TONY FUELLING IS SPORTING A FLORIDA TAN

A tall sun-bronzed character was wandering around and about Richmond Hill last Friday night. He provided quite a contrast with our whitened, winter-pinched faces as he was wearing a good coating of genuine Florida tan — Tampa variety. He was no stranger to this area. Only just recently he was a member of the Richmond Hill Police Force until he took off for the sunny south. Yes indeed! Tony Fuelling looks pretty darn good!! While waiting for his visa to take up residence in the U.S.A. Tony is whiling away the time by forcing himself to play golf. He hasn't done a lick of work since November 22 last year and looks not unlike a prosperous member of the cast of Surfside Six. If the rest of the members of the force get a good look at their erstwhile comrade of the cruiser set Chief Robbins could possibly have wholesale resignations on his hands. The scion of the clan Fuelling looks that good!

POWER OF POSITIVE THINKING

How like you the latest straw-grasping by the Maple Leaf Hockey Club brass? The Power of Positive Thinking yet!! Whether they got a good deal on the price of the books is neither here nor there but they could have saved money and added to the larder at the same time. Better book too! For a label and a few cents the manufacturer of a widely advertised food product would have sent them a book called Here's Howe — tells ALL about how to play hockey. Anybody thought to tell George, better known as Punch Imlach about the deal?

ELECT RAY GEMMILL RECREATION HEAD

At the local recreation committee meeting Wednesday night of last week Ray Gemmill was elected chairman for the coming year. Ray has done a great deal of work behind the scenes for a good many years and was one of the leading lights in the now defunct Kinsmen baseball program.

After his election Mr. Gemmill remarked that in following in the wake of Bill Ruttle he had his work definitely cut out for him. We think that he is more than capable of doing justice to his voluntary chore.

Mrs. Margaret Williams was elected to the post of vice-chairman. Mrs. Williams has a great deal of service behind her in the recreational field and should aid and abet Mr. Gemmill to the fullest extent possible.

It was a sincere hope of the recreation committee that they and the parks board be amalgamated into one cohesive body. Town Council in its collective wisdom has seen fit to veto this for the (Continued On Page 10)

Town And Country

Win 1st O.M.H.A. Round

The Town and Country Juveniles, coached by Bill Points and managed by Marsh Amos, made their opening bid for an O.M.H.A. title a strong one as they eliminated Newmarket in three straight games to win going away.

For their next series they draw Orillia the O.M.H.A. juvenile winners last season. Dates and times of games will be announced later.

The opening game of the three out of five series was played in Richmond Hill last Wednesday. Jack Dubkowski rapped in four goals as the Town and Country squad won an easy 6-1 decision over Newmarket. Craig Dunnett and Roger Ball got one each while Frank Pirri grabbed off two assists.

On Friday night the teams were back at Newmarket and George Shepherd sniped three goals as the Town and Country team hung a 5-0 shut-out defeat on Newmarket. Jack Dubkowski and Craig Dunnett fired one each with assists to Roger Ball, Dave Day, Bruce Sim, and Frank Pirri.

Jack Dubkowski scored four more goals as Newmarket tasted defeat for the third time in a row on Sunday. A 5-2 win for the Town & Country team was enough to send them ahead in the O.M.H.A. race while Newmarket hopes for this year ended abruptly. George Shepherd scored the other T&C goal with Frank Pirri, Bruce Sim and Craig Dunnett garnering assists.

In three games the T & C Kids have scored 16 goals and nine of them were scored by Jack Dubkowski as he continues to be far hotter than any two dollar pistol!

Ray Brooks' C.F.G.M. Radio Kids took a real pasting from Barrie in an exhibition game at Richmond Hill last Friday night.

A fast skating, hard hitting Barrie squad was quick to take advantage of every lapse by the local team and outscored the locals 8-1.

Ron McBrien scored the only goal for the Radio Kids with an assist on the play going to John Cropp. A return game is set for March 15 in Barrie and Mr. Brooks hopes to have his team give a better account of themselves and prove that they can play hockey.

Gord Pipher's Hornets entered a best two out of three series to see which team will advance into the O.M.H.A. playoffs. The Hornets doubled the score at Newmarket last Friday in the opening game as they won 4-2.

Gerald "Beany" Methe led the way by scoring three goals, as Bob Wilkinson added the insurance goal. Larry Young picked up three assists enroute to the win.

Second game of the series goes this Friday night at Newmarket.

The North End Cleaners eliminated Newmarket from the O.M.H.A. playoff round as they won an easy 6-2 victory.

In the first game of the series the Cleaners won 5-2 and outscored Newmarket 11-4 over the two game series.

Reg. Acomb returned from his recent illness to take his place behind the bench with Jim Wilson. He had the pleasure of seeing Wayne Harrington score three goals, Harvey Gordon two and Dave Broderick one.

Phil Dobbs scored two for the Hill team with Peter Bird and Doug Acomb scoring the others.

Aurora trampled the Blue-liners 8-0 in the second game on Friday night. The Aurora squad stuck to hockey and lowered the boom on the Blue-liners to win handily.

Third game of the series is set for Aurora next Thursday night and if we were betting at all it would have to be Aurora!

From the result of the second game it would appear that the Blue-liners had bitten off almost more than they can chew but don't sell them short — they could just do it that.

The first game was played in Aurora last Thursday and the Blue-liners squeezed out a 4-3 win. Aurora were playing it rough and rugged and took penalties that nullified their chances.

Aurora trampled the Blue-liners 8-0 in the second game on Friday night. The Aurora squad stuck to hockey and lowered the boom on the Blue-liners to win handily.

Third game of the series is set for Aurora next Thursday night and if we were betting at all it would have to be Aurora!

HIGH SCHOOL SPORTS

THORN HILL SECONDARY Junior and senior girls basketball teams provided the sole activity at the Thornhill seat of learning last week.

In a twin bill with the lasses from King City the Thornhill junior squad won while their senior counterparts dropped a decision to King City seniors.

Friday, February 21 is grad night at Thornhill with every-thing laid out to welcome old

hands back to their erstwhile learning factory. Don't forget, your ex-Thornhill types, this is your night to recognize old friends and to do an awful lot of "remember when-ing". You'll be very welcome, so please don't forget to attend!

RICHMOND HILL HIGH

February 10 saw the three Richmond Hill basketball teams in a three game set with Aurora. Richmond Hill midjets sneaked to a 32-30 win while the Aurora juniors won the senior tilt 48-41. Richmond Hill seniors were pressed to a 49-43 win to round out the action.

Bayview teams were the victims of a three game sweep by Richmond Hill last Friday. The green and white school won the mid-jet fracas 48-34, the junior game 32-26 and an easy 56-38 triumph in the senior soiree.

The Richmond Hill wrestling team took a 43-13 clobbering from Bayview's wrestling squad with John Madill, Brian Tinker, and Cass being the only R.H. winners.

BAYVIEW SECONDARY Athletic Night got off to a sad start at Bayview last Friday as midjet, junior and senior basketball teams all lost to Richmond Hill. Doug Danter, Jim Milligan and John Puffer went well for Bayview juniors with brothers Wayne and Bruce Morrison pacing the senior attack.

The Bayview wrestling team redeemed the honour of the day by taking a 43-13 decision over Richmond Hill's team. Winners in various weight classes are:

98 lbs. Alf Lindsay; 106 lbs. Dave Leroux; 115 lbs. Bruce Russell; 123 lbs. Wayne Rumble; 130 lbs. Bill Hughes; 136 lbs. Bob Suzuki; 141 lbs. Wayne Everett, all of Bayview; 148 lbs. John Madell; 157 lbs. Cass, both of Richmond Hill; 168 lbs. Don Timperon; 183 lbs. Bob Hoernick, both of Bayview.

Brian Tinker of Richmond Hill won the unlimited event by default.

The regular Saturday morning basketball schedule wound up last week. In the final game the Travellers defeated the Aces 22-6. Scott Cooper and Dave Smith scored eight each for the Travellers as Ian McAlister scored all six points for the Aces. The Beatles hit for eight points while the Jokers could score only five points. Doug Puffer scored five for the winners while all the losers' points were scored by Malcolm Smith.

Final standings have the Beatles on top with seven points followed by the Aces with six. Travellers picked up five points over the stretch as the Jokers could only manage four. Playoffs start March 14 with the Beatles vs Travellers and Aces vs Jokers. Final games go on March 21.

Newest Thing On Ice At Arena!

Arena employee Don Richard is shown piloting the "new look" in ice duty at the local ice-palace which is making everything run a lot smoother for Manager Bill Mabbett these days. The tractor, named the Schomberg Ice Shaver, has replaced the shovels, sweat, and calluses that used to be part of the flooding process in replacing the ice sheet. The shaver is one-man operation. It scrapes the surface off, floods

it and smooths it, all in a few minutes. Prior to its arrival in December the job was in the hands of employees and their trusty shovels and took much longer than seven minutes. "It gives us more ice-time now," said Mr. Mabbett. "We can reflood it almost any time of the day without holding up everything." The shaver is the invention of Cecil Maynard of Schomberg who designed it originally for the curling rink there. Its valued at \$2,000. (Photo by Barbour)

Local Boat Mfg. Has Impressive Display Of Craft

A Richmond Hill company had all flags flying recently at the Canadian Boat Show in Toronto displaying three of its most popular products.

On display was the Super Mark 11, the Sunfish and Catfish models.

The company is Sailfish Sports-craft Limited at 59 Industrial Road which is completing its seventh consecutive record-breaking year as builders of the Sailfish and Sunfish sport sail-craft.

It has recently introduced the new Catfish at leading boat shows throughout Canada.

The Alcott, Sailfish-Sunfish has competed in more than 75 open regattas during the past year. Chartered racing fleets, according to company officials, now number more than 150 and are located throughout North, Central and South America, in Europe and the Middle East.

The boats have been displayed at the International Boat Show in London, England, and in other shows throughout Europe.

The local company turns out the above three mentioned sail-craft and employs eight persons. It has been located in Richmond Hill for the past five years.

President is W.H. Risley.

Plan To Purchase More Forest Area

York County's reforestation committee is continuing to urge purchase of lands for conservation projects in the county.

At last Thursday's meeting in Newmarket, the committee budgeted for \$9,500 worth of land purchase this year. Total acreage in the county forest to date is 3,948 acres.

The forests are maintained by the Department of Lands and Forests under an agreement wherein land is acquired, planted and maintained for reforestation purposes.

There were no fires in the county forest areas last year.

In addition to its conservation aspects, the county forests have brought in revenue of \$5,256 through cutting of fuel, poles, sawlogs, pulpwood, cedar fence posts, trees for displays, the report said.
