Community Happenings In Thornhill

Home from Coast

Mr. and Mrs. H. D. Robinson, Arnold Avenue, returned recently from their trip to the west coast, where they travelled with their daughter Marion. They enjoyed their trip through the Rockies, did a lot of sightseeing as it was their first trip out west, and the weather was delightful for their six days on the coast.

While there, they lunched with Rev. Calvin Chambers and his family, well known to Thornhill residents as former minister at Thornhill Presbyterian Church.

Marion left by boat for New Zealand where she is to marry Andrew Woodcock this month. She arrived September 26 after a most enjoyable trip with stopovers in Hawaii and the Fiji Islands. After the marriage the young couple will take a six week motor trip through New Zealand.

Mr. and Mrs. W. E. Windsor, Thornebank Rd., and their sons, Douglas and Wray, returned recently from a five-day visit to

New York. They visited Central Park, Rockefeller Centre and took a boat cruise out to the World's Fair, enjoyed a tour of the United Nations and spent another full day out at the fair.

One of the highlights of their trip was an invitation to a private showing of the General Motors Exhibit.

Mr. and Mrs. G. Juhl have left for New Bedford, Mass., where they have taken up residence. Mrs. Juhl was the former Elaine Elvidge of Arnold Ave.

Congratulations to Mr. and Mrs. I. Fairly, Arnold Ave. on the birth of their son.

Mr. and Mrs. Gavin Warnock and daughter Mary Jane, former residents of Thornridge Dr., have returned from England where they have been residing for the past three years and are now living in the Niagara Falls district. Smoky, their much travelled dog, has returned with the family.

The Thorn-Willow marathon bridge club commenced October 1. This club consists of ladies from Thornhill and Willowdale, they play once every three weeks and continue on to the end of March.

Six Weeks In Ireland
Mr. and Mrs. K. Walker, Thornridge Dr., returned last week after spending six weeks in Ireland.

This was the first trip for Mr. Walker and a return one for Mrs. Walker who came to Canada from Cork as a little girl.

She enjoyed getting acquainted with her many relatives, and the Walkers were most impressed with the friendly people and well-mannered children.

Mr. Walker said it was heart-

warming to see little boys jump to their feet on the buses for the lady passengers, something that seems to have gone out of vogue in North America. He was particularly interested in the picturesque 13th century built stone hedges which run for miles. Ireland is a charming place to spend a holiday, they both agreed.

Willyanne Mote, 41 Idleswift Dr., who recently graduated from the Hamilton General Hospital, has joined the staff of Northwestern Hospital.

Mr. and Mrs. H. R. Burgess, Thornridge Dr., returned recently after spending five days in New Orleans. They flew via Chicago for a convention.

This was their third trip to New Orleans, a number of favorite spots were revisited and some new ones discovered.

They lunched at Brenness, dined at Arnolds, Antoinette and Veaux Carre; at the latter a delightful Irish waiter, Frank Patrick McHugh, served them banana flamboy with a French flourish. By a stroke of luck, Al Hirt and Pete Fountain were both in town and they enjoyed seeing these two perform in first rate shows.

An evening at the Bunny Club, where Blackstone Jr. performed amazing magic feats before their eyes and a walk up and down Bourbon Street completed a full five days away.

Many parties have been given in honor of one of this season's brides, Katharine Anne Elwood daughter of Mr. and Mrs. G. F. Elwood of New York, whose marriage to Dennis Ross Robinson, son of Mr. and Mrs. H. D. Robinson takes place in Northlea United Church, Leaside, October 10 at 3:30 p.m.

Among those who have entertained are Mrs. W. Hukvale, who gave a pantry shower; Mrs. P. Ardell, Aurora, a linen shower; Mrs. F. Gardhouse and Mrs. A. P. Petrie, a kitchen shower; Mrs. J. Hanna, a crystal shower; Mrs. A. Chamberlain and Mrs. Lyle Williams of Leaside, a miscellaneous shower; Mrs. A. H. Leckie and Mrs. W. H. Monk, a tea and miscellaneous shower held at the University Women's Club; Mrs. T. W. McGinn a dinner party in Burlington; Mrs. D. J. Snell and Mrs. Mootie, a supper party and personal shower; and the grade 1 teachers of Willington school gave a pizza lunch party.

Mrs. G. F. Elwood gave the trossouise tea at the home of Mrs. F. Gardhouse, 595 Broadway, Leaside on October 3.

Varsity Football

Whether or not they get along with the beautiful girls, three Thornhill young men are well on their way to being football heroes.

Don Gibson, Jim Kellam and John Rumble all starred on the Thornhill Secondary School football team for their five years at high school and are now taking a big part in Varsity football.

Gibson and Kellam were among the Varsity squad selected by Coach Dalton White to make the flying trip to Edmonton and they played in the games against the University of Alberta and the University of Manitoba.

Kellam, who stands six foot one and weighs in at close to 230 lbs. played tackle for Thornhill and is doing the same job for Varsity. "I have no doubt that in a few years he will be an all-star in intercollegiate football," stated Charles Seath, head of the physical education department at Thornhill.

Mr. Seath also reported that while at the exhibition game with Western, in which all three boys played, Dalton White referred to Kellam as "the best high school lineman I have ever seen."

Kellam showed up well in the game with Western and played for most of the game. "He's six feet of solid muscle," said Mr. Seath "and he will have a good six years ahead of him of Varsity football." Kellam, now enrolled in the general science course, intends to go into medicine.

Don Gibson also plays on the line and has been on both the junior and intermediate teams at Varsity. After leaving Thornhill Secondary, he took the physical and health education course at the U. of T., graduating from this in 1963. Last year he spent a year at Victoria College, majoring in psychology and received his B.A. in June. He is now enrolled in the law school.

John Rumble is on the Varsity team for the second year and plays full-back. He is in his second year in the physical and health education course. While it is a bit early to say, Mr. Seath thinks Thornhill has a pretty fair team this year. They defeated Kitchener in a night game two weeks ago and also won a game against Richmond Hill last week.

"We certainly miss Kellam though," said Mr. Seath. "You don't replace a player like that in a year."

The Thornhill Sports Scene

The Thornhill Sport Scene naturally slows down just before Thanksgiving. How can people think of anything but turkey, pumpkin pies, autumn leaves and the necessity of closing their summer cottages as the great holiday approaches. After Thanksgiving is over, watch their smoke though as they swing back into the routine of their favorite sport.

BOWLING
Thornhill Ladies Afternoon Group — June Fallis was the high shooter for the afternoon with 503. Fran Clark was the high single, 227. Marg Fleming piled up a score of 440 for three games and Jean Smith had 432 for three games. Joy Pritchard had 432 for three games.

Thornhill Mixed Bowling League—Their six teams had all their lanes humming this week but they are still not pleased and would like to do better. Don Bradley had the men's high triple, with 583 and Cy Ball had the high single. Other scores were Reg. Sparkes 225, Ken Poole 437 (231, 206), Peter Leahy 201, and Charlie MacDonald 207.

High shooter for the ladies was Diane Leahy with 615, and Jean Smith, the high single with 209. Other scorers in the singles were Jane Ball 205 and Eva Hingley.

Team standing as of Oct. 1: Gord Sweezy 9 and John MacDonald 9.
Say! Did you know this old game of bowling has been around since 5000 B.C. That's what I heard. It's never gone out of style especially with the Germans and the Dutch. Dutch settlers brought the game to New York. It was originally played with nine pins but some naughty gamblers tried to take it over during the 19th century. So the law stepped in and that was the end of that. A tenth pin was added and the game of bowling goes on. I think it will be around for a long time yet.

HOCKEY
The Thornhill Church Hockey League is getting ready to round up their players for the coming season. I think they are all thanking their stars for the Vaughan Doublerink this year. Think of all those trips to Bradford last year. Provision is made for boys who do not attend church but live in the Thornhill area to be members of these teams provided there are vacancies in the appropriate section and after all boys from the participating churches are placed.

There will be three pre-season tryouts on the following dates, October 17, 24 and 31. The first League game will be held November 7. The churches who will form this inter-church league will be Thornhill United, Holy Trinity Anglican, Thornhill Presbyterian, St. Luke's and St. Edward's Roman Catholic. For the games on October 17 and 24, it is not necessary that all boys be registered but Lane is on line on the 31st. So come on, boys, don't keep the secretary of the league waiting so long. Mr. Crawford would like you to remember this.

Keep in mind the exhibition games of the midgets, bantams and peewees who will play against the Bradford teams, October 17, between the hours of 5 and 8 p.m.

PUBLIC SKATING
After the official opening on October 17 skating will be available to the public. Keep these dates in mind. Wednesday from 8 to 10 p.m. Saturday, 8 to 10:30 p.m. and Sunday afternoons from 2 to 4:30 p.m. Vaughan Doublerink is located at Edgeley, Jane and No. 7 Highway.

VAUGHAN RECREATION COMMISSION
Dalton McArthur, 1 Malarin St., in Maple is chairman of the Vaughan Recreation Commission. He had been resident in Maple for five years. He has a good record of amateur baseball and hockey with teams around Toronto. He is a former N.H.L. referee.

As chairman he is responsible for the co-ordination of all recreational activities in Vaughan Township. If you're wondering why the Commission has suddenly become interested in the people of Vaughan, it could be that there's new blood in it.

The council has recently appointed Ty. Sowdon and Ed Windsor of Thornhill and Fran Purvis of Richvale to the commission. These men and others headed by Dalton McArthur are pushing for more and better

recreational facilities throughout the Township. So far, Thornhill, Maple and Richvale have indicated they will be playing all their home games in the Vaughan Doublerink and possibly Concord. The future holds some interesting promises too. Something will be done for those girls who would like to take up figure skating. There's talk of an adult education programme offering such things as arts and crafts and perhaps folk dancing if there's sufficient demand. The commission will also promote the summer sports, baseball, softball and perhaps others.

Phone Change
The Thornhill telephone exchange numbers will have their first three digits changed to "899" instead of "285" as of June, 1965. At the same time, the free calling area will be extended to include New Toronto, Islington and Scarborough.

Changes will be made to coincide with the issuance of the new 1965 telephone directories. Anyone contemplating having signs or stationery printed should keep this in mind.
