WINTER EXPRESS SNOW TIRES

at about **1/2** the PRICE POPULAR SIZES 944 to 1299

WHILE THEY LAST

WINTER EXPRESS has been our standby for the better part of a decade; in offering it at about half the price of our other snow tires, nothing has been taken from the tire you have known it to be all these years. It's as big — it's as heavy and massive — and as strong as ever.

The rugged "keep rolling" traction tread of Winter Express made it the trail-blazer wherever the going was really tough . . . and it purred the bare highway with the quiet ride sought by its contemporaries. Now, it must be cleared out to make way for our New HIWAY-BYWAY . . . The tire that makes fun of winter driving.

Kelly Herbinson of King Township in a hooded suede topper over her suede and jersey slim set, Diana Hall in a cranberry red velvet party dress, Christopher Hall, also of Oak Ridges in his natty grey tweed topcoat trimmed with fake fur to match his hat and Rodney Wood of Gormley in his warm nylon quilted jacket took the spotlight among the children modelling at last Saturday's fashions for children show in Jefferson.

Fashion Show For Bubble Gum Set

St. John's Anglican Nursery School in Jefferson last Saturday held a fashion show for the younglings. Mrs. Betty Sankey of King City created the children's hair styles. Mrs. John Armour was commentator and helped the children be at their ease throughout the performance. Stan Roots distributed the various door prizes. Excellent lighting and background music was made possible by Ted Munro. Tea was served.

Proceeds from the show will be used to buy much-needed equipment for the nursery school. General convener was Mrs. Eileen Woods, Mr. J. Houlton and Mrs. M. Bland.
