The Week's Happenings In Maple

Five New Scouts Joined A Pack

Since the beginning of the year, five new boys were invested in "A" pack 1st Maple Boy Scouts including Paul Ellis, Douglas Hill, Gordon Parrott, Glen Barnden and David Wright. The following received their first stars: Gregory McDonald, Kim Miller, Roger Aubertin, Ronnie Crook, Ricky Urquhart, Robert Martin, Douglas Irvine, Jim Ellis and Jeffrey Jarvis. Team players' badges were presented to Graham Cameron and Jim Ellis. Competition for the highest points and holding of the "good hunting" pennant for each month is very keen. Blue Six under Sixer Jimmy Hill won the honors for December while Red Six under Sixer Billy Watson won a close victory for January.

Site Deed For Lower Ninth 26 Years Late

Last July, Vaughan Township School Area Board learned that no record existed of conveyance of 1.247 acres of land in 1938 to the former board of S.S. No. 13 Vaughan for a school site. This land forms part of the Lower Ninth School grounds at the corner of No. 7 and 27 Highways and was an exchange of property with the Department of Highways, necessitated by the construction of this intersection. Investigation at the registry office confirmed that no such deed was in existence. Accordingly the Department of Highways prepared a plan of survey and a draft deed which was approved by the school board's property committee this month.

On The Other Foot Now! Sure, it's been easy to put down "Thank you" words for other folk but how can I find the words to even half express my appreciation and delight for the thoughtfulness of the many folk in and around Maple, during my recent stay at York Central Hospital.

Congratulations Its a son, Robert James for Kirk and Elizabeth Kawamoto, 14 Keele Street S. born on February 16 at York Central Hospital.

Home From Hospital Glad to hear Marg Robson (Mrs. George) of Shur Gain Farms is home from Branson Hospital and able to fully enjoy their lovely new home recently built for them.

Winter Fun Sport While Jack House performed his weekend warden duties at the Boy Scout Ostrail camp at Orangeville along with Bill Brash, Mrs. House took sons Jeff and Steve up to Lake Simcoe to visit with her sister Doreen Brash.

North to Lake Simcoe This new sport (to me), sounded like lots of fun, Pat, at one time, used to cover a lot of mileage in that area on snow shoes—and that too must be great fun.

Cub Leader Returns Ricky House, a "B" pack 1st Maple Cub, stayed home with grandparents Lowell and Mary House, to work on his 1st star. It seems that with Cubmaster Russ Locke coming back to the helm of "B" pack following a

short-lived retirement, he cracked the proverbial whip and the Cubs have once more settled down to action. All that was needed Russ, was to have you back in uniform again!—and parents and cubs alike are indeed grateful and delighted.

In talking to Pat Johnson, (this new sport (to me), sounded like lots of fun, Pat, at one time, used to cover a lot of mileage in that area on snow shoes—and that too must be great fun.

There the boys skated and the girls hiked on the frozen lake in true old fashioned winter enjoyment.

So it is that assistant leaders are urgently needed in the Brownies. Brown Owl Shirley Lobraico would appreciate hearing from anyone that enjoys working with just such a group of girls, and has the time to give to them.

Maple Brownies

Particularly Important Night

To the 1st Maple Brownie Pack, a recent meeting held special importance for this group who gather each Thursday evening in the George Bailey School. District Commissioner Mrs. R. Rummy and Division Commissioner Mrs. Alex Knight were present for the Brownie enrolment ceremony. With Mrs. Knight officiating for this ceremony, Lorretta Cibirka, Karen Clendenan, Karen Horner, Nancy Lloyd and Cindy Past became Brownies. Following enrolment, Mrs. Rummy presented golden badges to Sharon Chalmers and Teresa Clarke. The first golden hand badges had been well earned and were presented to Joy McMillan, Barbara Walsworth and Lynda Walsworth. Sixer stripes had been earned and are now being worn by Marion Boyd, Barbara and Lyn-

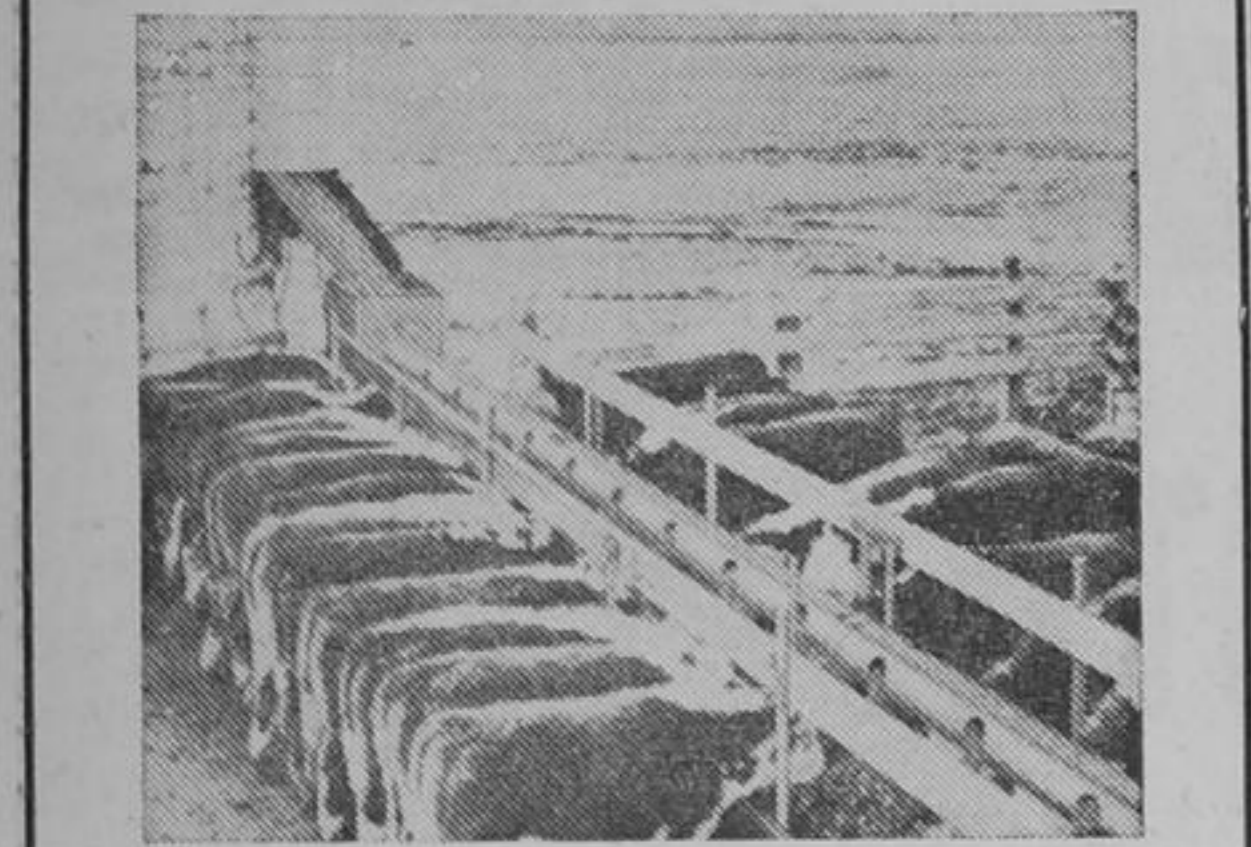

da Walsworth. Second stripes are now worn on the arms of Fern Ansell and Teresa Clarke. During the evening Mrs. Knight told the girls of her Christmas holiday trip to Scotland and showed them pictures of Scotland and also of Girl Guides at Camp Adelaide in Haliburton. The guiders would like to express their thanks to all Brownies' mothers who have helped out at the meetings. A special thanks to the executive of their parents' group who have worked hard and effectively to get guiding off to a good start in Maple. Leaders Needed It is so nice to get such a complete report from this the newest group to be organized for girls in Maple. As in all groups, willing leaders are often a scarcity but without same even the most in-

teresting and worthwhile organizations crumple. So it is that assistant leaders are urgently needed in the Brownies. School Equipm't Is Not For Loan

In the future, loan of school equipment to any person or organization for use outside school buildings will be forbidden. Vaughan Township School Area Board decided Thursday evening.

The use of maintenance equipment on school property by outside organizations will be subject to the discretion of the maintenance supervisor and the property chairman of the board. The board will also consider compiling all board policies into a book for handy reference for trustees, principals and administrative staff.

The above policy was felt necessary since some equipment had been found damaged on return and the borrowing organizations have felt they were not responsible, it was explained. The board has been faced with heavy repair bills, it was stated. Trustee Warren Baillie, chairman of the property committee, explained that the use of equipment such as projectors would still be available within the school building to groups such as home and school. "Did you or did you not give this equipment to the school?" asked Trustee Lorne Wells when a parent asked if the ruling applied to equipment which has been donated to schools by parent groups. The parent admitted that the equipment was a gift to the school and should be included.

Two assists were given David Birch for the Lions' only score of the game by Dale Bone and Doug LaRiviere while Donald Thacker gave an assist to teammate Jim Madden's goal for Radio.

Connor Transport 3 Superior Propane 0 The three goals for Connor were divided up with one goal by John Weir assisted by Doug Roberts; one goal by Wayne Raworth, assisted by Ed Hoog-anboom who also turned out to score the final goal with an assist from John Weir. HOW'S YOUR DRIVING IQ?

Most automobile skids are the result of (1) under-inflated tires? (2) too much snow or ice on the road? (3) over-inflated tires? (4) driving too fast on slippery road surfaces? According to the Ontario Safety League you should turn the front wheels in the one direction. If your car does skid, it will skid in the direction you're steering. (If it corrects, but remember, you're more likely to lose control if you over-steer.)
