in no way discouraged the spirits that met in Headford Church School room October 26. Treasure hunt, scrambles, apple biting and all of the antics that are part of witches' night were enjoyed. Among the adults Doug Young won a prize for the most original costume. A strange but he was, his own design and make. Harry Burton won a prize for silence and Rosemary Leek for being the greatest of the guests an opportunity to shower their young bride-elect relative, Elisabeth Barker with gifts and best wishes. A salad plate supper was served by the hostesses. Guests attended from Dundas, Hamilton, Dundalk, Stouffville, Sherwood, Toronto and local points. **Guiding News** Eleven members of First York Central Rangers, senior branch Girl Guides made camp on the property of Mr. and Mrs. R. Stator of Headford the weekend of 25. The camp was arranged to allow one girl to try for her camper's badge. The Girl Guides hold a high standard for performance and promotions are earned through real endeavour. This group is fortunate in having for their leader Mrs. R. Stator who is also area ranger adviser. The area extends as far north as Halliburton taking in Lindsay and Port Hope. Mrs. Stator was one of two leaders who chaperoned a group of twelve Guides to Europe in 1962 and she expects to take a group to Mexico in 1965. With her flair for organization and planning she is studying Spanish. **Social Notes** Recent guests in the home of Mrs. N. Brodie were Mrs. Charles Snider, Concord with her son Campbell, his wife and family and Mr. and Mrs. James Webster and Dorothy, Newmarket. Mr. and Mrs. D. Langford and family of Oakville were guests in the home of the Harry Burtons. Mrs. Langford is a sister of Mr. Burton's. The community is sorry to say goodbye to the Herb Snider family, who on November 1 moved to Richmond Hill.

Zion Fellowship Supper Fun For Its 100 Guests

About 100 members and friends of Zion Lutheran Church, Sherwood, attended the annual fellowship supper, sponsored by the L.C.W., last Friday. After a turkey dinner with all the trimmings, guests were treated to a varied program. Recitations were given by Jill Davidson, Patti Pabst and Heather Keffer. Musical selections included a piano solo by David Reed, accordion solo by Gary Keffer, piano duet by Heather and Sherry Lange. Vocal selections were given by Gail Keffer and Donna Davidson (duet), Mark Medensky, and the nursery, kindergarten and primary classes. A skit, written and performed by some of the church women was a take-off on a church council meeting. Council members were played by their wives in some cases, and by some "hammy" actresses, in other cases. "Hostess" June Davidson, was played by her cousin, Douglas Keffer. Council members were Ruth Auger, Gladys Boeckner, Elfreda Medensky, June Davidson, Phyllis Julian, Elaine Pabst, Refi Moore, Esther Lange and Ruth Keffer. Billed as the "Flatfoot Floozies," Harry Medensky and Milton Berger lived up to their name as they gave a memorable performance dancing to "La Cantina."
