**Tabloid Sports Day**

Duane Reid shows a group of onlookers how it's done at Saturday's Tabloid Sports Day. Each contestant had three chances to putt a golf ball along a rug covered alley into the cup. Each time the ball went into the cup a point was scored for the player's team. Officials of the RHMBA and all boys who participated in the full day's sports program thank Marty D'Alessandro for the best Tabloid Sports Day minor ball has had in a long time.

The RHMBA Tabloid Sports Day was held last Saturday in the town park with over 500 boys and girls participating in some 20 events of skill and endurance.

The day commenced with the pee wee events in the morning and the squirt in the afternoon. The events were run "like clockwork" by official Marty D'Alessandro and Mike Parrott.

The Dodgers led the attack all morning placing first in 10 of 12 events thus allowing any competition little headway. The Dodgers and Coaches Jack Duncan and Ralph Davis are to be congratulated on winning the pee wee sports day title and on fielding their entire team for the day's activities.

The squirt events proved to be just as exciting as the pee wee attractions. The Leafs were on top leading in four of seven events when the final scores were tabulated later in the afternoon.

The biggest attraction, even to the coaches, as the refreshments that were served at the end of each activity period.

Between the various teams that participated the players managed to devour 1,400 hot dogs, close to 1,500 ice cream dixie cups and gallons of fruit juice.

The day was well organized and the willing assistants many. Originator Marty D'Alessandro wishes to thank everyone who helped, even in the littlest way, especially Mike Parrott, Ken Cluaine, Tom Sanlon, Mike Berzowski and the gallant ladies who served the refreshments, Mrs. Brooks, Mrs. Hall, Mrs. Jackson, Mrs. Gordon, Mrs. D'Alessandro, Mrs. Methe, Mrs. Clephan, Mrs. Steffan and Mrs. Jarvie without whose assistance the day would not have run as smoothly as it did.

**Girls' Tournaments**

The girls and bantam teams played to a thrilling climax in their tournaments which were held in place of tabloid events.

The Rubies gained the girls tabloid title defeating the Emeralds 7-9 in a sudden death final. This now gives the Rubies and their Coach Sonny Kellert the honour of holding both the league title as well as the sports day championship.

The bantam boys played an equally exciting series of games to obtain the tabloid title in their league. The final game saw the Yankees facing the Red Sox for the title on the main diamond late in the afternoon. The Yankees led most

of the way until the fifth inning when the Red Sox fought back gaining enough runs by the final inning to edge the Yankees and secure for themselves the well earned tabloid crests and team championship.

After all the competitions were over, all the hot dogs, ice cream and pop were consumed, and all the youngsters had gone home, several jackets without owners, were found at the town park. These may be claimed by calling Ray Brooks at 285-4330.

**Shouldice Willing To Discuss Sale Of Land**

Dr. E. E. Shouldice and John McKay, business manager of Shouldice Surgery, appeared at Monday's meeting of Markham Township Council to protest reports in the local press that they were unwilling to discuss sale of Shouldice Surgery land to the township for the installation of a sewage plant.

"The impression was given, that Shouldice was going to be difficult," protested Mr. McKay. "We have not said that we would not meet with Mr. Friedman (of North Thornhill Development) but we are not going to meet with someone who is going to waste our time."

Mr. McKay characterized the Friedman offer to Dr. Shouldice as "ridiculous, silly and facetious", and stated that their main concern was to protect the hospital in the face of public reaction to its being next to a sewage plant.

Councillor Robert Sloane interrupted to enquire just what Mr. Friedman's offer was to Dr. Shouldice. "We have no idea what his offer was to you people. You are doing the same thing now that you accuse him of doing," he added.

Dr. Shouldice revealed that Mr. Friedman had offered him \$1,000 an acre for the land but insisted that "it would cost us \$20,000 an acre to have a sewage plant next to our hospital."

The land in question, 10 acres, is flood plain land on the Don River with a frontage on John Street, east of Bayview Ave. Mr. Friedman at the previous council meeting had stated that it was good for nothing except conservation and could not be built on, and that Dr. Shouldice had asked an "exorbitant" price for it.

Both Mr. McKay and Dr. Shouldice also took strong exception to the statement in the press that Mr. Friedman would be notified immediately the township appointed appraiser had arrived at his evaluation of the land.

"Mr. Friedman is not a taxpayer but he is getting first consideration and Shouldice is not being considered," Mr. McKay protested.

**York North Liberals Support Thompson, Templeton, Nixon**

York North riding was well represented by its full delegation at the leadership convention of the Ontario Liberal Party held at the Royal York Hotel in Toronto on September 17, 18 and 19. It took six ballots during a tense four hours Saturday afternoon before the delegates finally selected Andrew Thompson, the 39-year-old member of the Legislature for Toronto Davenport as the party's new provincial leader.

He succeeds John Wintermeyer of Kitchener who suffered personal defeat at last fall's general election that saw the re-election of the Tory Government of John Roberts. Mr. Wintermeyer had been elected leader in May, 1958.

The 12-member York North delegation split its support among the three top runners for the key position of party leader. Their votes

went to Mr. Thompson, ex-newspaperman and TV personality Charles Templeton, 48, and Robert Nixon, 35, former president of the Ontario Liberal Association and MLA for Brant County. The delegates voted individually and not as a unit.

The real surprise of the convention according to North York's representatives, was the strength of Mr. Templeton among the rank and file delegates. "If Mr. Templeton had won the Riverdale by-election he would have undoubtedly carried the convention on the first ballot" remarked delegation Chairman Sam Cook. "His speech to the convention on the Friday evening before the voting electrified the delegates and he received a tremendous ovation."

It was forecast Mr. Nixon, a high school teacher and the son of a former premier, would display more sup-

port than he did. While both Thompson and Nixon had well organized machines they both underrated Mr. Templeton's grass roots strength. A great deal of Mr. Thompson's strength came from the federal wing of the party. Federal Finance Minister Walter Gordon and National Organizer Keith Davey were both prominent supporters of his.

The York North delegation represented all parts of the county. The 12 voting delegates included John Addison MP, Donald Plaxton the party's provincial candidate, Ernest Prosser, Sutton; Arthur Pollock, Keswick; Jack Rye, Mount Albert; George Richardson, Newmarket; Wilbert Jennings, King; Mrs. Lila Kirkwood, Aurora; Mrs. Grace Norton, Stouffville; Mrs. Hilda Kelly, Markham; Sam Cook, Richmond Hill; and Lou Wainwright, Vaughan. Delegation chairman was Sam Cook.

**Saturday Films For Children At Richmond Hill High School**

The Library Club of Richmond Hill High School and the "Films for Children" committee present the first film of the 1964-65 season on Saturday morning at 10 a.m. at Richmond Hill High School auditorium, Wright Street.

The committee has planned an interesting program and looks forward to seeing many new faces in this season's first audience.

The feature film "Blow your Own Trumpet" tells the story of two boys, Jim Fenn and Tony

Holroyd, both of whom are eager to become cornet players in the Bricksdale Colliery band. Tony is being coached by his father, Bob Holroyd who is a member of the band.

Jim has no cornet. Mr. Duff, kindly conductor of the band resigns after a disagreement with Bob Holroyd. When Jim manages to buy a cornet, Mr. Duff teaches him to play and encourages him to compete for a vacancy in the band.

Tony, who hopes to win, hides Jim's cornet. Jim's sister finds it and rushes it to the concert hall. Jim wins the competition and Mr. Duff is happily reinstated.

The first episode of the serial "Raiders of the River" will also be shown. Children who wish to buy season tickets at the door please come a few minutes early.

The committee would appreciate it if pre-school children did not attend the films as they tire easily and when they become restless, they disturb the older children.

**H&S Council At 16th Ave. School**

A "Get Acquainted" meeting will be held at York-Simcoe Council of home and school associations at 16th Avenue School, Richvale, October 15.

The meeting will discuss some of the changes created by the amalgamation of rural school sections and school boards. Speakers will be Mrs. Louise Almone, B.A., chairman of the board of Markham Township School Area No. 1, and Mr. Maynard Hallman, B.A., B. Paed., Inspector of Public Schools, York 3.

The 1964-65 York-Simcoe Council is composed of president, Mr. N. H. Martyn of Nobleton; vice-presidents, Mrs. M. Leingang, Aurora and Mrs. H. Dafeo, Stouffville; recording secretary, Mrs. Mary Calvin, Richmond Hill; treasurer, Mr. T. Goodwin, Thornhill and corresponding secretary, Mrs. Mackenzie, Willowdale.
