

Abandoning Animals On The Road Could Bring Resultant Charges

Canine Control Officer James Ryan has a definite grudge against persons who abandon their animals on roads or in fields.

"Within the past few weeks," he said, "we've come across five different lots of dumped animals in the Richmond Hill area."

Officer Ryan is requesting that persons spotting such dumpings get the license of the motor vehicle and contact his office or the police.

"It's a definite offence to treat animals in such a manner," he said.

"In the past while," he continued, "we've recovered two pups in an Elgin Mills field, another three left on their own in a gully on the 7th Concession Road of Vaughan Township, and two other pups on Bayview."

"This is a very cruel and unnecessary way to rid yourself of an unwanted animal."

Persons caught dumping animals can be charged with a number of offences including cruelty to animals and deserting "and several other things."

French Story Hour For Young Canada Book Wk.

"Our French Heritage" is the theme for this year's Young Canada's Book Week. In keeping with this theme Richmond Hill Public Library has arranged a special story hour for Saturday, November 23 at 10:30 a.m. Mrs. P. Harris, a library board member who comes from France, has offered to provide a program of stories and songs in French for boys and girls. Even those with no knowledge of the French language will be surprised at how well the universal art of story-telling will convey the beauty and spirit of the French tongue. All children from 5 to 12 years of age are invited to the story hour. Special displays of books in French and English have been arranged. The library has a small group of children's books in French which will delight those who know some French as well as those who are unfamiliar with it. The pupils of Crosby Heights School under the direction of Miss Ethel Thomas have made a mural depicting some of the exciting moments in French Canadian history and this, on display in the children's room of the library. Other school children very interesting paper mache masks can be seen in the Gordon McLaren Auditorium.

With the current interest in biculturalism, adults and children alike are becoming more aware of our French neighbours. Here is a chance for all to become better acquainted. Make a visit to the library during Young Canada's Book Week a must for you and your family. Au revoir!

Hospital Auxiliary
A friendly get-acquainted gathering met in the auditorium of Richmond Hill United Church for all branches of York Central Hospital Volunteer Auxiliary. Mrs. E. Leek, Mrs. H. Burton and Mrs. L. Head were present from Headford.

Dessert and coffee were served to the accompaniment of feminine chatter. Though men were present, the only masculine voice heard was that of Douglas Storms, chairman of the board of trustees of the hospital, when the auxiliary president, Mrs. R. J. Miller, called on him to speak to the meeting.

Mr. Storms was enthusiastic as he spoke of the culmination of the work of many to bring a dream to concrete reality. He urged members to turn out to the opening, November 28, when the Lieutenant-Governor, the Honourable Earl Rowe, will officiate. The opening ceremony will take place at 2:30 outside, but owing to the cold season the service will be brief. The hospital will be open from then until 10:30 and guided tours will ensure for visitors a full inspection.

The Gormley, Headford, Victoria Square branches of the auxiliary will meet at the home of Mrs. M. Joyce, 166 Bayview Avenue South, November 25, at 8 p.m. The president is anxious that there be a good attendance as this is the last meeting before the opening of the hospital and there will be matters to discuss pertaining to volunteer service.

Leek Stars
Thornhill Secondary School won the final senior football game against Barrie North in the Georgian Bay area.

It is of special interest to Headford that the tradition in the community of supplying players for the winning team continues with Albert Leek a member. David and John Rumble carried the ball for several years and are now playing for OAC at Guelph and Toronto University.

Nominations Meeting This Week
November 22, all township people interested in municipal affairs will be at Buttonville W. I. Hall for the nominations meeting.

Elections this year promise plenty of interest for Buttonville folk with two of our local men in the race for the reeveship.

Charles Hooper, who rose to the reeve's chair last October on the death of Reeve Wilfred R. Dean, has announced his intention to stand for this office, and S. R. Patterson, who for 10 years served as chairman of the board of S. S. No. 5, Buttonville, and has more recently been the finance chairman for TSA No. 3 will also be a candidate for reeve.

In the deputy-reeve's contest Mr. Forest Dullger of Victoria Square is a likely candidate, but as yet there are no other announcements. This year, attend as many open meetings as you can.

Women Liberals Meet at Mrs. Boyington's
Monday evening of last week women Liberals from Markham Township met at the home of Mrs. Russell Boyington, with more than 20 present. Mrs. Wm. Champion continued a history of the Canadian form of government and its early development in the years 1837/1847, and Mrs. George Kelly, president, gave a vivid account of the national federation convention held recently at Ottawa, which she attended as a delegate. In a field closer home, Mrs. Stewart Rumble and Mrs. Fred Leaf conducted a questionnaire on municipal affairs - "What is a Municipality?", "Who is Eligible for Office?", "Who may Vote?" and similar pertinent questions. On the lighter side, Mrs. A. W. Miller and Mrs. Ella Brown provided music.

Scarborough's Reeve A. M. Campbell has promised help to service clubs in the township presently hand-cuffed by police in actions against bingo and raffles which provide the main source of funds for youth work.

He said he would seek a meeting with Magistrate C. O. Bick, chairman of the Metro Police Commission, and if the situation isn't cleared up he will go to Attorney-General Fred Cass.

The reeve wants the definition of "occasional" bingo, permitted by law, made clear. If it is every two weeks or every month then service clubs can proceed on that basis, he said.

Raffles or lotteries are allowed when proceeds go to the charity and the prize is valued at \$50 or less. The Criminal Code would have to be altered which would involve a lengthy process.

"The situation must be cleared up so we know where we are going and that we are not in fear we are breaking up the law," he said. He was speaking to a "Youth Appreciation Week" banquet at the Tam O'Shanter Golf and Curling Club.

Markham Township Council went into a slow shuffle Tuesday night when it considered a recommendation from its Industrial Advisory Committee to request next year's council to become a member of Metro Toronto Industrial Commission.

Council agreed to the recommendation after changing the wording to the extent it would ask the new council to give the matter consideration.

Councillor Stewart Rumble was opposed to the original wording which asked councillors to advise the new council to join the commission.

"I feel," he said, "we should just advise them to give it consideration."

Councillor Charles Hoover said he was "inclined to let the new council recommend it themselves. I can't see anything wrong with joining it if it brings results."

Deputy-reeve Allan Sumner replied that "you can't bring results without effort."

Council also agreed to pay mileage rates to members of the industrial advisory for meetings they attend for the balance of the present term. The rate will be 10 cents a mile.

In addition, it agreed to the \$390 price for 3,000 copies of a new industrial brochure being prepared for the township. The brochure is intended to display the township's industrial potential to interested manufacturers.

In other business, council accepted with regret the resignation of W. Bradley from the Markham District High School Board due to business pressures. The resignation is effective immediately. Mr. Bradley's term was not slated to expire until 1964. Council deferred discussion of a new appointee for one week.

Council okayed immediate payment of \$99,000 to the Ontario Water Resources Commission for road work done on Highland Park. The amount had been budgeted for in the township's estimates with subsidies from the Ontario
